All I Want for Christmas -

Amy Silver 2011-08-31

Twelve days and counting... It's Bea's first Christmas with her baby son, and this year she's determined to do everything right. But there is still so much to do: the Christmas menu needs refining; her café, The Honey Pot, needs decorating; and she's invited the whole neighbourhood to a party on Christmas Day. She really doesn't have time to get involved in two new people's lives, let alone fall in love...

When Olivia gets knocked over

in the street, however, Bea can't help bringing her into The Honey Pot and getting to know her. Olivia's life is even more hectic than her own, and with her fiancé's entire family over from Ireland for Christmas, she shouldn't be lingering in the cosy warmth of Bea's café. Chloe, on the other hand, has nowhere else to go. Her affair with a married man has alienated her friends, and left her lonelier than ever. But Christmas is a magical time, and in the fragrant atmosphere of The Honey Pot, anything can

As Nell throws herself into restoring the honey farm, she starts to unlock the truth of what happened all those years ago. She soon learns that the course of true love - just like Cretan honey - can be wild and sweet. And well worth the wait... Jo Thomas takes you there. But right before what should have been the most epic summer, Sloane just...disappears. All she leaves behind is a to-do list. On it, thirteen Sloane-inspired tasks that Emily would normally never try. But what if they could bring her best friend back? Apple picking at night? Okay, easy enough. Dance until dawn? Sure. Why not? Kiss a stranger? Um... Emily now has this unexpected summer, and the help of Frank Porter (totally unexpected), to check things off Sloane's list. Who knows what she'll find? 'Some

everything. The girl he once knew has grown into a sensual woman with a smile he can't get out of his mind. Taking care of her sick grandmother, Emilia Campbell has a lot on her plate. Still, she faces everything with a positive attitude. When the childhood friend she hero-worshipped steps into her physical therapy clinic, she is over the moon. Max is every bit the troublemaker she remembers, only now he has a body to drool over and a smile to melt her panties. Not that she intends to do the former, or let the latter happen. They are both determined not to cross the boundaries of friendship...at first. But as they spend more time together, they form an undeniable bond and their flirty banter spirals out of control. Max knows Emilia is off-limits, but that only makes her more tempting. Besides, Max was never one to back away from a challenge. When their chemistry becomes too much to resist and they inevitably give in to

temptation, will they risk losing their friendship or will Max and Emilia find true love?

The German Lesson - Siegfried Lenz
2021-03-30

In this quiet and devastating novel about the rise of fascism,

Meine Geschichte

~~Siggi Jepsen, incarcerated as a juvenile delinquent, is assigned to write a routine German lesson on the "The Joys of Duty."~~ Overfamiliar with these joys, Siggi sets down his life since 1943, a decade earlier, when as a boy he watched his father, a constable, doggedly carry out orders from Berlin to stop a well-known Expressionist artist from painting and to seize all his "degenerate" work. Soon Siggi is stealing the paintings to keep them safe from his father. "I was trying to find out," Lenz says, "where the joys of duty could lead a people."

Machines Like Me - Ian McEwan
2020-03-03

A gripping novel in which synthetic humans have become reality and quickly complicate matters of identity, life, and love: *Machines Like Me* is pure page-turning, thought-provoking Ian McEwan. Set in an alternative 1982

London—where Britain has lost the Falklands War, Margaret

Love Your Neighbour Es Geht Nicht Um Mich Aber Es Ist

Meine Geschichte

Thatcher battles Tony Benn for power, and Alan Turing achieves a breakthrough in artificial intelligence—Machines Like Me powerfully portrays two lovers who will be tested beyond their understanding. Charlie, drifting through life, is in love with Miranda, a bright student who lives with a terrible secret. When Charlie comes into money, he buys Adam, one of the first batch of synthetic humans. With Miranda's assistance, he co-designs Adam's personality. The near-perfect human that emerges is beautiful, strong, and clever—and a love triangle soon forms. These three beings will soon confront a profound moral dilemma. Ian McEwan's subversive, entertaining new novel poses fundamental questions: What makes us human? Could a machine understand the human heart? Do we want the power to invent things beyond our control?

Life Is _____ Bible Study Guide -

Judah Smith 2015-03-10

Simple Truths to Find Love,

~~Enjoyment, Trust, and Peace~~
with God What is life? What are we here for? What is truly important? What will bring authentic satisfaction and lasting happiness? We all ask these questions, and we all have a right to come to our own conclusions. In this follow-up to his New York Times and USA Today bestseller *Jesus Is _____*, Judah completes this sentence as to what “life is,” revealing how it is to be loved and to love, to enjoy God to the fullest, to trust God in every moment, and to be at peace with God, others, and ourselves. Judah writes as a friend, welcoming to the discussion new believers, lifelong followers of Jesus, and even the merely curious. In this six-session video based study (DVD/digital video sold separately), Judah shows us the irrational love of God and the life that he intends for us to have in the here and now. With excitement and humor, he looks at the stories in the Bible from a different angle and shows how life is all about loving God and loving others.

Love Your Neighbour Es Geht Nicht Um Mich Aber Es Ist

This study guide includes leader helps, discussion questions, conversation starters, and between-session activities to enhance application of Judah's teaching. Sessions include: Life Is . . . to Be Loved by God Life Is . . . to Love Others Life Is . . . to Trust God Life Is . . . to Be at Peace with God Life Is . . . to be at Peace with Yourself Life Is . . . to Enjoy God Designed for use with the Life Is ___ Video Study 9780718030735 (sold separately).

Invisible Ellen - Shari Shattuck 2014-05-29

In the bestselling tradition of Jennifer Weiner, a clever, funny yet poignant novel about the friendship between two absolutely unforgettable women. "Shattuck delivers strong, well-balanced characters and clever dialogue, making this both a fun read and a satisfying story of personal transformation."
—Booklist For many of us, there comes a moment when we wish we were invisible. For Ellen Homes, not only does she wish it . . . she actually lives it.

Meine Geschichte

~~She spends her days quietly~~ observing but unobserved, watching and recording in her notebooks the lives of her neighbors, coworkers, and total strangers. Overweight, socially stunted, and utterly alone, one night Ellen saves a blind young woman from being mugged. Then everything changes. Character-driven, poignant, and leavened with touches of humor and witty dialogue, *Invisible Ellen* is a remarkable novel about personal transformation, morality, the power of friendship, and the human need for connection with others.

The Mirror World of Melody Black - Gavin Extence
2015-03-12

It all starts, as these things sometimes do, with a dead man. He was a neighbour, not someone Abby knew well, but still, finding a body when you only came over to borrow a tin of tomatoes, that comes as a bit of a shock. At least, it should. And now she can't shake the feeling that if she hadn't gone into Simon's flat, if she'd had her normal Wednesday night

instead, then none of what happened next would have happened. And she would never have met Melody Black . . . Wild and witty, searing and true, **THE MIRROR WORLD OF MELODY BLACK** is about the fine line that separates normal from not - and how life can spin, very swiftly, out of control.
