Marcus Vega Doesn't Speak Spanish Pablo Cartaya,2019-07-09 One boy's search for his father leads him to Puerto Rico in this moving-middle grade novel, for fans of Ghost and See You in the Cosmos. Marcus Vega is six feet tall, 180 pounds, and the owner of a premature mustache. When you look like this and you're only in the eighth grade, you're both a threat and a target. After a fight at school leaves Marcus facing suspension, Marcus's mom decides it's time for a change of environment. She takes Marcus and his younger brother to Puerto Rico to spend a week with relatives they don't remember or have never met. But Marcus can't focus knowing that his father--who walked out of their lives ten years ago--is somewhere on the island. So begins Marcus's incredible journey, a series of misadventures that take him all over Puerto Rico in search of his elusive namesake. Marcus doesn't know if he'll ever find his father, but what he ultimately discovers changes his life. And he even learns a bit of Spanish along the way.

Joan Miro: I Work Like a Gardener (Interview with Joan Miro on his creative process) Joan Miro,2017-10-10 In 1958, artist Joan Miró and critic Yvon Taillandier sat down for an in-depth discussion on Miró's life and work. Their conversation, one of the most illuminating and insightful looks into Miró's philosophy and creative process, was first published in a limited edition of seventy five copies in 1964. Though long out of print, this bilingual treasure, in the words of Maria Popova, remains the most direct and comprehensive record of Miró's ideas on art. This beautiful new edition presents an updated English translation of Miró's invaluable text in an elegant and striking package. In addition to Taillandier's original foreword, a new preface by preeminent Miró scholar Robert Lubar provides wider context and insight. An appendix includes the original French text in its entirety. Joan Miró: I Work Like a Gardener brings to life the words and work of one of the most beloved and influential artists of the twentieth century.

The Infatuations Javier Marías, 2013-03-07 *The Infatuations* is a metaphysical murder mystery and a stunningly original literary achievement by Javier Marías, the internationally acclaimed author of *A Heart So White* and *Your Face Tomorrow*. Every day, María Dolz stops for breakfast at the same café. And every day she enjoys watching a handsome couple who follow the same routine. Then one day they aren't there, and she feels obscurely bereft. It is only later, when she comes across a newspaper photograph of the man, lying stabbed in the street, his shirt half off, that she discovers who the couple are. Some time afterwards, when the woman returns to the café with her children, who are then collected by a different man, and Maria approaches her to offer her condolences, an entanglement begins which sheds new light on this apparently random, pointless death. With *The Infatuations*, Javier Marías brilliantly reimagines the murder novel as a metaphysical enquiry, addressing existential questions of life, death, love and morality. *The Infatuations* is an extraordinary, immersive book about the terrible force of events and their consequences. 'I am greatly impressed by the quality of Marías's writing . . . he uses language like an anatomist uses the scalpel to cut away the layers of the flesh in order to lay bare the innermost secrets of that strangest of species, the human being' W. G. Sebald 'Years ago, I said that Marías was Spain's best living writer . . . Nothing, afterwards, has made me alter that opinion' Eduardo Mendoza, *El País* '[I am] enthralled by his strange mix of made-up memories, lost experiences and real-life fantasies' Marina Warner, *Guardian* 'Stylish, cerebral . . . Marías is a startling talent' *The New York Times* Javier Marías was born in Madrid in 1951. He has published ten novels, two collections of short stories and several volumes of essays. His work has been translated into thirty-two languages and won a dazzling array of international literary awards, including the prestigious Dublin IMPAC award for *A Heart So White*. He is also a highly practised translator into Spanish of English authors, including Joseph Conrad, Robert Louis Stevenson, Sir Thomas Browne and Laurence Sterne. He has held academic posts in Spain, the United States and in Britain, as Lecturer in Spanish Literature at Oxford University. Margaret Jull Costa has been a literary translator for over twenty-five years and has translated many novels and short stories by Portuguese, Spanish and Latin American writers, including Javier Marías, Fernando Pessoa, José Saramago, Bernardo

Atxaga and Ramón del Valle-Inclán. She has won various prizes for her work, including, in 2008, the PEN Book-of-the-Month Translation Award and the Oxford Weidenfeld Translation Prize for her version of Eça de Queiroz's masterpiece *The Maias*, and, most recently, the 2011 Oxford Weidenfeld Translation Prize for *The Elephant's Journey* by José Saramago.

Ladies' Book of Etiquette, and Manual of Politéness Florence Hartley, 1860 Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; the.re can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.

A Sport and a Pastime James Salter, 2007 A Sport and a Pastime is an astonishing performance, the classic novel from a remarkable writer whose sentences bristle with a singular passion. Salter chronicles a love affair between a young shopgirl and an American college dropout against the backdrop of provincial France. The narrator's cool distillation of events-real or imagined-makes the book both lyrical and tightly, dangerously pitched.

I Know Why the Caged Bird Sings Maya Angelou,2009-04-21 Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1898

A New Kind of Wild Zara Gonzalez Hoang,2020-04-21 This sweet author-illustrator debut celebrates imagination, the magic of friendship, and all the different ways we make a new place feel like home. For Ren, home is his grandmother's little house, and the lush forest that surrounds it. Home is a place of magic and wonder, filled with all the fantastical friends that Ren dreams up. Home is where his imagination can run wild. For Ava, home is a brick and cement city, where there's always something to do or see or hear. Home is a place bursting with life, where people bustle in and out like a big parade. Home is where Ava is never lonely because there's always someone to share in her adventures. When Ren moves to Ava's city, he feels lost without his wild. How will he ever feel at home in a place with no green and no magic, where everything is exactly what it seems? Of course, not everything in the city is what meets the eye, and as Ren discovers, nothing makes you feel at home quite like a friend. Inspired by the stories her father told her about moving from Puerto Rico to New York as a child, Zara González Hoang's author-illustrator debut is an imaginative exploration of the true meaning of home.

The Spanish Civil War Stanley G. Payne,2012-08-06 This book presents a new history of the most important conflict in European affairs during the 1930s, the Spanish Civil War. It describes the complex origins of the conflict, the collapse of the Spanish Republic and the outbreak of the only mass worker revolution in the history of Western Europe. Stanley Payne explains the character of the Spanish revolution and the complex web of republican politics, while also examining the development of Franco's counter-revolutionary dictatorship. Payne gives attention to the multiple meanings and interpretations of war and examines why the conflict provoked such strong reactions at the time, and long after. The book also explains the military history of the war and its place in the history of military development, the non-intervention policy of the democracies and the role of German, Italian and Soviet intervention, concluding with an analysis of the place of the war in European affairs, in the context of twentieth-century revolutionary civil wars.
