The Secrets of Enduring Love Meg John Barker 2016-02-04 The Secrets of Enduring Love focuses on what couples actually do to maintain, nurture and nourish their relationships. The reader will be taken on a journey through different ways of doing relationships, focusing on the key themes which came out of the research: everyday acts of kindness and appreciation; the importance of home; communication and conflict management; sex and intimacy; incorporating others into the relationship (children, pets, friends, hobbies); and telling your own love story. One of the key messages from the research is that different things work for different people, and at different times in the relationship. For this reason the book focuses on the different practices that we might bring into our own relationships, helping us to recognise the small things which we may be already doing but which ordinarily go by unnoticed, and offering a helping hand to find out what works best for us.

The Promise to the One Jason Hewlett 2020-05-13 The greatest joy and fulfillment are within your reach, but they require an enduring Promise to The One...someone you might not expect. It's not your boss, your spouse, your children, or others—no, the ultimate commitment is The Promise you

make to yourself to discover your purpose and gifts and share them with the world. Everyone has been hurt or negatively impacted by broken promises. Promise-breaking and a lack of integrity are symptomatic of the most chronic illness faced by society today. Even though many leadership courses and ethics programs tout “integrity” as a buzzword, few of us are really assessing our own values unless someone calls us out on a discrepancy. But even when others don’t catch on to the façade, when our values aren’t in alignment with our actions and when our actions aren’t consonant with our gifts and passions, we’re left feeling isolated, drained, and depressed. No recognition or acceptance from others can fill the void in the same way as when you keep a Promise to yourself and actually follow through on it. The Promise is the highest level of engagement we commit to in any experience. The Promise is greater than a goal—it’s a sacred commitment. It’s complete dedication to identifying your Signature Moves—the unique talents you’ve been given that, when developed and used to better others’ lives, make you a Legendary Leader. What choices do you make when no one is watching? How do you approach a decision that requires you to let either yourself or someone else down? How do you stay committed to your values, even when the less-rewarding path is more convenient? A renowned speaker and performer who has helped audiences worldwide appreciate what accountability really means, Jason Hewlett shares his program for self-discovery and taking ownership of your gifts in *The Promise to The One*. His unique three-step method—IDENTIFY • CLARIFY • MAGNIFY—will enable you to pinpoint your strengths, shape them into an identity to which you commit, and develop them so that they can improve others’ lives as well as your own. Filled with Jason’s signature wit and vulnerability as well as actionable exercises, this book will help you refine your character and reach your dreams through the power of kept Promises.
