

Juice Wrld Poetry

GILDA. CLARK

Juice from the Orange Shantaa Watkins,2014-06-09 This book is the first 72 of over seven hundred poems about my life and random experiences. The poems are about the way I feel, what has happened to me in my past and the things I have learned over the years. It's also about my experience of my third hospitalization for mental health. This book is an emotional roller coaster, going up and down as my moods went up and down when I first started to write. There are a lot of people that suffer the way that I did, and I want them to know that I understand.

Poetry Juice - Fresh Squeezed Torre A. DeVito,

Juice Renee Gladman,2000 Poetry. African American Studies. Gladman wields an idiosyncratic skill with description and characters that has drawn praise and attention from her contemporaries. JUICE describes a world where seemingly minor obsessions and details (like the narrator's almost random preference for juice) can structure and develop an entire story, down to its tone and style. As her narrator puts it: So far it has been sex and leaves that keep me alive.

Wild Juice Ashley Mace Havird,2021-03-03 In Wild Juice, the poet and novelist Ashley Mace Havird confronts global and personal change. Her subjects range from the extinction of a prehuman species to the present-day reduction in sea life due to the climate crisis. Closer to home, she confronts the death of her father and her own aging. Running throughout these lyrics of loss is the richness of communal life, a current of hope given substance by the juice of wild grapes that baptizes the poet's chin and that of her elderly father, whose presence haunts the book. Havird's poems move from sea coasts to the rural South to landlocked suburbia, in language characterized by wit, pluck, and ironic candor. Through striking evocations of the natural world, conveyed in a voice steeped in mature human experience, Wild Juice speaks memorably on behalf of a life that embraces us all.

Red Juice: Poems 1998-2008 Hoa Nguyen,2014-09-02 A collection of early poems, rare or out-of-print, by Hoa Nguyen,

a poet who tersely cracks the shell of dailiness.

Orange Juice and Pickles Kansas,2017-08-20 It was a Tuesday when Kansas thought about publishing her poetry, and that same Friday it was on the market. She felt it was time she took off the mask that she hid herself in and exposed herself to the world. Orange Juice & Pickles, is a book of poetry. The poems are written by Kansas over the course of several years. They go through the many emotions of life both fun and serious. It deals with her good side and her darker side (Sorry I know it sounds a little campy, cliché, whatever word you want to use. It is bad enough I am writing about myself in third person but then that line, by God you must think I am conceited.) that she has kept hidden in poetry for many years.

Juice GILDA. CLARK,2018-10-28 'There is no shortage of words for love. Affection. Desire. Warmth. Passion.' Gilda Clark and Cath Davies invite readers to quench their thirst for poetry with Juice, a new collection packed with humour and insight. Frank, fun and honest, this book reflects on the authors' experiences offering a unique observation on the nature of love, passion and heartbreak. Using spicy and light-hearted humour, Juice reveals how life and love are never plain-sailing. The poems within express the authors' inner and outer passions, exploring the highs and lows of love and everything in between. These poems of passion use a mixture of free verse, cinquans and haikis. Inspired by the work of Jeanette Winterson and Charles Bukowski, Juice will appeal to readers interested in poetry and romance.

Drink Your Juice from a Fancy Glass Sondra Ammeen,2023-03-24 Why when life is ending... Do we suddenly see the

beauty of clouds... Smell the aroma of jasmine... Love the smile of a stranger..... Breathe in, breathe out, and... Live. Cancer: A Funny Thing Happened This book was written to react to the devastation of hearing, You have Stage 4 metastatic breast cancer. So the journey began. Cancer: It's Been a Year. I'm Still Here. An ironic look at what happens when you prepare to die and then you don't. Funny examples of doctor visits that border on ridiculous. We all have experience with doctors and their staff. Drink Your Juice from a Fancy Glass From the wonderful things that people say to you to the funny things that happen almost daily. From Scars to Stars A poetry book about twenty-four survivors (both men and women) who are living with their cancers in a positive way. They discuss their first symptoms and their attitudes about their care. These are all remarkable people.

Pineapple Juice Reminds Me of You Leonie Siber, 2019-05-28 I was 19 when my friend committed suicide. Through the following year a lot of things became clear to me. Our generation is more hurt than ever. We have to deal with so many different things we don't really know how to deal with. We have to be strong and soft, determined but self-conscious, ambitious but humble, oh and stay sane at the same time. Thankfully mental health is more valuable and more talked about than ever. This is why, after my friend's suicide, I decided to write my thoughts down. The feelings that seemed to make no sense, that didn't let me fall asleep at night. Writing helped me to sort through my head. Paper doesn't judge. I met amazing people through my journey but I know not everyone has that luxury to have someone to talk to. The poems in this book are dark and honest but I hope it can open some eyes and some hearts. I know it sounds like a cliché sentence but you are not alone with your pain. There is no rush in healing no matter what anyone tells you.
