The Rain Ascends Joy Kogawa,2016-11-29 In Joy Kogawa's masterful third novel, a middle-aged woman discovers that her father, a respected Anglican priest, has long been a sexual abuser of boys. Originally published to critical acclaim in 1995, The Rain Ascends has been revisited by the author, with substantive additions to the end of the narrative that bring to fruition the heroine's struggle for forgiveness and redemption. As a middle-aged mother, Millicent is confronted with the secrets of her father's past as she recalls certain events in her childhood--a childhood that, on the surface, was a blissful one. Disbelief turns to confusion as she faces up to the sins of her father and wrestles with a legacy of lies, silence and her own embattled conscience. In The Rain Ascends, Joy Kogawa beautifully sifts the truth from the past and the sinner from the perceived saint. The result is a sensitive, poetic, yet searing depiction of the wounds left by abuse and the redemption brought by truth.

Joy Patricia Ruggiero, 2008 Joy - A Message for All the Children of God is a modern day parable about a bright yellow sunflower named Joy who unselfishly shares the mystery of her joyful life with all of her faded flower friends who will listen to her message. Joy's author, Patricia Ruggiero, conveys through story how the hopeless can be filled with everlasting joy. So Sad called, 'Wait for me ' as he stretched and stretched and stretched, higher and higher and higher. All of a sudden, with almost a pop, So Sad's faded-blue petals burst into bright yellow light, as he realized the warmth soaking into his petals, down his green stem and into his very roots, which were planted deep down in the dark dirt of the garden. So Sad called over to Joy, 'I am enjoying the warmth of the Sun ' Joy smiled back at him, bowed her blossom and proclaimed peacefully, 'I knew you could. I knew you would.' Joy - A Message for All the Children of God opens conversations between adults and children about God.

Singing Down the Rain Joy Coley, 1997-09-26 Step into a town where all the children are friends, but a drought has made the adults so grumpy they can't stop arguing! Only a miracle can heal this divided town. Folks are so hopeless, they almost don't recognize that miracle when it appears as a woman who specializes in rainsongs. Yet slowly the townspeople realize that with faith they can sustain each other during the dry times, and then sing down the rain together. Joy Cowley's lyrical text and Jan Spivey Gilchrist's impassioned paintings create a story of a community's struggle to believe, and to connect with each other.

Rain in the Desert Stephanie McConachie, 2018-06-21 Difficult or painful circumstances are not a thing anyone ever desires to go through, but in those moments we can learn God's presence in the most amazing ways! Like the Exodus from Egypt, God does not draw us into the desert places to abandon us. He draws us into the desert places to reveal Himself to us as we go with Him to our place of promise! His presence and provision on the journey is where we get to become very familiar with Him Himself and learn how faithful He is. The rain is His provision. The challenge is the desert conditions. Our faith and trust connect us to the Provider!

Rain Dance Joy DeKok, 2012-07-18 What happens when a Christian woman facing a childless future and a woman seeking an abortion are waiting to see the same doctor? What if after that chance encounter they are unable to forget each other? What if they find themselves drawn together in spite of their drastic differences by their surprising similarities? What if they somehow find the courage to become friends? Rain Dance takes the listener into the hearts of these two women as they journey closer to the heart of the One who offers hope and healing.

Refreshing Rain Frances Wright, 2015-10-30 This book was written in relation to several prophetic words I received from my Heavenly Father. Indeed, I was commissioned by him to write a book concerning my calling, my godly mission, and the difficult journey I have experienced along the way. Therefore, to those whose hands this book comes into, it is my sincere desire that you will see the goodness of God and not my wisdom or talent. In truth, I give you Christ, the one who has filled me with the hope of his glory. Without a doubt, God's amazing grace is truly like refreshing rain. For only through him I have endured the many trials and persecutions. He has brought me safely through the intended hurt and harm of many of my adversaries and has established my going. Now I feel truly blessed. In fact, I am in the dawning of a new day. Through God's steadfast love, I can truly say that weeping might endure for a night but joy comes in the morning. As I tell my story, I have

decided to begin each chapter with an inspirational poem. I hope you will find great enjoyment in your reading.

The Day of the Rain Joy Cowley, 1996

Rain Joy Palmer, 1995 Describes how and why rain falls, how it can be measured and predicted, and its effect on the world.

Stormie's Joy Stormie Conway, 2019-11-14 Stormie's Joy is a collection of short stories about the animals that have come into my life and blessed me with that special kind of magic found only in the nonhuman inhabitants of our earth. Some of these creatures graced my life for too short a time, and were gone before I had a chance to thank them. Others have become treasured friends and trusted confidantes. All have touched my soul. Stormie's Joy cuts through the dripping darkness of a past gone wrong to the forgiving light of redemption. A no-holds-barred honesty trumps finesse in the telling of these stories, particularly those having to do with animal abuse or negligence, as I believe that poetry and eloquence are neither mandates nor substitutes for truth. Written with joy, humor and sensitivity, these are the stories of the animals—their heroics, their jive, their heart—and my adventures and misadventures with them. Whether accompanying a friend to transport a new puppy home from the breeder or caring for another friend's beloved family pet that has reached the end of her years, I feel humbled and privileged to have been a part of their lives. And I know for certain that I have come away a better person for having known them.
