Crowning the Nice Girl Christine R. Yano, 2006-06-30 After World War II, Japanese Americans in Hawai'i sought to carve a positive niche of public citizenship in the community. In 1953 members of the Honolulu Japanese Junior Chamber of Commerce and their wives created a beauty contest, the Cherry Blossom Festival (CBF) Queen Pageant, which quickly became an annual spectacle for the growing urban population of Honolulu. *Crowning the Nice Girl* analyzes the pageant through its decades of development to the present within multiple frameworks of gender, class, and race/ethnicity. Drawing on extensive archival research; interviews with CBF queens, contestants, and organizers; and participant observation in the Fiftieth Annual Festival as a volunteer, Christine Yano paints a complex portrait of not only a beauty pageant, but also a community. The study begins with the subject of beauty pageants in general and Asian American beauty pageants in particular, interrogating the issues they raise, embedding them within their histories, and examining them as part of a global culture that has taken its model from the Miss America contest. Yano follows the pageant throughout the decades into the 1990s, adding corresponding herstories—extensive narratives drawn from interviews with CBF queens. She concludes by framing issues of race, ethnicity, spectacle, and community within the intertwined themes of niceness and banality.

Honolulu Cop Gary A. Dias, 2002 Taking the reader for a wild ride, former HPD officer Gary Dias shares 39 true stories about the toughest, dirtiest, most satisfying job in town.

What did you do in the Great War, Mr Joyce? I wrote Ulysses. What did you do? Sara Vasini, 2022-06-16 In occasione del centenario della pubblicazione della prima edizione dell'*Ulysses*, Sara Vasini riscrive l'intera opera di James Joyce trasponendo visivamente l'incomunicabilità dell'autore. In una serie di sovrapposizioni reiterate, fino allo smarrimento del senso compiuto, si innerva l'opera *What did you do in the Great War, Mr Joyce? I wrote Ulysses. What did you do?*, una progressione ritmica di 933 pagine mai uguale a sé stessa, soggetta all'interpretazione del fruitore che - a seconda dell'umore - si riconosce, si perde e si rinnega nel flusso di coscienza che non sarà mai di univoca lettura, ma cambierà a seconda delle fasi della giornata. Vasini, come Luciano Berio, ha sviscerato l'essenza dell'*Ulysses* entrando in piena simbiosi con esso, riuscendo nell'impresa di catturare il tumulto dei differenti linguaggi espressivi usati da Joyce, rappresentando l'infinito dinamismo del chaos e l'astrazione ritmica di un romanzo che è stato capace di far cronaca dei processi della mente umana.

Fullness of Heart Joyce Teixeira,2000-09 Paula Johnson always claimed money doesn't influence choice, but is it true? When notified of an unexpected inheritance she is shaken. Crying, she wondered if it was over Charley's death or for the lost innocence of those bohemian years in Paris...counter-culture indeed, revolutionaries of peace. 'What a message we gave our kids...They were presented with drugs and sexuality as a recreational sport and advertising tool; of race and class as a primary identity instead of as pieces of the whole. We intended to give them freedom to define themselves. Instead our generation only confused them.' She had dated since her husband died. The fact of being a white woman who had married a black man was part of her identity that put her in unspoken limbo. She missed the years with Roy...when something about their alchemy together prevented any prejudice they encountered from touching them...it only scraped the surface. Lack of money could no longer be her excuse for accepting limited relationships and addictive behavior. The years suddenly knit together as a Cat's Cradle when pulling the strands tight...Fullness of heart...pervaded her senses.

Mother Tongue Joyce Kornblatt,2020-10-01 What does it mean when the identity out of which one builds a life turns out to be a lie? What is the impact on one's self and those one loves? Mother Tongue emerges from the fires of shocking loss, betrayal and grief-tested love. 'Mother Tongue is a profound and moving novel that asks complex questions with such crystal clarity they seem simple. Are we formed by our genes? Our history? Or do we make ourselves? How do we lose each other? More importantly: how do we find each other?' — Sophie Cunningham 'Mother Tongue is a tender and sensitive story about family secrets, loss and recovery from loss; a wise and lyrical meditation on the nature of love.' — Gail Jones

Historical Dictionary of Polynesia Robert D. Craig,2011 The term Polynesia refers to a cultural and geographical area in the Pacific Ocean, bound by what is commonly referred to as the Polynesian Triangle, which consists of Hawai'i in the north, New Zealand in the southwest, and Easter Island in the southeast. Thousands of islands are scattered throughout this area, most of which are currently included in one of the modern island states of American Samoa, Cook Islands, French Polynesia, Hawai'i, New Zealand, Samoa, Tonga, Tokelau, Tuvalu, and Wallis and Futuna. The third edition of the Historical Dictionary of Polynesia greatly expands on the previous editions through a chronology, an introductory essay, an expansive bibliography, and over 400 cross-referenced dictionary entries on significant persons, events, places, organizations, and other aspects of Polynesian history from the earliest times to the present. Appendixes of the major islands and atolls within Polynesia, the rulers and administrators of the 13 major island states, and basic demographic information of those states are also included.

The Island Edge of America Tom Coffman,2003-02-28 In his most challenging work to date, journalist and author Tom Coffman offers readers a new and much-needed political narrative of twentieth-century Hawaii. The Island Edge of America reinterprets the major events leading up to and following statehood in 1959: U.S. annexation of the Hawaiian kingdom, the wartime crisis of the Japanese-American community, postwar labor organization, the Cold War, the development of Hawaii's legendary Democratic Party, the rise of native Hawaiian nationalism. His account weaves together the threads of multicultural and transnational forces that have shaped the Islands for more than a century, looking beyond the Hawaii carefully packaged for the tourist to the Hawaii of complex and conflicting identities--independent kingdom, overseas colony, U.S. state, indigenous nation--a wonderfully rich, diverse, and at times troubled place. With a sure grasp of political history and culture based on decades of firsthand archival research, Tom Coffman takes Hawaii's story into the twentieth century and in the process sheds new light on America's island edge.

What I Lived for Joyce Carol Oates,1994 A Philistine discovers a social conscience. He is Jerome Corcoran, a real estate millionaire and city councilman who lives for money, food and sex. On his way to work he comes across a suicide, a black woman who was a critic of city hall. Corcoran smells foul play and for once decides to do something about it. By the author of Foxfire.

Missing Men Joyce Johnson,2004 The author of Minor Characters provides an even more revelatory self-portrait as she examines--from a unique woman's perspective--the far-reaching reverberations of fatherlessness. 25 photos.
