Life Between Lives Michael Newton, 2014-01-08 Dr. Michael Newton is world-famous for his spiritual regression techniques that take hypnotic subjects back to their time in the spirit world. His two best-selling books of client case studies, *Journey of Souls* and *Destiny of Souls*, have left thousands of readers eager to discover their own afterlife adventures, their soul companions and guides, and their purpose in this lifetime. Now, for the first time in print, Dr. Newton reveals his step-by-step methods. His experiential approach to the spiritual realms sheds light on the age-old questions of who we are, where we came from, and why we are here. This groundbreaking guidebook, designed for both hypnosis professionals and the general public, completes the afterlife trilogy by Dr. Newton.

Journey of the Soul Bill Gaultiere, Kristi Gaultiere, 2021-02-16 The healthy Christian life is one of continuing spiritual, emotional, and relational growth. But so many of us feel stuck or stagnated at one stage of the journey. It's not always clear to us where or why we are stuck, making it difficult to take the next step on our journey of the soul. That's where Bill and Kristi Gaultiere come in. After decades in private practice as counselors and therapists, they have developed a unique model for growing in grace. In *Journey of the Soul*, they draw on more than 70,000 hours of providing therapy and spiritual direction to show you how to identify your current stage of faith and the next steps to take based on your unique needs and struggles. With Scripture, self-assessments, and soul care practices to support your progress along the way, this insightful and inspiring book will be a treasured companion on your journey no matter where you are or how long you've been following Jesus.

Journey of the Soul Doris Klein, 2001-11 *Journey of the Soul* presents the best of Doris Klein's portfolio. The internationally recognized artist gathers twenty-five images with accompanying text that engage and inspire us. The images resonate deeply within the human spirit. The text stands side-by-side with her art to help us uncover and embrace the Spirit's mystery and power. The artwork inspires us. The text mines the layers, and together they present an integrated experience that transforms.

Journey of The Soul Brenda Davies, 2003-02-03 Taken up with our human existence, the journey of our soul through birth,

death and afterlife remains a mystery to most. This insightful book sheds light on the very nature of the soul, explaining its presence before, during and after life. Part one describes our soul's engagement with the physical world and ends as it prepares to be released again at death. Part two exposes the most mysterious phase of the journey - as the soul enters another dimension. With evidence from near death experience, past lives and clairvoyance, Brenda details fascinating aspects of our soul's experience, including communication with the living and reincarnation. Illuminating and uplifting, this book offers peace, hope and comfort making us revisit our life afresh.

The Journey of Soul Initiation Bill Plotkin, PhD,2021-01-12 Soul initiation is an essential spiritual adventure that most of the world has forgotten — or not yet discovered. Here, visionary ecopsychologist Bill Plotkin maps this journey, one that has not been previously illuminated in the contemporary Western world and yet is vital for the future of our species and our planet. Based on the experiences of thousands of people, this book provides phase-by-phase guidance for the descent to soul — the dissolution of current identity; the encounter with the mythopoetic mysteries of soul; and the metamorphosis of the ego into a cocreator of life-enhancing culture. Plotkin illustrates each phase of this riveting and sometimes hazardous odyssey with fascinating stories from many people, including those he has guided. Throughout he weaves an in-depth exploration of Carl Jung's Red Book — and an innovative framework for understanding it.

The Soul's Journey Alan W. Jones,2001 In *The Soul's Journey* Alan Jones explores the three universal spiritual passages of human life by drawing insights from the timeless allegorical truths of Dante's *Divine Comedy*. The Journey of the Soul and the Ethereal World Emma Ruder Drollinger,2022-03-30 This Marvellous Revelation has not been gathered from any source on this earth realm. This knowledge and wisdom has been handed down to me from a Divine Source embracing the actual experiences of my life since a child of twelve. The Divine Intelligences who have imparted this knowledge and wisdom to me are now dwellers of the Seventh Heavenly Zone and the Celestial Divine Kingdoms, and from one of the Masters who is serving in the capacity as a guardian angel. A guardian angel is one who has overcome worlds. Every soul, no matter in what scale of life he may be, is accompanied through this expression of life and through the Ethereal World by a guardian angel. This divine being never makes himself known until YOU are ready for his wisdom or on some special occasion when we are in desperate need or distress and cry out for guidance and help.
