**The Art of Caring Leadership** Heather R. Younger, 2021-04-13 If your people know you care about them, they will move mountains. Employee engagement and loyalty expert Heather Younger outlines nine ways to manifest the radical power of caring support in the workplace. Heather Younger argues that if you are looking for increased productivity, customer satisfaction, or employee engagement, you need to care for your employees first. People will go the extra mile for leaders who show they are genuinely concerned not just with what employees can do but with who they are and can become. But while most leaders think of themselves as caring leaders, not all demonstrate that care in consistent ways. Your employees will judge you by your actions, not your intentions. Based on Younger's interviews with over eighty leaders for her podcast *Leadership with Heart*—including Howard Behar, former president of the Starbucks Coffee Company; Judith Scimone, senior vice president and chief talent officer at MetLife; Garry Ridge, CEO and chairman of the board of the WD-40 Company; and Shawnté Cox Holland, head of culture and engagement at Vanguard—this book outlines nine ways that leaders can make all employees feel included and cared for. She even provides access to a self-assessment so you can measure your progress as a caring leader. But this is not a cookie-cutter approach: just as Monet and Picasso expressed themselves very differently, each leader should express caring in his or her own unique, personal style. Younger takes an often nebulous, subjective concept and makes it concrete and actionable. Leaders have the power to change the lives of those they lead. They shouldn't just want to care, they should see caring as imperative for the success of their employees and their organization.

**A Chronological History of Australian Composers and Their Compositions - Vol. 3 1985-1998** Stephen Pleskun, 2013-03-06 In this third of 4 volumes that include more than 800 composers and over 30,000 compositions Stephen traces the history and development of Classical music in Australia. From obscure and forgotten composers to those who attained an international reputation this volume reveals their output, unique experiences and travails. The formation and demise of music ensembles, institutions, venues and festivals is part of the story and included in the narrative are performers, conductors, entrepreneurs, educators, administrators, instrument makers, musicologists, music critics and

philanthropists. A concise yet comprehensive picture of Australian music making can be found in any given year.

*Funny How Things Turn Out* Judith Bruce, 2013-02-28 Muriel Newmarch was born in North London in 1903. She died in 2009, aged 106. Judith Bruce is her daughter, and *Funny How Things Turn Out*- part biography, part memoir - tells the story of both women, which in turn traces the unprecedented changes to women's lives during the 20th Century. The first half of the book chronicles Muriel's world through the Zeppelin raids of WW1, a painfully stilted class system, and marriage and motherhood in the 1930s - then her daughter, Judith, picks up the first-person narrative as a mischievous child in the 1940s and we stay with her until the end of the book. Woven artfully through the episodic chapters are the loves, aspirations and disappointments of two 'ordinary' women. Written with an understated elegance, Judith Bruce brings to life a barely remembered England of satin dresses at Swan & Edgar's, liberty bodices at grammar school, and English summer days where silent fathers mowed the lawn in polished shoes and unsuitable boyfriends smoked Player's Navy Cut. As we move through the post-war years from austerity and to prosperity, and Judith's working life at the BBC, the voice could almost be that of Alan Bennett. Even more so when charting the poignancy of Muriel's fading days, failing body and disappearing memory. A remarkable and accomplished portrait of life, love and changing fortunes.

*Time to Say Goodbye; Moment in Time* Judith Gould, 2005-09-22 TIME TO SAY GOODBYE Joanna Lawrence is a woman with a world to die for - a gorgeous husband, Joshua, a thriving business and a beautiful home. But behind all this lurks something unsettling. Her sister is in the passionate pull of the family's arch rival and the local artist that she has hired is attracted to Joshua. And Joanna is carrying a terrible secret - she is dying ... A MOMENT IN TIME Valerie Rochelle has blossomed into an attractive woman and successful veterinarian. It also appears that she has found her ideal man in the shape of the wealthy and handsome Teddy de Mornay, but she soon discovers his smile conceals a rather different nature... On a call out to a remote farm, she meets the mysterious Wyn, but their happiness is threatened by his soon-to-be ex-wife, who will do anything for his money ...

*Poets & the Peacock Dinner* Lucy McDiarmid, 2014 On January 18, 1914, seven male poets gathered to eat a peacock. W. B. Yeats and Ezra Pound, the celebrities of the group, led four lesser-known poets to the Sussex manor house of the man they

were honouring, Wilfrid Scawen Blunt: the poet, horse-breeder, Arabist, and anti-imperialist married to Byron's only granddaughter. In this story of the curious occasion that came to be known as the 'peacock dinner, ' immortalized in the famous photograph of the poets standing in a row, Lucy McDiarmid creates a new kind of literary history derived from intimacies rather than 'isms.' The dinner evolved from three close literary friendships, those between Pound and Yeats, Yeats and Lady Gregory, and Lady Gregory and Blunt, whose romantic affair thirty years earlier was unknown to the others. Through close readings of unpublished letters, diaries, memoirs, and poems, in an argument at all times theoretically informed, McDiarmid reveals the way marriage and adultery, as well as friendship, offer ways of transmitting the professional culture of poetry. Like the women who are absent from the photograph, the poets at its edges (F.S. Flint, Richard Aldington, Sturge Moore, and Victor Plarr) are also brought into the discussion, adding interest by their very marginality. This is literary history told with considerable style and brio, often comically aware of the extraordinary alliances and rivalries of the 'seven male poets' but attuned to significant issues in coterie formation, literary homosociality, and the development of modernist poetics from late-Victorian and Georgian beginnings. Poets and the Peacock Dinner is written with critical sophistication and a wit and lightness that never compromise on the rich texture of event and personality.
