Growing My Girlfriend 3 Ivy Maxwell,2018-11-02 It all starts with a tingling chest . . . This weekend has been a downright unreal. Every time my girlfriend Alexa and I hang out, she gets bigger and better, her body becoming more attractive than I'd ever thought possible. She transforms from a timid, college-aged Catholic gal into a confident, hyper-busty vixen with a tight hourglass figure and juicy breasts. Whenever that happens, Alexa single-mindedly thirsts for only two things: growing even hotter . . . and pleasing me. As luck would have it, our anniversary is tonight. We've shared an amazing year together, and I've worked my tush off to save up for a promise ring to celebrate the occasion. It's the least I can do to express my

commitment to the woman I love—and I'll admit, I have high hopes that between the excitement of the surprise gift and her newfound impulses, Alexa will finally open her mind to sleeping with me for the first time. I've scouted the perfect ring to compliment my girlfriend's maturing beauty, and I'm certain it will pave the way to getting my heart's desire. But there's a problem: an eccentric gentleman bought out the jewelry store and sold the ring I wanted to give Alexa! Furthermore, this mysterious man somehow knows that I've been growing my girlfriend, and strikes a bargain that I can't refuse. Now in possession of an otherworldly ring—and the promise that it will grant me what I want most—I'm going to celebrate with my girlfriend and party like there's no tomorrow. (Never mind the feeling that I might be opening Pandora's box. . .) Tonight will truly be the best night of our life, the fulfillment of our shared wish—for once my girlfriend starts growing, there will be no stopping her. This story is Book 3 of an erotic romance trilogy featuring egregious breast expansion, gradual bimbofication, and giantess transformation. This story takes place in the Growth Chronicles universe.

Tits Up Sarah Thornton,2024-05-09 Boobs. Knockers. Jugs. Cans. Baps. Melons. Puppies. Fun bags. Bosoms. Hooters. In the English language there are over 700 expressions for female mammary glands - the majority of which are mostly used by men. In *Tits Up*, bestselling author, sociologist and journalist Sarah Thornton asks how is it that we look at breasts so much, but reflect on them so little. It was after Sarah underwent a double mastectomy and reconstructive surgery that she found herself considering how we think about breasts, and what that tells us about ourselves. Across five chapters, she encounters strippers, plastic surgeons, bra designers, modern witches, lactation experts and donors to breast milk banks to create the ultimate biography of humanity's most culturally important body part. Surprising, sharp, tender and true, *Tits Up* explores how women's chests shape our ideas of beauty, health, respect, self-esteem and equality. Blending real-life accounts with sociology, history, art and culture, and written with refreshing optimism and wit, Thornton has one overriding ambition to: liberate breasts from centuries of patriarchal prejudice.

I Know I Am, But What Are You? Samantha Bee,2011-02-08 Candid, outspoken, laugh-out-loud funny essays from the much-loved Samantha Bee, the Most Senior Correspondent on *The Daily Show* with Jon Stewart . Critics have called her "sweet, adorable, and vicious." But there is so much more to be said about Samantha Bee. For one, she's Canadian. Whatever

that means. And now, she opens up for the very first time about her checkered Canadian past. With charming candor, she admits to her Lennie from *Of Mice and Men*-style love of baby animals, her teenage crime spree as one-half of a car-thieving couple (Bonnie and Clyde in Bermuda shorts and braces), and the fact that strangers seem compelled to show her their genitals. She also details her intriguing career history, which includes stints working in a frame store, at a penis clinic, and as a Japanese anime character in a touring children's show. Samantha delves into all these topics and many more in this thoroughly hilarious, unabashedly frank collection of personal essays. Whether detailing the creepiness that ensues when strangers assume that your mom is your lesbian lover, or recalling her girlhood crush on Jesus (who looked like Kris Kristofferson and sang like Kenny Loggins), Samantha turns the spotlight on her own imperfect yet highly entertaining life as relentlessly as she skewers hapless interview subjects on *The Daily Show*. She shares her unique point of view on a variety of subjects as wide ranging as her deep affinity for old people, to her hatred of hot ham. It's all here, in irresistible prose that will leave you in stitches and eager for more.

She Denied Niharika Nafisa, He raped me. Not for once, but several times. The first time, I could scream, I could plead to him. However, it wasn't the same afterwards. I had to stop screaming for help when he jumped over me like a hungry animal, I couldn't plead to stop him. Because then he became my husband. He was given the right to do whatever he wanted with me. And I wasn't given the right to stop him. Unlike other women, I didn't choose to be a slave of my husband. I didn't fall for my husband.

THE TWISTER Jim Malloy, 2005-12-07 Dead women were popping up all over in a very strange way. They were left posed on their side, fully clothed, hands clasped in prayer, and legs bent as if kneeling. The weird part though, was their head was

twisted clear around so they appeared to be looking backwards, which was impossible because their eyeballs were plucked out and stuffed in their mouths. The special detective unit, dubbed the Doom squad, was stumped. The killer, described as a giant, a Goliath, should stick out like a sore thumb. And what the hell did three witches have to do with anything not counting the bible legend of David slaying Goliath? Their leader, Sgt. Jack Delaney, Micky for short, was ticked off over the whole mess and wanted answers.

Now he's back. Devastatingly gorgeous, with a body hardened from war. But Brent doesn't remember who I am. Not the days laughing and holding hands under a bright summer sky. Nor the nights, sweltering as our bodies strained towards one another. So how do I tell him my devastating secret when he has no memory of our sensual past? Hey Readers - As usual, this is another off-the-charts crazy story where a hardened soldier meets his match in our curvy, feisty heroine. But we promise, you'll love the romance between Claire and her military man. As always, read with an ice cold drink nearby because you're going to need it! Love, Katie and Sarah
