CBS Radio Mystery Theater aired an episode based on the story in 1981. The CBS version presents the story as a recollection by an American scholar of events that took place while he was in England to work with a former schoolmate. A modernized stage adaptation of the story premiered in Dublin in 2013. The story has also been adapted for comic books.

The Judge's House Georges Simenon,2015-08-06 Exiled from Paris, Maigret discovers some disturbing secrets in a sleepy coastal town in this new translation, book twenty-two in the new Penguin Maigret series. He went out, lit his pipe and walked slowly to the harbour. He could hear scurrying footsteps behind him. The sea was becoming swollen. The beams of the lighthouses joined in the sky. The moon had just risen and the judge's house emerged from the darkness, all white, a crude, livid, unreal white. Exiled from the Police Judiciare in Paris, Maigret bides his time in a remote coastal town of France. There, among the lighthouses, mussel farms and the eerie wail of foghorns, he discovers that a community's loyalties hide unpleasant truths. Penguin is publishing the entire series of Maigret novels in new translations. This novel has been published in a previous translation as Maigret in Exile. 'Compelling, remorseless, brilliant' John Gray 'One of the greatest writers of the twentieth century . . . Simenon was unequalled at making us look inside, though the ability was masked by his brilliance at absorbing us obsessively in his stories' Guardian 'A supreme writer . . . unforgettable vividness' Independent

The Judge's House and Other Weird Tales Bram Stoker,2003 This volume includes Stoker's immortal classic, The Judge's House, and nine other rarely-seen tales from the master of the macabre, including Bridal of Dead, The Crystal Cup, The

Dualitists, The Fate of Fenella, The Specter of Doom, The Seer, The Man from Shorrox', The Red Stockade, Death in the Wings, In the Valley of the Shadow, The Secret of the Growing Gold, and The Chain of Destiny. . . . Malcolm Malcolmson paid his three months' rent, got a receipt, and the name of an old woman who would probably undertake to do for him, and came away with the keys in his pocket. He then went to the landlady of the inn, who was a cheerful and most kindly person, and asked her advice as to such stores and provisions as he would be likely to require. She threw up her hands in amazement when he told her where he was going to settle himself.[R]Not in the Judge's House! she said, and grew pale as she spoke. He explained the locality of the house, saying that he did not know its name. When he had finished she answered: Aye, sure enough -- sure enough the very place! It is the Judge's House sure enough. He asked her to tell him about the place, why so called, and what there was against it. . . . He didn't believe her, of course. Who would take such nonsense seriously? But soon enough, too soon, he wished he had.

A Judge's Journey Lord Dyson,2019-09-05 John Dyson is one of the leading lawyers of his generation. After a successful career at the Bar, he rose to become a Justice of the Supreme Court and Master of the Rolls. In this compelling memoir, he describes his life and career with disarming candour and gives real insights into the challenges of judging. He also gives a fascinating account of his immigrant background, the impact of the Holocaust on his family and his journey from the Jewish community in Leeds in the 1950s to the top of his profession. Although he may be perceived as being a member of the Establishment, this arresting story shows how he continues to be influenced by his Jewish and European roots. Also available from Hart 'Justice: Continuity and Change' (2018).

The Judge's House - Large Print Edition Bram Stoker,2020-11-30 When the time for his examination drew near Malcolm Malcolmson made up his mind to go somewhere to read by himself. He feared the attractions of the seaside, and also he feared completely rural isolation, for of old he knew its charms, and so he determined to find some unpretentious little town where there would be nothing to distract him. He refrained from asking suggestions from any of his friends, for he argued that each would recommend some place of which he had knowledge, and where he had already acquaintances. As Malcolmson wished to avoid friends he had no wish to encumber himself with the attention of friends' friends, and so he

determined to look out for a place for himself. He packed a portmanteau with some clothes and all the books he required, and then took ticket for the first name on the local time-table which he did not know.
