Dragon Servants Sanna and Isadora Spence live deep in Letum Wood, where persnickety dragons and wars on the borders are the least of their worries. Thanks to years of simmering tension, the hidden village is destined to crack. Soon, Sanna's deep love for the giant beasts causes her to make an irreversible mistake, while Isadora's disinterest leads her to a fateful decision that will change the course of the entire world. Can the sisters prevent everything they know from falling apart? Or do they allow it to break and pave the way for new growth? Join these beloved sisterwitches in a story about sisterhood, new magic, and dealing with change. FLIGHT A treacherous new world awaits. Sisterwitches Isadora and Sanna Spence aren't sitting back anymore. In fact, they're both tangled in separate new worlds—ones they didn't anticipate. Despite the Dragonmasters home burning to ash, Sanna is certain of one thing—she will not be a tyrant, even though managing a brood of frightened dragons falls on her reluctant shoulders. When a devastating tragedy strikes the Dragonmaster families, Sanna is forced to face a world she never knew existed. Isadora, on the other hand, is too busy with her new life to worry about her old one. In the midst of training with her perpetually annoyed mentor, Maximillion, Isadora is unexpectedly taken away from home and thrust into a dangerous game. Her life is now in the hands of her most

terrifying enemy: Cecelia Bianchi. Both sisters are far from home and over their heads. Can they marshal their courage to save those they care about? Or will their expanding horizons prove to be their biggest danger yet? Join the beloved sisters from FLAME in a new tale about growing up, moving on, and finding the courage within. FREEDOM Isadora Spence knows two things: 1) she's tired of all the wars and wants them to stop and 2) she never wants to see Maximillion Sinclair again. Sparks fly when rising desperation leads Isadora and Maximillion to attend a political delegation together in the Southern Network. She's determined to create a pact for peace and save lives, but when events spiral into far more dangerous territory, she realizes the only witch she can trust is Maximillion. Can they work together, or will everything fall apart? Meanwhile, her sisterwitch Sanna is out of her depth in an unfamiliar world of volatile goddesses and buried history. Facing an unwinnable battle against Prana, the ruthless goddess of the sea, Sanna roots through history, only to discover that Prana isn't the only enemy they face. In a world embroiled with war on all fronts, can the sisterwitches do their part to bring peace and freedom to Antebellum? Or will all their best efforts fail in the bigger machinations of goddesses and witches? FREEDOM is the final book in the Dragonmaster trilogy. This sweeping YA Fantasy saga will take to a new world, keep you on the edge of your seat, and ask you to answer the most impossible question of all: What is freedom?

#LoveStory99 Not-Out - B SRIDHAR 2021-09-09

Cigarette Smoking, Alcohol Drinking & Selfless Loving cause intoxication to the Heart—isn't it sounding familiar, yet new? Why are people addicted to smoking and drinking, despite the caution-sign of "causes cancer and kills"? Looking from their perspective, that caution sign might seem negligible because they might be experiencing something more painful than "getting killed", yet they enjoy it! And isn't that something related to "Heart"? The author will make you experience that 'rarely recognized yet special feeling' through the Hearts of Karthik and Seema, which makes you think "Love can cause intoxication yet it is worth enjoying!" It's a story that started in the early 1990s when mobile phones were not handy, Facebook was still dreaming, and WhatsApp's dream was not yet born. Love might seem to be "a beautiful Start" of life but when the same Love is seen as a "Destiny", in pursuit of it, life's journey becomes memorable! What are you waiting for! Grab your copy and read to know if such memories are worth cherishing.

MAKE ROOM IN YOUR HEART FOR TRUE DIVINE LOVE - Kalisha N. Stansell 2021-10-07

My personal journey of love and relationships taught me some pretty hard lessons in love, in which some of them I share with you in this book. Through these lessons I have learned that all relationships have come to teach you a lesson in love and the first lesson is to love ourselves. I used to depend on others for true love and happiness. This is until I learned that relationships are solely meant to add to the love and happiness you already have. After I discovered this, I began to look within to heal the little girl within who didn't feel loved. And who was also looking for love in all the wrong places. In this book, I take you through a journey of healing, letting go and releasing all that no longer serves you through the freedom power of forgiveness; so you may have room in your heart to receive true divine love! I hope you will find the information contained in this book useful to assist you on your healing journey.

Letting Go with Love - Nancy O'Connor 1984

What this book is about: What it can do for You When people die, their suffering is over, at least in life on earth. But those who are still living are faced with huge pressures, devastating trauma, important decisions,

and powerful emotions. The survivors' suffering or grieving has just begun. The attention of friends and relatives has been focused on the one who was dying. But now the ones most closely affected by the death need the concern and caring of family and friends. Most of us don't know what grief will be like until we experience it firsthand. We expect to be sad and hurt, but we may be surprised to feel other emotions, such as anger and guilt. We may discover that after someone dies, our relationships with others change. Our families and friendships may not be the same because of the changes we undergo after a loss. In recent years, research has shown that there are identifiable patterns of emotions in grief. Knowing what those are can help you recognize that the turmoil and pain you feel are part of healing the injury that death has inflicted. When a person can deal successfully with change, he or she can reach a higher level of growth, sensitivity and understanding of self and others. The death of someone important in our lives is a change: a major one, and sometimes a sudden one. But change, even painful change, is an important, necessary part of being alive. Loss of someone through death is a particularly painful change, especially if you felt deep love toward that person. The more intense and deep your love, dependence, and hopes are, the more it will hurt to lose her or him. There's no getting around the pain; you must get through it. You can't avoid it. This guide book gently shows you the way, relationship by relationship. It helps the entire family.
