Splendor of Marble Karen Pearse, 2020-06-23 The first book to examine the many ways this beautiful stone can be incorporated into a home environment, describing the unique nature of marble and the leading role it plays in the best of interior design today. For spectacular drama, fabulous luxury, or simply the warm glow of organic textures, colors, and patterns, marble is like no other natural material. Marble has been favored by architects and designers for millennia, and as this book attests, the love affair with marble continues today. Featured are rooms showcasing marble by many of the world's most prominent decorators, including Kelly Wearstler, Vincente Wolf, Juan Pablo Molyneux, Bjarke Ingels, Ryan Korban, Martyn Lawrence Bullard, Robert Kime, the Haas Brothers, and Joseph Dirand, among many others. This is the first book that explores the many ways marble can bring color, pattern, and warmth to the home, as well as the vast array of beautiful types of marble that are available. It is a hugely popular material for home kitchens and bathrooms in particular, but it also is incorporated in outdoor patio spaces, hallways, and stairwells, even living rooms. All are featured here in gorgeous images, providing new inspiration for design lovers.

Lars Bolander's Scandinavian Design Lars Bolander, Heather MacIssac, 2010-09-01 Clean, elegant lines, delicate color schemes, well-proportioned, light-filled spaces, and natural materials—the hallmarks of Scandinavian design are unmistakable. As the trend in residential design continues to move toward pared-down, comfortably elegant, environmentally friendly homes, the Scandinavian aesthetic has become a global influence in interior design. Lars Bolander, one of Sweden's foremost interior designers, has been creating the Scandinavian look in homes all over the world for decades. In this impressively illustrated volume, he and author Heather Smith MacIsaac, a former editor of House & Garden magazine, share their expert knowledge of the very best in Scandinavian design, past and present, offering guidance on how to achieve the Scandinavian look, incorporate the trademark elements into any decor, and mix and match traditional and modern, humble and grand.

Praise for Lars Bolander's *Scandinavian Design*: A private, exclusive tour of the best of Scandinavian design. . . . This book is a new treasure for my design library, one I will refer to over and over. Bunny Williams A sophisticated volume . . . an in-depth, intelligent, and informative look at the design sensibilities found in Scandinavian domestic furniture and decoration. . . . Lars Bolander surveys all of this with his keen . . . eye and finely honed historical knowledge, and the results are breathtaking. Martha Stewart From his captivating shops in New York and Palm Beach, Lars Bolander has won an army of converts to his seductive vision of Scandinavian design, antique and modern, rustic and urbane. In this book, he brings that world of style vividly to life with images of some of the most magical and inspiring environments to be found there, from the light-dappled elegance of Gustavian interiors to the inventive purity of the very best in contemporary architecture. Hamish Bowles Lars Bolander's handsome and intelligent book tells the story of Scandinavian design and its influence—in the past, in the present, and leading into the twenty-first century. A product of a northern world separated to a great extent from Europe, Scandinavian design looked to the styles of the French court in the eighteenth century, but developed its own style with an adaptive simplicity that has given it a place unto itself in the history of design, as beautifully visualized on the pages of this book. David Easton Lars has the magic formula for combining the sophisticated Gustavian style with the rustic charm of the Scandinavian countryside. Just perfect Juan Pablo Molyneux He creates both classic and new looks, as well as bringing the traditional pieces into the 20th century (which I love) MadebyGirl Lars Bolander is the go-to person for Scandinavian decor in America. Veranda It's total design porn at its finest. Everything LEB Gorgeous. Annechovie A visual delight. Swedish Interiors by Eleish van Breems A lovely read and must-have reference and inspiration guide for any design library. Hampton Hostess One you'll want to add to your library. From the Right Bank Wonderful. Rita Konig (interview with A Lovely Being)
