Trump: The Prison Diaries Lucien Young, 2023-10-12 In this explosive first-person account of swapping the White House for the Big House, Donald Trump aims to Make Prison Great Again. MARCH 31 It's been two weeks since they put me in The Hole. Very unfair! No-one is treated as unfairly as Trump. Many people say that solitary confinement is a kind of torture. I'm not so sure. I'm getting to spend a lot of time with my favourite person in the world. I say to him: Mr President, remember when you met Bo Derek at the PGA Tour Championship? She had the hots for you, believe me. And he'll reply: I agree, Mr President. Also, I was a better golfer than anyone in the tournament. And that's without cheating, which I would never do, believe me. So I'm doing amazing. Incredibly well. Some would say I'm the best Hole Guy ever. Not like those losers who go nuts... Of course the verdict was VERY UNFAIR - they were meant to be a jury of his peers, but none of them were billionaires. Still, the trial got AMAZING ratings. Now locked up in Smallhand State Prison, our presidential protagonist goes full Samuel Pepys and attempts the first BESTSELLER to be written entirely on toilet paper. Life inside is tough for Trump: he experiences withdrawal symptoms from social media and is no longer able to watch Fox News all day. But he soon realises that incarceration isn't a punishment, it's an OPPORTUNITY, and attempts to conquer the clink as he once conquered AMERICA. Can Donald rise to become prison kingpin, smuggling McDonald's Filet-O-Fish and tutoring fellow inmates in the Art of the Deal? Interspersed with reports from Smallhand's resident psychologist, *Trump: The Prison Diaries* is a satirical riot - *The Apprentice* meets *The Shawshank Redemption*. So brace yourself, because orange is the new orange.

Make Russia Great Again Christopher Buckley, 2021-06-15 Herb Nutterman, a long-time Trump Organization employee, unexpectedly becomes President Trump's White House chief of staff and finds himself entangled in Russian intrigue and leading the president's reelection campaign.

Trumpisms Seth Millstein, 2015-12-15 One may think that Donald Trump knows what he's talking about. After all, the man—as he'll remind you at every opportunity—has made a whopping \$4 million as an entrepreneur and is far ahead of his competitors in the race to become the republican nominee for the 2016 presidential election. He's also assertive, bold, self-assured, and argumentative. He talks as if he knows what he's talking about. And then reality sets in. He can't actually believe the ludicrous things that come out of his mouth. Or can he? This brilliant, hilarious, and horrifying collection is a compilation of more than one hundred of the most mind-boggling, insane, crass, ignorant, and downright offensive statements he's made, Tweeted, or otherwise written. We'll cover his thoughts on public policy, international relations, President Barack Obama, his opponents, himself—and much, much more. So buckle up, America, because common sense, experience, grace, and political knowledge—who needs them? As Trump said, he will be one of the greatest presidents “that God ever created.”

Amusing Ourselves to Death Neil Postman, 2005-12-27 What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman.” -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones

to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. “A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one.” –Jonathan Yardley, The Washington Post Book World

Time to Get Tough Donald J. Trump, 2024-07-23 The Book That Launched MAGA Nation The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won sixty-two million votes and the Oval Office in 2016. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” He still does. Donald Trump puts “America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.” He made the biggest deals of his life as President of the United States, but there are more deals to be made. From ending the border crisis to enacting policies to eliminate regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” It is Time to Get Tough

How To Stop Brexit (And Make Britain Great Again) Nick Clegg, 2017-10-12 *THE SUNDAY TIMES BESTSELLER* Keep calm – but do not carry on. There is nothing remotely inevitable about Brexit – except that it will be deeply damaging if it happens. Extricating Britain from Europe will be the greatest challenge this country has faced since the Second World War. And as negotiations with the EU expose the promises of the Brexit campaign to have been hollow, even some Brexit-voters now wish to exercise their democratic right to change their mind, seeing that the most pragmatic option is to ... stop. It would certainly be the best thing for Britain. But how can it be done? Haven’t the people spoken? No. In this indispensable handbook, Nick Clegg categorically debunks the various myths that have been used to force Brexit on Britain, not by ‘the people’ but by a small, extremely rich, self-serving elite, and explains precisely how this historic mistake can be reversed – and what you can do to make sure that it is.

The Man Who Came Uptown George Pelecanos, 2018-09-04 From the bestselling and Emmy-nominated writer behind HBO's We Own This City: a gripping, surprisingly soulful mystery about an ex-offender who must choose between the man who got him out and the woman who showed him another path (Entertainment Weekly). Michael Hudson spends the long days in prison devouring books given to him by the prison's librarian, a young woman named Anna who develops a soft spot for her best student. Anna keeps passing Michael books until one day he disappears, suddenly released after a private detective manipulated a witness in Michael's trial. Outside, Michael encounters a Washington, D.C. that has changed a lot during his time locked up. Once shady storefronts are now trendy beer gardens and flower shops. But what hasn't changed is

the hard choice between the temptation of crime and doing what's right. Trying to balance his new job, his love of reading, and the debt he owes to the man who got him released, Michael struggles to figure out his place in this new world before he loses control. Smart and fast-paced, *The Man Who Came Uptown* brings Washington, D.C. to life in a high-stakes story of tough choices.

The Dangerous Case of Donald Trump Bandy X. Lee, 2019-03-19 As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, *The Dangerous Case of Donald Trump* was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA's "Goldwater rule," which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of *The Dangerous Case of Donald Trump* argue that their moral and civic duty to warn supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It's not all in our heads. It's in his.

The New Jim Crow Michelle Alexander, 2012-01-16 Once in a great while a book comes along that changes the way we see the world and helps to fuel a nationwide social movement. *The New Jim Crow* is such a book. Praised by Harvard Law professor Lani Guinier as brave and bold, this book directly challenges the notion that the election of Barack Obama signals a new era of colorblindness. With dazzling candor, legal scholar Michelle Alexander argues that we have not ended racial caste in America; we have merely redesigned it. By targeting black men through the War on Drugs and decimating communities of color, the U.S. criminal justice system functions as a contemporary system of racial control—relegating millions to a permanent second-class status—even as it formally adheres to the principle of colorblindness. In the words of Benjamin Todd Jealous, president and CEO of the NAACP, this book is a call to action. Called stunning by Pulitzer Prize-winning historian David Levering Lewis, invaluable by the *Daily Kos*, explosive by *Kirkus*, and profoundly necessary by the *Miami Herald*, this updated and revised paperback edition of *The New Jim Crow*, now with a foreword by Cornel West, is a must-read for all people of conscience.

European Prison Rules Council of Europe. Committee of Ministers, 2006-01-01 This publication examines the rules in

force in Europe governing prisons and the treatment of prisoners, including the use of force, the selection of prison staff and the protection of prisoners' human rights, based on Recommendation Rec (2006) 2 on the European Prison Rules (which was adopted by the Committee of Ministers of the Council of Europe in January 2006). It contains the text of the recommendation with a detailed commentary on it, together with a report which considers recent developments and analyses the effectiveness of these rules and of imprisonment as a form of punishment.

American Tantrum Anthony Atamanuik, Neil Casey, 2018-10-23 A devastatingly hilarious satire that cuts closer to the truth of than any nonfiction account: The creator and star of Comedy Central's acclaimed *The President Show* opens the vault and imagines Donald J. Trump's presidential archives, exposing documents from his childhood in Queens to his toddlerhood in the Oval Office. The Presidential Archives. Every other president has made a mess of it. Barack Obama is currently spending millions of dollars (probably trillions, if you want to know the truth) building a monument to himself. And they don't even charge admission at these places! No wonder this country is a zillion dollars in debt. And what's the point?!: These guys are already out of office and old news. We hate to say it, folks, but the presidential library is totally broken and needs to be made great again. America, we herewith present the FIRST AND ONLY presidential library to be released in real time, while the president is still in office. (Why delay?) But wait, THERE'S MORE! Who wants the hassle of having to go to some boring building in the middle of nowhere? (The Eisenhower Library is in Abilene, Kansas - yikes!) What if you could have your favorite president's library delivered to your home, today! THAT'S NOT ALL! What if you could carry that library with you EVERYWHERE! Introducing THE DONALD J. TRUMP PRESIDENTIAL ARCHIVES: VOLUME 1. It's all here: the 45th U.S. president's letters, diaries, Oval Office recordings, Moscow hotel tapes, grand jury testimony, sealed indictments, financial records, subpoenas, dossiers, Michael Cohen recordings, AND SO MUCH MORE! Never has wisdom been so accessible! It's the last book you will ever need to buy. Or maybe just the last book published, period. Get yours NOW before the first amendment is abolished! Don't miss VOLUME 2: THE PRISON YEARS - coming soon! Hopefully!

Redemption Through the Eyes of the Condemned John D Montana, 2022-04-13 Not just another commentary on Romans, *Redemption through the Eyes of the Condemned* makes Paul's letter come alive with a fresh perspective, from a context reminiscent of Paul's—that of a convicted felon in prison. The combination of a seminary degree, fourteen years in a state penitentiary, and eight years of teaching Romans affords John Montana the ability to see parallels to prison life that can help all readers grasp Paul's most theologically dense letter. Not only are terms such as condemnation, justification, redemption, law, patience, and hope all too familiar to the prisoner, concepts such as the old and new realm, the already/not yet tension, and corporate identity dominate in the prison experience. Montana's surprisingly accurate illustrations connect these terms and concepts to prison life and help clarify not only the more difficult passages in Romans but will stir readers to a reinvigorated viewpoint that will help enrich their devotion to the Lord.

Disloyal: A Memoir Michael Cohen, 2020-09-08 A #1 New York Times Bestseller! I read it cover-to-cover. I did not intend to, but I started at the beginning and didn't put it down until it was over.—Rachel Maddow, MSNBC This book almost didn't see the light of day as government officials tried to bar its publication. The Inside Story of the Real President Trump, by His Former Attorney and Personal Advisor—The Man Who Helped Get Him Into the Oval Office Once Donald Trump's fiercest surrogate, closest confidant, and staunchest defender, Michael Cohen knows where the skeletons are buried. This is the most devastating business and political horror story of the century. As Trump's lawyer and "fixer," Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump's business empire, political campaign, and presidential administration. This is a story that you have not read in newspapers, or on social media, or watched on television. These are accounts that only someone who worked for Trump around the clock for over a decade—not a few months or even a couple of years—could know. Cohen describes Trump's racist rants against President Barack Obama, Nelson Mandela, and Black and Hispanic people in general, as well as the cruelty, humiliation, and abuse he leveled at family and staff. Whether he's exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey, or outing Trump's Neanderthal views towards women or his hush-money payments to clandestine lovers, Cohen pulls no punches. He shows Trump's relentless willingness to lie, exaggerate, mislead, or manipulate. Trump emerges as a man without a soul—a man who courts evangelicals and then trashes them, panders to the common man, but then rips off small business owners, a con man who will do or say absolutely anything to win, regardless of the cost to his family, his associates, or his country. At the heart of *Disloyal*, we see how Cohen came under the spell of his charismatic Boss and, as a result, lost all sense of his moral compass. The real real Donald Trump who permeates these pages—the racist, sexist, homophobic, lying, cheating President—will be discussed, written about, and analyzed for years to come.

Stronger Together Hillary Rodham Clinton, Tim Kaine, Timothy M. Kaine, 2016-09-06 For more than a year, Hillary Clinton has laid out an ambitious agenda to improve the lives of the American people and make our country stronger and safer. *Stronger Together* presents that agenda in full, relating stories from the American people and outlining the Clinton/Kaine campaign's plans on everything from apprenticeships to the Zika virus, including: -Building an economy that works for everyone, not just those at the top. -Making the biggest investment in good-paying jobs since World War II, including infrastructure, manufacturing, clean energy, and small business. -Making debt-free college a reality and tackling the student debt crisis. -Defeating ISIS, strengthening our alliances, and keeping our military strong. -Breaking down the barriers that hold Americans back by reforming our broken immigration system, ending mass incarceration, protecting voting rights, and fixing our campaign finance system. -Putting families first through universal, affordable health care; paid family and medical leave, and affordable child care. *Stronger Together* offers specific solutions and a bold vision for building a more perfect union.

It Can't Happen Here Sinclair Lewis,2017-01-20 'An eerily prescient foreshadowing of current affairs' Guardian 'Not only Lewis's most important book but one of the most important books ever produced in the United States' New Yorker A vain, outlandish, anti-immigrant, fearmongering demagogue runs for President of the United States - and wins. Sinclair Lewis's chilling 1935 bestseller is the story of Buzz Windrip, 'Professional Common Man', who promises poor, angry voters that he will make America proud and prosperous once more, but takes the country down a far darker path. As the new regime slides into authoritarianism, newspaper editor Doremus Jessup can't believe it will last - but is he right? This cautionary tale of liberal complacency in the face of populist tyranny shows it really can happen here.

Reincarnation of Ignorance Dondaycee Keith Millbrook Woodson,2017-08-11 This is a simple book. It is a story composed of twenty-one poems. The story is about me leaving home from the poor working class and going through challenges from eighteen to twenty years of age. Battling teenage emotions while transitioning into the adult world, I hit rock bottom. I started to explore myself, coming across an ego named Kyi and the other years of me, which led me on a journey of enlightenment and educating myself in metaphysics. Overall, its a very blunt documentation of my life, hoping that through honesty and passion, my story will help many find happiness without the attachment to materialistic values.
