I Love You But You Always Put Me Last - Andrew G. Marshall 2013-09-12

How to balance being a loving partner with being a great parent From novels to non-fiction, there has never been more interest in parenting. It seems that somehow, modern parenting has become about always putting your child's

needs first, however inconsequential and no matter what the cost. The price we are paying as parents is losing our identity, forgetting about our partner's needs and putting them last on our list of priorities. This is resulting in marriage breakdown and unhappy, insecure children with poor relationship role models. This practical self-help book is about putting your partner first, and not losing sight of your own needs when you become a parent. By focusing on your relationship and making your partner a priority, you will create a secure, caring environment in which to bring up your children. The result is a strong marriage, secure children and a happy family.

*** THE SECOND BOOK IN THE YOU SERIES, NOW A HIT SHOW ON NETFLIX *** YOU was a word of mouth bestseller around the world -- and now Joe Goldberg is back! Joe Goldberg came to Los Angeles to start over, to forget about what happened in New York. But in a darkened room in Soho House everything suddenly changed. She is like no one he's ever met before. She doesn't know about his past and never can. The problem is, hidden bodies don't always stay that way. Praise for You: 'THRILLER OF THE YEAR' Daily Mail 'I am RIVETED, AGHAST, AROUSED you name it. The rare instance when prose and plot are equally

delicious' Lena Dunham 'Hypnotic and scary' Stephen King 'Brilliant thriller with attitude, guts and true insight into the nature of obsession' Sophie Hannah 'A fantastically creepy thriller.... The kind of book you put your life on hold for' Glamour 'Clever and chilling' Elle 'A brilliant tale ... It's Gone Girl meets a sinister version of Girls' Marie Claire 'An addictive thriller!' Closer [Mama, Do You Love Me?](#) - Barbara M. Joosse 2017-11-28 In this beautifully illustrated children's book, a heartwarming tale of motherly love unfolds in the Arctic north. In a timeless and universal story, a child tests the limits of independence and comfortingly learns that a parent's love is unconditional and everlasting. The lyrical text introduces young readers to a distinctively different culture, while at the same time showing that the special love that exists between parent and child transcends all boundaries of time and place. The story is complemented by graphically stunning illustrations featuring whales,

You Love Me - Caroline Kepnes
2021-04-06

NEW YORK TIMES
BESTSELLER • Can't get enough of Joe Goldberg? Don't miss the latest thriller in Caroline Kepnes's compulsively readable You series, with an all-new plot not seen in the blockbuster Netflix show. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE • "Fiendish, fast-paced, and very funny."—Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* Joe Goldberg is done with the cities. He's done with the muck and the posers, done with Love. Now he's saying hello to nature, to simple pleasures on a cozy island in the Pacific Northwest. For the first time in a long time, he can just breathe. He gets a job at the local library—he does know a thing or two about books—and that's where he meets her: Mary Kay DiMarco. Librarian. Joe won't meddle, he will not obsess. He'll win her the old-fashioned way . . . by providing a shoulder to cry on, a helping hand. Over time, they'll both heal their wounds and begin

their happily ever after in this sleepy town. The trouble is . . . Mary Kay already has a life. She's a mother. She's a friend. She's . . . busy. True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He's ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

I Need You To Hate Me -

Genicious 2021-01-21

A passionate and enthralling
college romance. Two damaged
souls on a path to obliteration.
When they collide, will they
heal each other, or are they
damaged beyond repair?

What's worse than losing
someone you love? Blaming
yourself for their death. Two
years after a devastating
accident, Calla is still full of
guilt. But beyond the blame,
other demons are prowling.
Post-traumatic stress disorder.
Poor grades. Insomnia.

Estrangement. Calla is hopeful
for a fresh start. A new
beginning. She's in for an
inscrutable surprise when her
path collides with Ace's. Ace is
an asshole-there's no denying
that. He's rude, arrogant, and
impulsive. A magnetic force
comes out to play, hurling
Calla into Ace at full speed
without brakes to decelerate.
And there's no fighting fate, no

matter how cruel or unfair it
seems. Soon, Calla is addicted.
Addicted to Ace-addicted to the
elation he makes her feel. And
she realizes that perhaps, they
aren't so different after all.
However, secrets are deeply
entrenched and woven through
their souls. When they finally
unveil, will Calla be able to
look past them, or will
everything shatter beneath
her?
