Do Yourself a Favor...Forgive Joyce Meyer,2012-04-03 Building on her signature message of using the mind to master difficult emotions, Joyce Meyer focuses on the most destructive, insidious one of all: anger. It is responsible for broken relationships, sleepless nights, high blood pressure and ulcers. It destroys friendships, marriages and families, not to mention

peace of mind. Anger is especially hard to handle for many Christians who have learned from childhood that good Christians don't get angry. Meyer argues that properly handled, anger is an alert system that something is wrong and needs to be resolved. In her latest book, she delves into the important process of forgiving, explaining its positive impact on the roots, the forms and the results of anger. Why forgive? Joyce explains that forgiving is the only thing that can free one from the terrible turmoil that anger causes to spill over into every part of life. Meyer understands that life will never be fair, but that is not a reason to let anger destroy our well-being and health. This is her guide to navigating that thorny territory and finding true peace.

Change Your Words, Change Your Life Joyce Meyer, 2012-09-11 #1 New York Times bestselling author Joyce Meyer discusses the importance of words in Change Your Words, Change Your Life: Words are a big deal. They are containers for power, and we have to decide what kind of power we want our words to carry. . . . I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future. . . . One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have. Building on the premises of her bestselling books, Power Thoughts and Living Beyond Your Feelings, Joyce examines how we use words-the vehicles that convey our thoughts and emotions-and provides a series of guidelines for cultivating talk that is constructive, healthy, healing, and used for good results. Topics include: The Impact of Words How to Tame Your Tongue How to be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion? The importance of keeping your word The power of speaking God's word How to have a smart mouth In A Dictionary of God's Word at the end of the book, Joyce provides dozens of scripture verses, arranged by topic, and recommends that we read them aloud to strengthen our vocabulary of healing words.

No Regrets Maryann Santos, 2013-10-02 In one second, the Santos family was changed forever. Driving along a toll road in Chicago, a semi-truck plowed into the rear end of the family vehicle, instantly killing two-year-old Amanda, affectionately known as Mandy, and seriously injuring her parents. What happens when you dare to trust God in the midst of tragedy? What is the message that God gave to share through the death of Amanda? What was Mandys life supposed to show us? No Regrets author Maryann Santos believes the answer is found not through the eyes of the world but through the heart of a child. Raising Amanda, Maryann thought she was teaching her, but the truth is that Mandy taught her about life in the most unexpected ways. Through this tragic accident, No Regrets relates the story of Gods sovereign power and mighty hand of restoration using illustrations and powerful sermons by well-known Christian leaders and teachers. The purpose of this book is to reveal biblical truths hidden in plain sight, often lost in the shuffle of everyday life. Lets face it. We are all going to die sooner or later. It just seems that most of us live past the age of two. It is never easy to lose someone you love, especially a child, but I hope my loss is your gain for eternity.

The Penny Joyce Meyer, 2007-10-18 Jenny Blake has a theory about life: big decisions often don't amount to much, but little decisions sometimes transform everything. Her theory proves true the summer of 1955, when 14-year-old Jenny makes the decision to pick up a penny imbedded in asphalt, and consequently ends up stopping a robbery, getting a job, and meeting a friend who changes her life forever. Jenny and Miss Shaw form a friendship that dares both of them to confront secrets in their pasts--secrets that threaten to destroy them. Jenny helps Miss Shaw open up to the community around her, while Miss Shaw teaches Jenny to meet even life's most painful challenges with confidence and faith. This unexpected relationship transforms both characters in ways neither could have anticipated, and the ripple effect that begins in the summer of the penny goes on to bring new life to the people around them, showing how God works in the smallest details. Even in something as small as a penny. This beautiful story is inspired by Joyce Meyer's own childhood and her journey from abuse victim to a woman of confidence and passionate faith.
