A Michaelmas Wager - Emily Murdoch 2022-11-01

How much would you gamble for love? Rufus Lovell has been thrust unexpectedly into riches, and gained a new set of friends who delight in wagers and bets, with nothing too small or too big to gamble on - even marriage. So when a tipsy party joke becomes a wager on Rufus' marriage, he knows he should said no. But Juliana Honeyfield, the unwitting and unknowing focus of the gamble, is not the simple and malleable young woman that Rufus' friends take her for. She demands a lot more from her acquaintances, and the challenge of understanding this intriguing woman and keeping the truth of the wager from her starts to wear thin on Rufus. Especially when his belief in marriage has already

been so greatly rocked, and his family history is sunk in crime, alcoholism, and prison. Will it be possible for Rufus to charm the winning Juliana? Does he owe her the truth about his initial interest in her? And who will eventually win the Michaelmas wager? A Michaelmas Wager is a charming Regency romance novella about the unlikely consequences of spur of the moment decisions.

The Double Wager - Mary Balogh 2016-08-23

The Double Wager is the digital reissue of a previously published and long out-of-print novel by New York Times Bestselling author Mary Balogh. Henrietta Tallant has always preferred the company of her brother and his rough-and-tumble friends to that of other ladies. She rebels at the prospect of making her debut into London society and the great marriage mart. However, when her brother's friends challenge her to entice the toplofty, unattainable Duke of Eversleigh into offering her marriage within six weeks, she recklessly accepts and wagers her beloved horse. The Duke of Eversleigh, who has always adamantly proclaimed his determination never to marry, is beginning to feel the pull of duty and the need to produce an heir. His friends do not believe he will give in so easily, however, and wager with him that he will not make a marriage offer within a month. When Henrietta deliberately collides with the duke in a London ballroom, then, each is intent upon winning a wager--without any thought to what will happen after it is won.
