Alex always thought Will was the very air she breathed, but life has a way of casting doubts on the one thing she thought was absolute . . . their love. The Girl Who Just Wanted To Be Loved - Angela Hart 2016-08-11

The Girl Who Just Wanted To Be Loved is a heart wrenching true story from foster mum and Sunday Times bestseller Angela Hart. Eight-year-old Keeley looks like the sweetest little girl you could wish to meet, but demons from the past make her behaviour far from angelic. She takes foster carer Angela on a rocky and very demanding emotional ride as she fights daily battles against her deep-rooted psychological problems. Can the love and specialist care Angela and husband Jonathan provide help Keeley triumph against the odds? This is a true story that shares the tale of one of the many children Angela has fostered over the years. Angela's stories show the difference that quiet care, a watchful eye and sympathetic ear can

make to children who have had more difficult upbringings than most.

woman's reckoning with life, death and choice in Trump's America. For readers of *Educated* and *Hillbilly Elegy*. In 2017, Christa Parravani had recently moved her family from California to West Virginia. Surviving on a teacher's salary, she was already raising two young children with her husband, screenwriter Anthony Swofford. Another pregnancy, a year after giving birth to her second child, came as a shock. Christa had a history of ectopic pregnancies and was worried that she wouldn't be able to find adequate medical care. She immediately requested a termination - but her doctor refused to help. The only doctor who would perform an abortion made it clear that this would be illicit, not condoned by her colleagues or their community. In exploring her own choice, or rather in discovering her lack of it, Christa reveals the desperate state of female healthcare in contemporary America. 'A brutally honest, rollercoaster of a journey that left me championing her bravery.' Esther Freud 'I will never forget this book. Read it. This is all I can say.' Rachel Louise Snyder 'Stunningly good' The Bookseller 'Everyone should read this book' Sarah Mansugo

Reading Like a Writer - Francine Prose
2012-04-01

DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart - to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O'Connor for the cunning use of the telling detail; to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

Safe, Wanted, and Loved - Patrick Dylan 2021-04-15

"Pat, we need to kill the dog." A chill ran down Patrick Dylan's spine as his wife spoke--psychosis had found their family again. When a sudden mental illness struck his wife, Patrick Dylan found himself living with an eerie stranger. Scared and unprepared, he began a desperate battle to protect her from a mysterious disease, shelter their children from her bizarre behavior, and recover the woman he loved. For years, Patrick and Mia Dylan enjoyed an intimate marriage that exemplified partnership. They worked together to create a loving home for their two children, enjoyed a close relationship with their extended family, and offered mutual support during hard times. But on the morning of Mia's thirty-ninth birthday, everything changed. Within weeks, she had been admitted to the emergency room, the hospital, and the local crisis facility, but none of the experts could provide an answer. As her illness eluded diagnosis, the family's struggle was only beginning. A brave memoir in the tradition of "Brain on Fire," Dylan's "Safe, Wanted, and Loved" is a compassionate, honest, and gripping account of a family navigating mental illness.
