

Loving Sex For Both Sexes

Room to Love - Pascale Carrington 1996

Where There is Love, There is No Gender - Dee Weldon-Bird 2020-01-15

Like a photo that captures a moment, I am sharing moments of my life that highlight and explain how love exists in every detail of your life. Love is glamorised, used, abused, and sold. Love is all you need and all you have.

Understanding love makes your life unique. You are love. How love is handled creates the story.

This insightful book will bring you understanding of love, sex, and relationships.

Time runs fast so we end up living on empty. You have more control than you think if you stop what you are doing and observe. Life can run away with us. My life started out in my search for love and has taken me to where I am now. I didn't stop when I found my self-love. I didn't stop when I shared my love. I didn't stop when I had everything that I needed in my life. I felt, what is the point in knowing all this knowledge if I don't share it? This is why I took ten years out of my life to gather all this wisdom and write it over five books so that I could share it with you.

I didn't share it because I wanted to make money. I didn't share it to be a celebrity. I shared it because I love you all and want you to have access to 100 percent of you.

How to Make Great Love to a Woman - Anne Hooper 2003-11-13

As agony aunts and long-term partners, Anne Hooper and Phillip Hodson are more than aware that men and women see sex differently. In 'How to Make Love to a Woman' they discuss the fundamental differences in men and women's expectations of sex, and how these differences can be reconciled to both partner's satisfaction. Beautifully designed and illustrated throughout with photographs and line drawings, this unique book helps men understand women and women understand themselves.

Love - Bernard Simon Talmey 1933

Sex, Love, and Gender - Helga Varden 2020

Helga Varden rethinks Kant's work on human nature to make space for sex, love, and gender within his moral account of freedom. She shows how Kant's philosophy provides us with resources to appreciate and value the diversity of human ways of loving and the existential importance of our embodied, social selves.

Love and Sex in D. H. Lawrence - David Ellis 2016-02-11

Although love and sex are central to Lawrence, critics have paid surprisingly little attention to the way these two topics are treated in his work. Reasons for this are suggested in the preface to this book which is written in the spirit of Wittgenstein's claim that, when we are puzzled or challenged by a phenomenon, we should be less concerned with seeking new knowledge than putting into order what we already know. Yet those concerned by the present dip in Lawrence's reputation (among academics, if not the general public) have to be worried by how strange and unexpected the results are when Lawrence's dealings with love and sex are followed throughout his life and career. This is what this book undertakes to do, describing how the tortuous developments in his relationship with Jessie Chambers are reflected in his writing, his struggle against his undoubted leanings towards homosexuality, the war he declared on the concept of romantic love and how, after insisting on the idea of male dominance, he returned (although only in part) to a more humane vision of relations between the sexes in the various versions of *Lady Chatterley's Lover*. Its aim is to suggest that although Lawrence is undoubtedly a major writer, his greatest achievements are not to be found where he is popularly assumed to be at his most impressive and that the authority he assumes, in his last years, when he lectures the young on love and sex, ought to be regarded as dubious.

Woman, Man, Bangkok - Scot Barmé 2002

During the early decades of the twentieth century, Thailand's capital, Bangkok, took on an

increasingly cosmopolitan character—a development fueled both by global economic forces and a local revolution in communications. The 1920s were a particularly dynamic period of social and cultural transformation that had a profound impact on the development of Thai modernity. This book examines the growth of a polyphonous and often vociferous Thai public, a public that used a range of new media outlets to express themselves and clamor for a more just and equitable social order. Scot Barmé mines a rich lode of previously ignored cultural ephemera found in popular newspapers, magazines, novels, short stories, film booklets, and cartoons to create a vibrant cultural history of early modern Thailand that moves beyond conventional, elite-based historical studies of the period. By focusing on such controversies and conflicts as the status of women, relations between the sexes, class antagonisms, and the growth of a commercial mass culture, this book offers a new interpretation of the key decade of the 1920s and its significance for contemporary Thailand.

From Cuba with Love - Megan Daigle

2015-01-16

"Megan Daigle explores the role of women in Cuban political culture by examining the rise of economies of sex, romance, and money since the early 1990s. Investigating the lived realities of the Cuban women (and some men) who date tourists and offering a unique perspective on the surrounding debates, *From Cuba with Love* raises issues about women's bodies—what they can or should do and, equally, what can be done to them. Daigle draws attention to the violence experienced by these young women at the hands of a moralistic state, an opportunistic police force, and even their own families and partners. Daigle's provocative perspective will make readers question how race and politics in Cuba are tied to women and sex, and the ways in which political power acts directly on the bodies of individuals through law, policing, institutional programs, and social norms"—Provided by publisher.

Lust, Love, Sex and Relationships - Marilyn Mercer 2019-10-23

The description of this book really is in the title. A sometimes risky poetry book, it is written for everyone who has been in a relationship or

dated an undatable, or those of us who have done all that and fallen for our soul mates. Some of it is a little saucy and other poems are touching and for the sentimental of us. Some of the poems are connected with sometimes one more, by either their characters, or the subject matter. eg; *Tinder Man and Tinder Woman* are connected by viewing dating apps from both sexes.

A Woman's Guide to Loving Sex - Tricia Barnes 1992

Offering women of all ages advice on discovering more about their sexuality, this book aims to encourage greater assertiveness and skill in identifying and satisfying your sexual needs and desires. It aims to ensure that, whether the earth moves or not, sex is always loving and caring.

Loving Sex - Caitlin Claire Diehl M a 2014-06-04

This is a sexual relationships book, not a sex manual. There will be no diagrams or tips about technique. What you will find are thoughts, reflections, stories and decidedly personal opinions about what makes for a good sexual relationship. My goal is for this book to be your friendly confidante—an older sister, best friend, mother, or aunt—who loves and supports you, wanting only the best for you as you set out to become the fabulous woman you are meant to be. In each chapter various women, ranging in age from their 20's to 70's, share their coming-of-age stories in the hope that their life experience might be of use to you. All of us in these pages hold up the truth of our lives to serve as lampposts as we shine our light to illuminate your own, unique path. This is our gift to you. (From the introduction of *Loving Sex*).

Learning to Love - J. Wilson 1999-11-10

Nobody thinks love unimportant, but we are not as clear as we should be about what love involves, and about what it is to learn to love. This book is primarily concerned with personal love between the sexes (or between members of the same sex). It is a mixture of analytic philosophy and depth-psychology, but free from jargon and technicality. Its main aim is to help us to understand the nature and value of love, and to grasp the difficulties we have to face when engaging with it.

Lip Service - Kate Fillion 1996

In *Lip Service*, journalist Kate Fillion challenges

our cherished convictions about women's natural instincts and shows how our most ingrained beliefs about gender differences actually blind us to the complexities and contradictions in women's and men's behavior. More important, she demonstrates in powerful terms how confining and self-destructive this skewed perspective is for women in all aspects of their lives - including office politics, their intimate relationships with men, their friendships with women, and their own self-images.

Rewriting the Rules - Meg Barker 2012

We live in a time of great uncertainty about relationships. We search for "The One," but find ourselves staying single because nobody measures up. The reality of our relationships is not what we expected, and it becomes hard to balance it with all the other things that we want out of life. At the same time that marriage shows itself to be the one 'recession proof' industry; the rates of separation and break-up soar ever higher. *Rewriting the Rules* is a friendly guide through the complicated - and often contradictory - rules of love: the advice that is given about attraction and sex, monogamy and conflict, gender and commitment. It asks questions such as: which to choose from all the rules on offer? Do we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? This book considers how the rules are being 'rewritten' in various ways, for example the 'new monogamy', alternative commitment ceremonies, different ways of understanding gender, and new ideas for managing conflict and break-up where economics and child-care make complete separation a problem. In this way *Rewriting the Rules* gives the power to the reader to find the approach which fits their situation.

What Women Want Men to Know - Barbara De Angelis 2013-05-21

FINALLY -- THE BOOK ON RELATIONSHIPS WOMEN HAVE BEEN WAITING TO READ -- AND GIVE TO THE MAN THEY LOVE! You've seen her on TV. You've read her advice on relationships. Now, in her most powerful and provocative book yet, best-selling author and renowned human relations expert Barbara De Angelis, Ph.D., reveals everything women want men to know about loving and understanding the women in their life. This is the book women have

always hoped someone would write -- one that women will read to understand themselves better, and can give to their mate, confident that it will explain everything women feel about love, communication, sex, and intimacy that they've always wished men would know. *WOMEN AND MEN WILL DISCOVER: The Three Secret Needs Every Woman Has Seven Myths Men Believe About Women and Why They Are Absolutely Wrong How to Avoid Turning a Perfectly Sane Woman into a Raving Maniac Women's Top Twenty Sexual Turn-offs -- and Turn-ons The Ten Male Communication Habits that Drive Women Crazy Sexual Secrets About Women Men Need to Know How to Turn Power Struggles into Cooperation Techniques for Being the Perfect Lover In and Out of Bed* and much more. *IF YOU'RE A MAN: Read this book to learn what you can do to be a woman's dream come true. IF YOU'RE A WOMAN: Read this book to learn why you are the way you are, and give it to the man you love so you can have the relationship you've always wanted.* Ever since Barbara De Angelis wrote the #1 New York Times bestseller *Secrets About Men Every Woman Should Know*, her readers have been begging her to write its counterparts book for both sexes that explains what women want men to know about understanding and loving the woman in their life. Delivered in her signature frank, provocative and down-to-earth style, this new book does just that, and is an insightful guide that women will read to learn more about themselves, and that they will be excited to give to the man they love. *HELPING MEN TO UNDERSTAND WOMEN* Have you ever wondered why it's so hard for your mate to figure out what you need when your female friends understand you perfectly? Learn about *The Three Secret Needs Every Woman Has*, and how to communicate them in a way men can really hear. Have you ever felt misunderstood, and wished you could explain to your partner how you really are? Read about *The Seven Myths Men Believe About Women and Why They Are Absolutely Wrong*. Barbara includes groundbreaking information on the nature of women that will make you feel better about yourself than ever before, and will help men understand the real you.

Hot and Bothered - Wendy Dennis 1994-03-05
Downloaded from
legacy.opendemocracy.net on 2021-01-07
by guest

An erotic road map for our time, this witty, compassionate, and often outrageous guide to modern living is full of hundreds of interviews about sex in the age of AIDS, career pressures invading the bedroom, and politically correct coupling.

Loving Sex for Both Sexes - Dale Bick Carlson
1979-01-01

Presenting sex as a simple, normal, healthy instinct, provides factual knowledge about sex and discusses feelings, attitudes and decisions about sex that affect our lives.

A Preliminary Study of the Emotion of Love Between the Sexes - Sanford Bell

The New Women and the Old Men - Ruth Brandon 1990

Love, Sex, and Romance - Sergio Garcia 2002
We spend so much time worrying about the little things in life, money, objects, bills, insignificant things really. We give these things much more importance than they deserve because these things are so truly trivial when compared to the significant things in life like love, health, family, and friends. We allow these trivial things to constantly overwhelm us and worry us sick. We always wish for the future, as opposed to rejoicing in the present and appreciating life for what it truly is, a gift, an opportunity to love and to be loved and by doing so opening our eyes to a truly beautiful reality, a reality we fail to see without love. We fail to see the true beauty of life, the beauty of a brand new morning, the beauty of a butterfly resting in a rose, or the sweet melodies the bird sing. Instead, we focus on the petty things, and by so doing we keep ourselves from achieving the true happiness we seek. Time and time again I have encountered unhappiness in life and particularly in relationships. People do not understand why their relationships are not going in the right direction. People wonder why they are not as happy as they wish they could be, and usually the reason for this is not an insurmountable one. This unhappiness is mostly caused by a lack of communication, lack of trust, lack of honesty, lack of attention or understanding. Sometimes a combination of these prevents us from achieving

true happiness, but they can be overcome, and with my help and your willingness to change, you will achieve just that. These problems, unfortunately, are very common, but there is a solution, a simple solution I want to share with you. I want to change the status quo by providing you with the tools you will need to overcome these problems. I want to provide you with the tools you need to more successfully approach your love interest, to better deal with your significant other, and to even improve your marriage and everyday life. I will show you how to communicate, appreciate, and better understand your partner; above all, I will help you love again. The reason behind this book being written is the beautiful feeling one feels as soon as one falls in love, a feeling that should never disappear. It should evolve and become more objective, but no less beautiful; the flame of love should never vanish. The honeymoon period, whether you are married or have just entered into your first relationship, should not fade and pass; it should just transform and it can! It will require a little effort and awareness of each other's preferences, but remember all worthwhile endeavors do. The origin of this book then rests in the predominant lack of understanding between the sexes, in the predominant complaint, "My boyfriend pays more attention to his car than to me," as well as "My wife is always nagging; no matter what I do, she's never happy." The origin of this book is due to the strong belief that I can change that, that I can provide you, the reader, with a happy medium. I strongly believe that I can show you how to meet halfway, and become a happier person and a happier couple in the process. I believe that I can help change those statements to something more positive. I believe I can change those statements to something like: "my boyfriend enjoys spending time working on his car, but he loves me; I'm the most important thing in his life" or "my wife is the greatest - she knows how much I love her, and she knows any opportunity I get I want to be with her because I'm the most important person in her life." Maybe you noticed the use of "thing" and "person" and that is a purposeful mistake, as you will soon learn.
