Phosphorescence Julia Baird,2024-01-15 After surviving a difficult heartbreak and battle with cancer, Julia Baird began to explore how she and others persevere through the most challenging circumstances life throws at us. She asks: when our world goes dark, when we are overwhelmed by illness or heartbreak, loss or pain, tragedy outside our control, how do we survive, stay alive and even bloom? She went in search of the magic that will sustain us and fuel the light within - our own phosphorescence . Phosphorescence can be found in nature - in glow worms, fireflies, flashlight fish, bioluminescent oceans; it is a phenomenon that allows creatures to give off light amidst darkness. Baird writes about the things that lit her way through the darkness: a connection to nature, friendships, her faith, experiencing awe, and other habits that changed her life. She also goes in search of how others nurture their inner light, interviewing the founder of the modern forest therapy movement in Tokyo, a jellyfish scientist in Tasmania, and a tattooed priest from Colorado, among others. Weaving together candid memoir with research and reflections on nature, Baird inspires readers to embrace new habits and adopt a phosphorescent outlook on life, to illuminate our days even in the darkest times--

**Imagine This** Julia Baird,2011-03-31 'Honest and poignant' THE SUN The honest and revealing story of John Lennon's childhood by his sister Julia. Through her own personal journey, Julia reveals the battle between two strong, self-willed women - John's mother and his Aunt Mimi - to have custody of John in his early years. It was Aunt Mimi who finally won and removed John from his mother at the age of five. But as John grew up, he would frequently return home - spending time with

his mother and half-sisters, Julia, Jackie and Ingrid, learning his love of music from his mother, and hanging out, playing guitar with his childhood friend Paul McCartney. Julia is candid about the sadness as well as the joy of their broken family life. She details the devastating loss of their mother Julia in a road accident - and describes the painful legacy for the entire family, especially John as he moves into a life of stratospheric fame with the Beatles.

*Familicide, Gender and the Media* Denise Buiten, 2022-11-17 This book examines the complex issue of familicide-suicide - the murder of a partner and children followed by suicide. The purpose of the book is two-fold: to advance a feminist sociological analysis of familicide as a form of gender-based violence, and to examine how it is reported on in news. The first section contextualises interpretations of familicide against the dual ascendancy of - and contestation around - feminist and mental illness discourses in public policy and debate. Advancing a feminist sociological analysis of familicide-suicide, it shows the value of 'continuum thinking' for understanding complex and varied forms of gender-based violence. Section Two examines Australian news reporting on familicide-suicide, showing the ways cultural assumptions about domestic and family violence and mental illness shape news reporting. It analyses how discourses of gender, disability, age, and the 'family' serve to rationalise certain news frames and reflects on the thorny ethical issues inherent in reporting on familicide. Arguing for a nuanced approach to gender-based violence and how it is reported, this book will be of interest for scholars of gender and violence, as well as media and journalism.

**Truganini** Cassandra Pybus, 2020-03-03 The haunting story of an extraordinary Aboriginal woman. Winner of the National Biography Award 2021 Shortlisted for the Prime Minister's Award for Non-fiction 2021 'A compelling story, beautifully told' - JULIA BAIRD, author and broadcaster 'At last, a book to give Truganini the proper attention she deserves.' - GAYE SCULTHORPE, Curator of Oceania, The British Museum Cassandra Pybus's ancestors told a story of an old Aboriginal woman who would wander across their farm on Bruny Island, in south-east Tasmania, in the 1850s and 1860s. As a child, Cassandra didn't know this woman was Truganini, and that Truganini was walking over the country of her clan, the Nuenonne. For nearly seven decades, Truganini lived through a psychological and cultural shift more extreme than we can imagine. But her life was much more than a regrettable tragedy. Now Cassandra has examined the original eyewitness accounts to write Truganini's extraordinary story in full. Hardly more than a child, Truganini managed to survive the devastation of the 1820s, when the clans of south-eastern Tasmania were all but extinguished. She spent five years on a journey around Tasmania, across rugged highlands and through barely penetrable forests, with George Augustus Robinson, the self-styled missionary who was collecting the survivors to send them into exile on Flinders Island. She has become an international icon for a monumental tragedy - the so-called extinction of the original people of Tasmania. Truganini's story is inspiring and haunting - a journey through the apocalypse. 'For the first time a biographer who treats her with the insight

and empathy she deserves. The result is a book of unquestionable national importance.' - PROFESSOR HENRY REYNOLDS, University of Tasmania

**A Lonely Girl is a Dangerous Thing** Jessie Tu, 2020-07-02 Growing up is always hard, but especially when so many think you're a washed-up has-been at twenty-two. Jena Lin plays the violin. She was once a child prodigy and now uses sex to fill the void left by fame. She's struggling a little. Her professional life comprises rehearsals, concerts, auditions and relentless practice; her personal life is spent managing the demands of her strict family and creative friends, and hooking up. And then she meets Mark - much older and worldly-wise - who consumes her. But at what cost to her dreams? When Jena is awarded an internship with the New York Philharmonic, she thinks the life she has dreamed of is about to begin. But when Trump is elected, New York changes irrevocably and Jena along with it. Is the dream over? As Jena's life takes on echoes of Frances Ha, her favourite film, crucial truths are gradually revealed to her. *A Lonely Girl is a Dangerous Thing* explores female desire and the consequences of wanting too much and never getting it. It is about the awkwardness and pain of being human in an increasingly dislocated world - and how, in spite of all this, we still try to become the person we want to be. This is a dazzling and original debut from a young writer with a fierce, intelligent and audacious voice. 'I absolutely inhaled this book. Gutsy, bold and surprising, with a darkness that draws you in and keeps you hanging onto every word.' Bri Lee, author of *Eggshell Skull* 'Jessie Tu's writing is fierce and bold; I read this novel with escalating excitement, galvanised by the emergence of a powerful new voice.' **She Is Haunted** Paige Clark, 2022-05-17 \* Readings Prize for New Australian Fiction, Shortlist \* 2022 Stella Prize, Longlist A Best Book of the Year —The Guardian A Most Anticipated book of 2022 —Entertainment Weekly With an unforgettable voice and exuberant wit, *She Is Haunted* is a masterful debut exploring issues of identity, connection, and loss, told with remarkable grace and assurance by Chinese/American/Australian author, Paige Clark. In stories charged by the complexities of mother-daughter relationships, grief, exes, and the profundities of friendship, *She Is Haunted* features injured ballerinas, cloned dogs, and competitive call centers in settings as far ranging as future and present Australia, New York City's Chinatown, and suburban California. A mother cuts her daughter's hair because her own hair begins falling out; a woman attempts to physically transform into her dead husband so that she does not have to grieve; a woman undergoes brain surgery in order to live more comfortably in extreme temperatures. Braiding the real and the surreal, both playfully witty and deeply insightful, these stories show us characters striving to make sense of the grand themes of family, love, death, and our changing world. *She Is Haunted* flags Paige Clark as a wondrous and wise new literary talent.

**The Case for Marriage** Linda Waite, Maggie Gallagher, 2002-03-05 A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that

marriage brings to individuals and society as a whole. *The Case for Marriage* is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced— physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* [www.broadwaybooks.com](http://www.broadwaybooks.com)

**Born to Rule** Julia P. Gelardi, 2007-04-01 Julia Gelardi's *Born to Rule* is an historical tour de force that weaves together the powerful and moving stories of the five royal granddaughters of Queen Victoria. These five women were all married to reigning European monarchs during the early part of the 20th century, and it was their reaction to the First World War that shaped the fate of a continent and the future of the modern world. Here are the stories of Alexandra, whose enduring love story, controversial faith in Rasputin, and tragic end have become the stuff of legend; Marie, the flamboyant and eccentric queen who battled her way through a life of intrigues and was also the mother of two Balkan queens and of the scandalous Carol II of Romania; Victoria Eugenie, Spain's very English queen who, like Alexandra, introduced hemophilia into her husband's family-with devastating consequences for her marriage; Maud, King Edward VII's daughter, who was independent Norway's reluctant queen; and Sophie, Kaiser Wilhelm II's much maligned sister, daughter of an Emperor and herself the

mother of no less than three kings and a queen, who ended her days in bitter exile. *Born to Rule* evokes a world of luxury, wealth, and power in a bygone era, while also recounting the ordeals suffered by a unique group of royal women who at times faced poverty, exile, and death. Praised in their lifetimes for their legendary beauty, many of these women were also lauded-and reviled-for their political influence. Using never before published letters, memoirs, diplomatic documents, secondary sources, and interviews with descendents of the subjects, Julia Gelardi's *Born to Rule* is an astonishing and memorable work of popular history.

The Spill Imbi Neeme,2020-06-02 In 1982, a car overturns on a remote West Australian road. Nobody is hurt, but the impact is felt for decades. Nicole and Samantha Cooper both remember the summer day when their mother, Tina, lost control of their car - but not in quite the same way. It is only after Tina's death, almost four decades later, that the sisters are forced to reckon with the repercussions of the crash. Nicole, after years of aimless drifting, has finally found love, and yet can't quite commit. And Samantha is hiding something that might just tear apart the life she's worked so hard to build for herself. *The Spill* explores the cycles of love, loss and regret that can follow a family through the years - moments of joy, things left unsaid, and things misremembered. Above all, it is a deeply moving portrait of two sisters falling apart and finding a way to fit back together.

**Marriage in Past, Present and Future Tense** Janet Carsten,Hsiao-Chiao Chiu,Siobhan Magee i,Eirini Papadaki ,Koreen M. Reece,2021-09-01 Marriage globally is undergoing profound change, provoking widespread public comment and concern. Through the close ethnographic examination of case studies drawn from Africa, Asia, Europe and North America, *Marriage in Past, Present and Future Tense* places new and changing forms of marriage in comparative perspective as a transforming and also transformative social institution. In conditions of widespread socio-political inequality and instability, how are the personal, the familial and the political co-produced? How do marriages encapsulate the ways in which memories of past lives, present experience and imaginaries of the future are articulated? Exploring the ways that marriage draws together and distinguishes history and biography, ritual and law, economy and politics in intimate family life, this volume examines how familial and personal relations, and the ethical judgements they enfold, inform and configure social transformation. Contexts that have been partly shaped through civil wars, cold war and colonialism - as well as other forms of violent socio-political rupture - offer especially apt opportunities for tracing the interplay between marriage and politics. But rather than taking intimate family life and gendered practice as simply responsive to wider socio-political forces, this

work explores how marriage may also create social change. Contributors consider the ways in which marital practice traverses the domains of politics, economics and religion, while marking a key site where the work of linking and distinguishing those domains is undertaken.

**The Fictional Woman** Tara Moss, 2014-06-01 The no.1 Australian bestseller! Tara Moss's first work of non-fiction -- a fascinating mix of memoir and social comment -- is sparking conversation everywhere. What are your fictions? In her tenth book and first work of non-fiction, Tara Moss blends memoir and social analysis to examine the common fictions about women. She traces key moments in her life -- from small-town tomboy in Canada, to international fashion model in the 90s, to bestselling author taking a polygraph test in 2002 to prove she writes her own work -- and weaves her own experiences into a broader look at everyday sexism and issues surrounding the under-representation of women, modern motherhood, body image and the portrayal of women in politics, entertainment, advertising and the media. Deeply personal and revealing, this is more than just Tara Moss's own story. At once insightful, challenging and entertaining, she asks how we can change the old fictions, one woman at a time. 'Hits its mark with sharp-shooting precision ... Moss' skill is in marshalling the evidence and communicating it in a way that is accessible, warm, open, lucid and passionate ... Moss is a serious thinker' Dr Clare Wright, the Age 'A remarkable book - the kind that rewires your brain and its preconceptions in the best way possible. **A Dance with the Dragon** Julia Boyd, 2019-07-16 With its fossil hunters and philosophers, diplomats, dropouts, writers and explorers, missionaries and refugees, Peking's foreign community in the early 20th century was as exotic as the city itself. Always a magnet for larger than life individuals, Peking attracted characters as diverse as Reginald Johnston (tutor to the last emperor), Bertrand Russell, Pierre Loti, Rabindranath Tagore, Sven Hedin, Peter Fleming, Wallis Simpson and Cecil Lewis. The last great capital to remain untouched by the modern world, Peking both entranced and horrified its foreign residents. Ignoring the poverty outside their gates, they danced, played and squabbled among themselves, oblivious to the great political events that were to shape modern China unfolding around them. This is a dazzling portrait of an eclectic

foreign community and of China itself.
