**Trinidad Carnival** Garth L. Green, Philip W. Scher, 2007-03-28 Like many Caribbean nations, Trinidad has felt the effects of globalization on its economy, politics, and expressive culture. Even Carnival, once a clandestine folk celebration, has been transformed into a major transnational festival. In *Trinidad Carnival*, Garth L. Green, Philip W. Scher, and an international group of scholars explore Carnival as a reflection of the nation and culture of Trinidad and Trinidadians worldwide. The nine essays cover topics such as women in Carnival, the politics and poetics of Carnival, Carnival and cultural memory, Carnival as a tourist enterprise, the steelband music of Carnival, Calypso music on the world stage, Carnival and rap, and Carnival as a global celebration. For readers interested in the history and current expression of Carnival, this volume offers a multidimensional and transnational view of Carnival as a representation of Trinidad and Caribbean culture everywhere. Contributors are Robin Balliger, Shannon Dudley, Pamela R. Franco, Patricia A. de Freitas, Ray Funk, Garth L. Green, Donald R. Hill, Lyndon Phillip, Victoria Razak, and Philip W. Scher.

**Jouvert** Joy Mahabir, 2006 Cathy Trenton, the O'Malley's adopted daughter, escapes death in a series of events that leads her to the cave of a monk. She figures out that she is somewhere in the mountains where the headwaters of the Darling River start. The monk nurses her to relative health. However, the demons of a mad man chase her. In an effort to help the monk keep his own sheep alive she seeks out the other ranchers in the area whose sheep are also dying. This only worsens her plight. The sheep scheme finally comes home to roost with Cathy in its web. But she finds little time for that nonsense for she has her own problems. Part of her dilemma is Ray Cronin. Next is her obligation to the Lama. Then of course, there is Ricky Mann and the predicament with the missing serum. She cannot decide how she can put aside the jealousy found in her relationship with Ray. Yet, she doesn't want to lose the one thing she cannot survive without, especially in the Outback. She rationalizes and contemplates these dilemmas until she decides that a mission in saving the sheep, rather than having to own up to her emotions, is the only way to save her sanity. The monk and Cathy find a unique way to tend to the sheep and a way to travel among the sheep ranchers. However, the sheep keep dying and no one including Cathy can figure out why. A witch and a mad man shift the balance of power and it swings from him then back and forth between he and the witch. Lisa Mann's son Ricky becomes the pawn, but he is in the situation in the first place because he lost the antiviral, which Dr. Man sent him to Australia to test. Lisa Mann, head of a special hospital across from New Scotland Yard finds out that the virus she is

working on has unexpectedly fallen into the hands of the wrong people. Why her son gave the virus to them she does not know but aims to find out. In the process, she learns that a witch is involved in the scheme and becomes very anxious about Cathy and her son Ricky. Harry Pinnacle is the mad schemer who is still searching for Cathy. In his infinite wisdom, he searches for Cathy for he has decided that the only way his plan will succeed is if he can force her to work for him. He wants her to head up his plot to corner the market on sheep and wool. Cathy reaches out for help in an effort to avoid the inscription.

**Teaching Anglophone Caribbean Literature** Supriya M. Nair,2012-12-01 This volume recognizes that the most challenging aspect of introducing students to anglophone Caribbean literature--the sheer variety of intellectual and artistic traditions in Western and non-Western cultures that relate to it--also offers the greatest opportunities to teachers. Courses on anglophone literature in the Caribbean can consider the region's specific histories and contexts even as they explore common issues: the legacies of slavery, colonialism, and colonial education; nationalism; exile and migration; identity and hybridity; class and racial conflict; gender and sexuality; religion and ritual. This volume considers how the availability of materials shapes syllabuses and recommends print, digital, and visual resources for teaching. The essays examine a host of topics, including the following: the development of multiethnic populations in the Caribbean and the role of various creole languages in the literature oral art forms, such as dub poetry and reggae music the influence of anglophone literature in the Caribbean on literary movements outside it, such as the Harlem Renaissance and black British writing Carnival religious rituals and beliefs specific genres such as slave narratives and autobiography film and drama the economics of rum Many essays list resources for further reading, and the volume concludes with a section of additional teaching resources.

The Use Of Creole Represents An Ideal Clinging To Caribbean Modes Of Cultural Survival, Which Is Also Buttressed By The Postcolonial Contamination Of The Traditional Western Bourgeois Genre, The Novel. After The Colonial Demise, The Genre Of The Novel Mirrors Approaches Of Communication More Oral-Oriented Than Those Linked To Western Written Aesthetic Values, And The Strategies Used By Selvon Are Surveyed To Show The Interrelationships Between Language, Power, Literature And Cultural Identities. The London Trilogy Is Analysed According To Linguistic, Literary And Cultural Paradigms, Shedding Lights On The Relevance Of Selvon S Work For The Construction Of A Culturally Independent Caribbean Literature. It Is Hoped That The Present Book Will Prove Immensely Useful To The Students And Researchers Of English Literature Concerned With The Works Of Sam Selvon. **Jump Up!** Ray Allen, 2019 Jump Up! Caribbean Carnival Music in New York City is the first comprehensive history of Trinidadian calypso and steelband music in the diaspora. Carnival, transplanted from Trinidad to Harlem in the 1930s and to Brooklyn in the late 1960s, provides the cultural context for the study. Blending oral history, archival research, and ethnography, Jump Up! examines how members of New York's diverse Anglophile-Caribbean communities forged transnational identities through the self-conscious embrace and transformation of select Carnival music styles and performances. The work fills a significant void in our understanding of how Caribbean Carnival music-specifically calypso, soca (soul/calypso), and steelband-evolved in the second half of the twentieth century as it flowed between its Island homeland and its burgeoning New York migrant community. Jump Up! addresses the issues of music, migration, and identity head on, exploring the complex cycling of musical practices and the back-and-forth movement of singers, musicians, arrangers, producers, and cultural entrepreneurs between New York's diasporic communities and the Caribbean.

**Unveiling Island Passion** Wendy Crawford-Daniel, 2011-12 In this docu-novel an unlikely relationship developed between an island man from Grenada and a Kansas woman in the 1950's. Both worked in Brooklyn and became casually acquainted until they vacationed at his family's modest cottage in rural Grenada. Though mesmerized by everything Grenadian, his guest

experienced disquieting cultural shocks. Every experience, pleasant and unpleasant, she diligently recorded including details of their slow moving island-style romance. Driven to socially construct her multicultural family tree, their American-born granddaughter visited Grenada sixty years later. The flamboyant social life, intimacy and intense spicy aura captivated her and like her grandmother she too was inescapably Caribbeanized.

*Sam Selvon's Dialectal Style and Fictional Strategy* Clement H. Wyke, 2011-11-01 Sam Selvon, a contemporary writer of major importance, is well known to British and Caribbean readers, but his work -- including ten novels -- has not attained the prominence it deserves internationally. This study is a literary analysis of Selvon's use of Trinidad Creole English as an important component of his style and method of fictional composition. Wyke follows the development of Selvon's writing from his early to his late career, starting with his first novel, *A Brighter Sun* (1952), continuing with *The Lonely Londoners* (1956) and the short stories *Ways of Sunlight* (1957), and devoting a large part of the book to Selvon's middle and later years, focusing on such novels as *I Hear Thunder* (1963), *The Housing Lark* (1965), and *Those Who Eat the Cascadura* (1972). He finishes with the last two works of Selvon's trilogy, *Moses Ascending* (1975) and *Moses Migrating* (1983).

Bacchanal! Peter Mason, 1998 For two days each year Trinidad's capital, Port of Spain, hosts 'the greatest show on earth' - a raucous mix of music, costume and revelry known as Carnival. The festival has become more or less synonymous with the Caribbean island and is an intrinsic part of its identity and popular culture. Making extensive use of interviews with artists and other participants, *BACCHANAL!* explores the place of Carnival in Trinidadian society and the people who take part in it: -- How the festival reflects and affects attitudes towards religion, language, humour, politics, male-female relations and folk traditions. -- The historical role of Carnival, its roots in colonial society and slavery, and its traditional function as an expression of subversion and revolt. -- The effect of contemporary social and cultural influences on the dynamic, evolving phenomenon of Carnival. -- The increasing involvement of Indo-Trinidadians and women, the competing musical forms of reggae and soca, and the impact of tourism and commercialism.

**J'ouvert Morning** Esther Slade, 2013-08-01 J'ouvert Morning is a collection of poems that centers around the theme of love. At times, love is enticing and sensuous as in Love You, I Do and other times love strangles and kills as in Fallen Sister. J'ouvert Morning also illustrates the infinite nature of love. Love has no beginning or no end. Time and space cannot contain love. In Virgin Bells the sound of bells tolling ushers in the longing of love lost long ago. Love births life and transcends death. I urge you to come experience J'ouvert Morning in its attempt to embody this complex emotion we know as love.

*Carnival* Milla Cozart Riggio,2004-10-14 This beautifully illustrated volume features work by leading writers and experts on carnival from around the world, and includes two stunning photo essays by acclaimed photographers Pablo Delano and Jeffrey Chock. Editor Milla Cozart Riggio presents a body of work that takes the reader on a fascinating journey exploring the various aspects of carnival - its traditions, its history, its music, its politics - and prefaces each section with an illuminating essay. Traditional carnival theory, based mainly on the work of Mikhail Bakhtin and Victor Turner, has long defined carnival as inersive or subversive. The essays in this groundbreaking anthology collectively reverse that trend, offering a re-definition of 'carnival' that focuses not on the hierarchy it temporarily displaces or negates, but a one that is rooted in the actual festival event. Carnival details its new theory in terms of a carnival that is at once representative and distinctive: The Carnival of Trinidad - the most copied yet least studied major carnival in the world.

**Trinidad and Tobago** Lise S. Winer,1993-02-01 This volume describes the English and English Creole of Trinidad and Tobago. Sources from the early 19th through late 20th centuries are gathered from a wide range of materials: novels, editorials, advertisements, cartoons, proverbs, newspaper articles, plays, lyrics of traditional songs and calypsos, and oral interviews. Many of the older texts are now made easily accessible for the first time. The introduction includes descriptions of the historical background, the sound system, grammar and vocabulary, speech styles, social and linguistic interaction of Creole and English, and implications for education and spelling. The older sources demonstrate much closer links to other Caribbean English Creoles than previously recognized. The texts and recordings of oral interviews are invaluable resources for researchers and teachers in linguistics, Creole Studies, Caribbean studies, literature, anthropology and history.
