Beauty Fades/Dumb Is Forever Judy Sheindlin, 2000-01-26 Judge Judy has heard enough. As a family court judge in New York City and now in her successful TV courtroom show, she has listened to thousands of excuses, complaints, and tales of woe from women of every background, and she's ready to rule. Women, she states with her trademark frankness, need to wise up, stop subjugating who they are, and stop making stupid decisions in the name of love. They hide their talents and opinions so they won't offend. They tiptoe through life letting others take credit for their ideas because they would rather be liked than respected. They spend their lives trying to please everyone but them-selves, and then they wonder why they feel so frustrated and unfulfilled. *Beauty Fades, Dumb Is Forever* presents Judge Judy's ten hard and true lessons for happiness: Beauty fades, dumb is forever. Don't crawl when you can fly. What goes up must come down. Denial is a river in Egypt. Master the game--then play it. You're the trunk of the tree. You can't teach the bull to dance. Failure doesn't build character. Letting go is half the fun. You can be the hero of your own story.

Judge Judy Sheindlin's You Can't Judge a Book by Its Cover Judge Judy Sheindlin, 2002-06-18 Which would you do? Judge Judy challenges you to be the judge! It's the first day of school, and your teacher looks very tough. You should: Give him a hard time because you think he's going to give you a hard time. Try to get out of his class. Be extra well behaved; maybe he'll like you. Give him a chance; maybe he's really nice. Kids develop a sense of morality at an early age, but parents often need help teaching them how to make good decisions. Judge Judy's first book, *Win or Lose by How You Choose!*, wowed critics and topped three best-seller lists by presenting kids with questions about real-life dilemmas and asking them to select the right response from a list of choices. In *You Can't Judge a Book by Its Cover*, Family Court judge and popular TV show presenter Judge Judy tackles the moral choices kids encounter every day at school. By setting up recognizable scenarios and then challenging kids to judge which of four responses best fits the case, Judge Judy creates a platform for adults and children to

talk through the answers together.

Don't Pee on My Leg and Tell Me It's Raining Judy Sheindlin, 1997-01-10 font COLOR=#000000 FACE=MS Sans Serif SIZE=1 in we get some reality in here? asks Judy Sheindlin, former supervising judge for Manhattan Family Court. For twenty-four years she has laid down the law as she understands it: ● If you want to eat, you have to work. ● If you have children, you'd better support them. If you break the law, you have to pay. If you tap the public purse, you'd better be accountable. Now she abandons all judicial restraint in a scathing critique of the system - filled with realistic hard-nosed alternatives to our bloated welfare bureaucracy and our soft-on-crime laws.

Keep It Simple, Stupid Judy Sheindlin, 2000-07-25 Today's definition of family is completely unrecognizable from what it was forty, thirty, even twenty years ago. Into the chaos that has become typical of the modern American family, judge Judy Sheindlin attempts to bring some order. With *Keep It Simple, Stupid*, Judge Judy addresses how convoluted family life has become. The traditional nuclear family has expanded to include exes and parents of exes, merging families, stepchildren, lovers, adopted children, in-laws the list goes on and on. Complex issues naturally arise from the enlarged families into which we're born. There is the ex-wife who wants more child support from husband number one so she can stay home with new baby by husband number two. There are the parents who gave their daughter thirty thousand dollars as a wedding gift only to watch the marriage quickly crumble and their former son-in-law claim half the money. How about the adult son who runs out on his kids, leaving his parents to pay his child support? When it comes to families, Judge Judy has seen it all in her courtroom, and she knows stupidity when she sees it. Tackling all the explosive issues that drive families crazy -- and into court -- Judge Judy shares her on-target, brutally honest thoughts on the chaos that is characteristic of today's American family and gives no-holds-barred advice on how to resolve conflicts and repair relationships.

The Richard & Judy Book Club Reader Helen Cousins,2016-03-03 In January 2004, daytime television presenters Richard Madeley and Judy Finnigan launched their book club and sparked debate about the way people in Britain, from the general reader to publishers to the literati, thought about books and reading. The Richard & Judy Book Club Reader brings together historians of the book, literature scholars, and specialists in media and cultural studies to examine the effect of the club on reading practices and the publishing and promotion of books. Beginning with an analysis of the book club's history and its ongoing development in relation to other reading groups worldwide including Oprah's, the editors consider issues of book marketing and genre. Further chapters explore the effects of the mass-broadcast celebrity book club on society, literature and its marketing, and popular culture. Contributors ask how readers discuss books, judge value and make choices. The collection addresses questions of authorship, authority and canon in texts connected by theme or genre including the postcolonial exotic, disability and representations of the body, food books, and domesticity. In addition, book club author Andrew Smith shares his experiences in a fascinating interview.
