Dark Lover - J. R. Ward

2011-02-03

In the shadows of the night in Caldwell, New York, there's a deadly turf war going on between vampires and their slayers. There also exists a secret band of brothers like no other - six vampire warriors, defenders of their race. Among them, none relishes killing their enemies more than Wrath, the leader of the Black Dagger Brotherhood... The only pure-bred vampire left on the planet, Wrath has a score to settle with the slayers who murdered his parents centuries ago. But when one of his most trusted fighters is killed - orphaning a half-breed daughter unaware of her heritage or her fate - Wrath must usher the beautiful female into the world of the undead... Racked by a restlessness in her body that wasn't there before, Beth

Randall is helpless against the dangerously sexy man who comes to her at night with shadows in his eyes. His tales of brotherhood and blood frighten her. But his touch ignites a dawning hunger that threatens to consume them both...

Ward's #1 New York Times bestselling paranormal romance series. Caldwell, New York, has long been the battleground for the vampires and their enemies. It's also where Rehvenge has staked out his turf as a drug lord and owner of a notorious nightclub that caters to the rich and heavily armed. His dangerous reputation is exactly

why he's approached to kill the leader of the Black Dagger Brotherhood—Wrath, the Blind King. Rehvenge is used to living in the shadows and keeping his distance from the Brotherhood. As a sympath, his identity is a deadly secret—the revelation of which will result in his banishment. But as Rehvenge is pulled into plots both within and outside of the Brotherhood, he turns to the only source of light in his darkening world. Ehlena is a vampire untouched by the corruption that has its hold on him—and the only thing standing between Rehvenge and eternal destruction...

Paradise, blooded daughter of the king's First Advisor, is ready to break free from the restrictive life of an aristocratic female. Her strategy? Join the Black Dagger Brotherhood's training center program and learn to fight for herself, think for herself...be herself. It's a good plan, until everything goes wrong. The schooling is unfathomably difficult, the other recruits feel more like enemies than allies, and it's very clear that the Brother in charge, Butch O'Neal, a.k.a. the Ddestroyer, is having serious problems in his own life. And that's before she falls in love with a fellow classmate. Craig, a common civilian, is nothing her father would ever want for her, but everything she could ask for in a male. As

an act of violence threatens to tear apart the entire program, and the erotic pull between them grows irresistible, Paradise is tested in ways she never anticipated--and left wondering whether she's strong enough to claim her own power...on the field, and off.
