Assisting My Brother's Best Friend Judy Corry,2018-04-21 I wasn't supposed to kiss my best friend's sister when I was a college senior and she was barely eighteen... and I'm definitely not supposed to kiss her again now that she's my assistant. Drew Confession: When I received the wedding announcement of my best friend's sister, Kate, I thought becoming the bachelor on a reality TV show would help me move on. Guess what? It completely backfired. To make matters worse, the show just hired her to assist me in getting engaged before the finale airs. Yeah, I didn't exactly propose to my final pick on the last day of filming. Oops. Kate When I agreed to help my high school crush get engaged, I thought it would be simple. What I didn't expect was to be hiding the fact that my marriage was annulled after only three months. Or for the chemistry between Drew and me to reignite after seven years apart. My career depends on persuading him to propose to someone else. Messing that up for a man who ghosted me would be stupid, right?

Hollywood and Ivy Judy Corry,2019-11-18 When my celebrity crush walks into the bed-and-breakfast where I work, it feels like a nightmare come true. Justin Banks is the definition of a Hollywood golden-boy. He stars in all the hit movies, dates A-list actresses, and has the kind of money most commoners, like myself, only dream of. He's also the guy who stood me up for our high school prom and never talked to me again. So when he books a week-long stay at the Sutton Creek Inn, I know I need to come up with a plan. I can't have Justin discovering that I'm still as single as I was the night he stood me up, so I decide to put on a show of my own. I'll get dressed up, go out with a new mystery man each night, and let Justin know that even if I wasn't good enough for him, there are plenty of other men who want me. The fact that the dates are fake can be my little secret. My charade is going perfectly...until Justin and I get stuck spending time together at the inn and I'm reminded of why I liked him so much in high school. The guy who broke my heart is only in town for one week. Giving him a second chance would be stupid, right? HOLLYWOOD AND IVY is a feel-good, closed-door romantic comedy! Perfect for readers who enjoy ballad-worthy chemistry, passionate kisses and endearing characters.

Take a deep dive into the bizarre psychology of secrecy with Andrew Gold, award-winning investigative journalist and host of Heretics. We all keep secrets. 97 per cent of us are hiding a secret right now, and on average we each hold thirteen at any one time. There's a one-in-two chance that those secrets involve a breach of trust, a lie or a financial impropriety. They are the stuff of gossip, of novels and of classic dramas; secrets form a major part of our hidden inner lives. Andrew Gold knows this better than anyone. As a public figure, he has found himself the unwitting recipient of hundreds of strangers' most private revelations. This set him on a journey to understand this critical part of our societies and lives. Why do we keep secrets? Why are we fascinated by those of others? What happens to our mind when we confess? Drawing from psychology, history, social science, philosophy and personal interviews, The Psychology of Secrets is a rollicking journey through the history of secrecy. -- 'Andrew Gold is - but should not be - one of our culture's best kept secrets. He is a truly edgy journalist, broadcaster and writer' - David Baddiel, bestselling author of The God Desire
