“Nuestros Antepasados” (Our Ancestors) Ernest S. Sanchez,Paul R. Sanchez,2015-09-15 This is a book that for over forty years was carefully researched and footnoted by the principal author Ernest S. Sanchez. It is a story that is weaved together by multiple interviews with families and their familial history that makes this account and supported by documentation. This book brings into focus the following points: 1. History of the settlement of New Mexico from Onate to the present 2. The principal families that were involved in the settlement and their experiences... 3. The New Mexican experience from the Hispanic view in the history of the settlement of Lincoln County and the Lincoln County War 4. An insight on the personal relationship of the Hispanics with William H. Bonney (Billy the Kid). 5. A very accurate reference in the genealogy of the families that settled in Lincoln County New Mexico. This story illuminates the rich customs and traditions of the people that make up New Mexico history. We get a view of the every day life experiences of the Nuevo Mexicanos, that were passed forward from generation to generation. This account also exposes the violence, greed and racism that not only permeated the Spanish settlement of New Mexico but also fueled the Lincoln County War. It is an American story, a story of the painful birth of a nation.

Goodbye Mexico Phillip Jennings,2017-12-04 Remember when our alphabet agencies--CIA, DIA, NSA, FBI--were actually competent? Are you sure? Maybe they were just better at burying their mistakes...

Cesar Chavez David R. Collins,2005-01-01 Presents the life and accomplishments of the activist for farm workers' rights

who led protest marches and nearly died for not eating for thirty-six days to protest pesticide use.

Nuevomexicano Cultural Legacy Francisco A. Lomelí, Victor A. Sorell, Genaro M. Padilla, 2002 As striking as its beautiful landscapes, New Mexico's culture is also endlessly complex. The fourteen essays collected here examine many sides of Nuevomexicano culture: its treatment of the sacred, its discourses on identity and difference, its historical and literary legacy from colonial times to the present. Among the diverse topics considered are the role of Charles Fletcher Lummis in romanticizing New Mexico; the importance of Spanish-language newspapers at the turn of the century and their commitment to the social, educational, and cultural progress of the Spanish-speaking population of the Southwest; the role of mutual aid societies as agents of collective action and cultural adaptation and survival; the cultural and religious importance of captivity narratives; popular depictions of the Virgin of Guadalupe; and the history of textile making in north central New Mexico. A photo essay by renowned documentary photographer Miguel Gandert explores the blurring of lines between Spanish and Indian cultures in the Rio Grande Valley. Working within and across disciplines, charting relationships between geography and culture that have informed the state's history, and placing empirical, philosophical and scholarly materials in dialogue with regional, historical, and cultural studies, the contributors to this volume add immeasurably to knowledge of New Mexico's cultural history.

Chávez Angelico Chavez, 2009 Following his ordination as a Franciscan priest in 1937, Chavez performed the difficult duties of an isolated back-country pastor, an army chaplain in World War II, and became an author of note, as well as something of an artist and muralist. Upon all of his endeavors, one finds the imprint of his religious perspective.

De Colores Means All of Us Elizabeth Sutherland Martínez, 2017-06-06 Elizabeth Martinez's unique Chicana voice arises from over thirty years of experience in the movements for civil rights, women's liberation, and Latina/o empowerment. In *De Colores Means All of Us*, Martinez presents a radical Latina perspective on race, liberation, and identity. In these essays, Martinez describes the provocative ideas and new movements created by the rapidly expanding U.S. Latina/o community as it confronts intensified exploitation and racism. With sections on women's organizing, struggles for economic justice and immigrant rights, and the Latina/o youth movement, this book will appeal to readers and activists seeking to organize for the future and build new movements for social change. With a foreword from Angela Y. Davis.

Farmworker's Friend David R. Collins, 1996-01-01 Examines the life and accomplishments of the Mexican American labor activist who helped organize migrant farm workers and establish a union to fight for their rights.

The Words of César Chávez Cesar Chavez, 2002 Complements the editors' earlier study, *The rhetorical career of César Chávez*.

Cesar Chavez Brenda Haugen,2008 Presents the life of Cesar Chavez, focusing primarily on his work organizing the National Farm Workers Association and working for improved working and living conditions for all Mexican Americans.

Tommy Stands Alone Gloria Velásquez,1995-01-01 A high school student and member of a Mexican American family struggles with his sexual identity and finally learns that he will not have to stand alone any more.

The Medicine of Memory Alejandro Murguía,2010-01-01 An American Book Award winner's creative memoir "traces his own family's history, as well as the long story of Hispanics in America . . . Spirited writing" (Library Journal). People who live in California deny the past, asserts Alejandro Murguía. In a state where what matters is keeping up with the current trends, fads, or latest computer gizmo, no one has the time, energy, or desire to reflect on what happened last week, much less what happened ten years ago, or a hundred. From this oblivion of memory, he continues, comes a false sense of history, a deluded belief that the way things are now is the way they have always been. In this work of creative nonfiction, Murguía draws on memories—his own and his family's reaching back to the eighteenth century—to (re)construct the forgotten Chicano-indigenous history of California. He tells the story through significant moments in California history, including the birth of the mestizo in Mexico, destruction of Indian lifeways under the mission system, violence toward Mexicanos during the Gold Rush, Chicano farm life in the early twentieth century, the Chicano Movement of the 1960s, Chicano-Latino activism in San Francisco in the 1970s, and the current rebirth of Chicano-Indio culture. Rejecting the notion that history is always written by the victors, and refusing to be one of the vanquished, he records, and draws us into, his own California history.

Bastion Bobby Neal Chapman,2010-11 BASTION (a fortified position) is an absolute work of fiction. It is written with the hope that it will entertain its readers with the many stories and characters within. The book begins with Jackson parachuting into Normandy on D Day. He promises a young paratrooper he would go to East Texas and tell his parents how he died. He did not realize the young paratrooper was the sole heir of a multibillion dollar estate. The first stories are about Jackson's stay in Army hospitals and being discharged. The book tells the stories of his two year journey to East Texas to keep his promise to the dead soldier. Jackson learns the soldier's family is the Bastions who own nearly all of Red River County plus some of Bowie County. He marries El, their beautiful auburn haired daughter, and she makes him joint heir of the entire Bastion estate. The book tells how Jackson uses an unlimited amount of money to do good for all. He and El were, and remained, deeply in love. El was always his greatest supporter in what seemed his scatter-brained adventures. Jackson had married a one hundred thousand acre cattle ranch and couldn't ride a horse. He bought a caterpillar to ride the range while he learned to ride a real horse. It didn't take long for him to ride with the best. BOBBY NEAL CHAPMAN was born to tenant cotton farmers Basil Calvin Chapman and Etalka Lee Chapman on December 14, 1926. They and his sister Doris lived six

miles east of Bonham, Texas in a two room house. When he was five years old the family moved to Hilger School District to live with his Grandmother who was very sick. Hilger had only a two room school house and less than thirty students. Basil was a good man. He only had a third grade education, but he was a good family man. He worked hard and was at home when the sun went down every day. Bobby lacked only one week of being fifteen years old when the Japanese bombed Pearl Harbor. He graduated from High School at the age of sixteen and went to work for the railroad in Bonham, Texas until old enough to go to the army. After spending nearly two years in the Army Paratroops, he returned to work with the Railroad after being discharged. Counting military service he spent forty four years working for the Railroad.
