This Christmas join the De La Fuentes and McKenzies in Blossom Creek as they celebrate the grand opening of Emelia's Restaurant. Over twenty years after Levi De La Fuente's parents opened the first Emelia's, Levi and his cousin Ryan are getting ready to open a second location. Emma De La Fuente manages the first Emelia's in Essex, Vermont for her parents. She's in town to assist her brother and cousin in getting the new restaurant ready for its grand opening. However, she didn't plan on the strong attraction she feels toward the town Sheriff. The man with his sweet words and heated looks has managed to derail her plans on returning home. While his sister is distracted, Levi finds himself in need of rescuing from a rather embarrassing situation. Luckily for him, Vivien Taylor, owner of Temptations, Blossom Creek's handmade chocolate store, appears just at the right time. If only he didn't crave the sweet woman, then maybe, this situation wouldn't be so awkward.

DreamCatcher MC Unleashing Powerhouse: Cole, who's known as Powerhouse by his brothers, steers clear of relationships. He had a rough and rowdy childhood, one full of traumatic events. But now he's met her, and she's changed everything. Salem had a wonderful upbringing, full of love and laughter. Until she lost her parents. Despite her world crumbling around her, she never gave up on life or love. She's a dynamo who's determined to break down all of Cole's defenses. Dottie loves her family, her job, and her independence. So when the man she's been seeing for a few short weeks shows up and tells her if she doesn't leave with him, her family may pay the consequences, she reluctantly agrees to leave her life behind and fake her own death. Lethal Vendetta: Plans can be thwarted, and people can be astoundingly manipulative and

In its place is a hardcore casing that strangles him and refuses to release its grip. A well thought out future, one that has been calibrated down to the smallest detail, can collapse and tumble around you. No one knows that better than Hemmingway. Her goals and aspirations have been altered, because the motivation to find love was obliterated by two sinister men, and it no longer fuels her desires. Note to Readers: These books end on story arc's to prepare you for the next upcoming book in the series. There are no cliffhangers.
