Poppy is a quiet girl, right up until she steals a car and drives it through a shop window. Max is a nice guy, but then he kills his whole family. Just for fun. **Luna** Rae Else,2021-09-05 When Romulus killed Remus, the wolf clans swore enmity to one another ever after.

Seventeen-year-old Jess has survived an upbringing in care. Diagnosed with rage blackouts, people look at her with pity and fear. The solution? Brutal workouts, Art - oh - and staying the hell away from others. Easily done in backwater Maine. Yet one night, she wakes to find herself by a lake, her clothes covered in blood, with no memory of what happened. Soon the water is aflame and a portal opens. Transported to the Triodia Penitentiary, she discovers she's a shifter, a type of para. She's also accused of murder and locked up. Desperate to find a way out, she turns to her fellow inmates for help. Yet as they mount an escape, the enemies circling her increase. Will Jess survive unlocking the dangerous Heights and Depths of the para world and those within herself? Luna is the first in a four-book series, The Dark Between. A decadently dark YA Fantasy full of Heights and Depths that will leave you craving more. Perfect for fans of Laini Taylor and Sarah J. Maas.

The Artful Liar Cynthia Leeds Friedlander,2018-02-14 THE ARTFUL LIAR is a fictionalized memoir about disloyalty and duplicity written in the third-person as a series of stand-alone vignettes based on the author's imagination and experiences.

At the end of each vignette are five meaningful learning messages, gleaned through the life tests of that story. THE ARTFUL LIAR presents an examined life to the reader. It tells one woman's journey and her reflections on surviving deception and betrayal. It's meant to be a gift to women of all ages everywhere who struggle with dishonesty, cheating, infidelity and relationship loss. It's a call to every woman to be strong, to pay attention, to listen to her gut, to rid herself of betrayers and deceivers, and to claim what she wants. Reviews for THE ARTFUL LIAR: "In THE ARTFUL LIAR, Cynthia Friedlander has given us the compelling story of a decade-long relationship between a charming sociopathic liar and the successful, talented and intelligent woman who loves him. When she at last discovers - and can no longer explain away or deny - the extent of his lies, she must learn to fight to regain her self-respect, self-esteem, and her very existence. THE ARTFUL LIAR ultimately becomes a heart-wrenching cautionary tale for modern, urban women of all ages." -Pat Carr, author of ONE PAGE AT A TIME "Cynthia Friedlander's THE ARTFUL LIAR delves into the story of a betrayed woman with such depth and honesty, one can almost feel her pain as she becomes aware of the extent of her betrayer's lies. She must come to terms with the knowledge that a man she loved and shared her life with had deceived her for years, and Friedlander pours her soul into her writing of the woman's pain and, eventual healing. Friedlander provides a service to the many people who will find comfort in seeing themselves and their stories reflected in this book." -Ellen Schnier, LCSW, Psychotherapist "What a beautiful and graceful telling of an extraordinary story. I could not stop turning the pages and anticipating what would happen next - what great storytelling is all about. Surely this book is going to touch many lives. So many of us have been deceived by one(s) we loved; this retelling of how the author overcame, regained her confidence, and moved on was what really made the book for me. I am also very impressed with the guiding messages. Such a gift for anyone who is in the valley and trying to climb back up the mountain." -Elise Davis-McFarland, PhD, former VP, Trident Technical College, Certified Speech-Language Pathologist "Thank you for giving us THE ARTFUL LIAR. This book stirred my emotions and interest at all times. I could feel pain and anger. What a strong and courageous woman. THE ARTFUL LIAR will help many women who have found themselves in a deceptive relationship." -Florence Schmelzer, Native New Yorker, Relationship Survivor, Former Manager, New York Convention and Visitors Bureau

Joyride Lauren Myracle, Ben Shannon, 2003 Nory wants to save her friend Thomas from the evil Dame Steel, but she will have to overcome her fears or lose her friend forever.

*The Foulest Things* Amy Tector, 2022-09-27 Get ready for a thrilling new mystery series from the author of *The Honeybee Emeralds*. Ottawa, January 2010. Canada's historic Dominion Archives. Junior archivist Jess Novak is struggling to find her footing in her new role. Her colleagues undermine her, her boss hates her, and her only romantic prospect hides a whiskey bottle in his desk. Desperate to make a good impression, Jess's luck begins to change when she discovers a series of mysterious letters chronicling life in Paris at the start of the Great War. Thinking she has landed her ticket to career

advancement, Jess dives into research in Dominion's art vault, where she stumbles upon the body of one of her colleagues. As if finding a corpse isn't frightening enough, Jess soon notices she is being stalked by a menacing figure. It's only when Jess makes the connection between the letters, the murder, and a priceless Rembrandt that she realizes just how high the stakes are. Can Jess salvage her career, unravel a World War I-era mystery, shake off her ominous stalker, solve a murder, and—oh yeah—save her own life before it's too late?

But when a mischievous cricket hops in his path, Leo can't resist the urge to chase, even if it takes him on a terrifying journey with Daisy. Joyride Amy Ehrlich, 2008-12-09 A heart-rending story about an unusual mother-daughter relationship — and a shocking family secret. From Montpelier, Vermont, across the country to Venice, California, Nina Lewis and her mother Joyce are always on the move. They own nothing that can't fit in the back of a van, and they never stay very long in any one place. Home is wherever they are, as long as they're together. But as Nina begins to yearn for a settled life and lasting friendships, Joyce begins to move at a more and more frantic pace. Will Nina ever get the stability she craves? Or will Joyce's compulsion to keep moving cause both their lives to spiral out of control? With finely drawn characters and a frank, compelling narrative voice, Amy Ehrlich weaves a complex story about an unusual mother-daughter relationship — a story that explodes in a final, heartbreaking climax.

Waiting for the 400 Kyle Marffin, 2003-02 She's the kind of dame that can turn a man's head, till danger doesn't matter anymore, till desire can only lead to death. Elder Belvedere was reminding everyone to drive safely and to remember to be kind to one another. May the Lord watch, he

concluded, between me and thee, while we are absent, one from another, and all the people sing . . . The congregation sang, Amen.
