

Making Sense Of God

Guy Consolmagno

Making Sense of God Timothy Keller, 2016-09-22 We live in an age of scepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring book, pastor and New York Times bestselling author Timothy Keller invites sceptics to consider that Christianity is as relevant now as ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice and hope - and Christianity provides us with unsurpassed resources to meet all these needs. Written for both sceptic and believer, Making Sense of God shines a light on the profound value and importance of Christianity in our lives.

The Reason for God Timothy Keller, 2009-12-11 As the pastor of an inner-city church in New York City, Timothy Keller has compiled a list of the most frequently voiced 'doubts' sceptics bring to his church, as well as the most important reasons for faith. In THE REASON FOR GOD, he addresses each doubt and explains each reason. Keller uses literature, philosophy, real-life conversations, and reasoning to explain how faith in a Christian God is a soundly rational belief, held by thoughtful people of intellectual integrity with a deep compassion for those who truly want to know the truth.

Making Sense of God Timothy Keller, 2016-09-20 We live in an age of skepticism. Our society places such faith in empirical reason, historical progress, and heartfelt emotion that it's easy to wonder: Why should anyone believe in Christianity? What role can faith and religion play in our modern lives? In this thoughtful and inspiring new book, pastor and New York Times bestselling author Timothy Keller invites skeptics to consider that Christianity is more relevant now than ever. As human beings, we cannot live without meaning, satisfaction, freedom, identity, justice, and hope. Christianity provides us with unsurpassed resources to meet these needs. Written for both the ardent believer and the skeptic, Making Sense of God shines a light on the profound value and importance of Christianity in our lives.

Making Sense of the Bible Adam Hamilton, 2014-03-18 Denominations from evangelical to mainline continue to experience deep divisions over universal social issues. The underlying debate isn't about a particular social issue, but instead it is about how we understand the nature of scripture and how we should interpret it. The world's bestselling, most-read, and most-loved book is also one of the most confusing. In Making Sense of the Bible, Adam Hamilton, one of the country's leading pastors and Christian authors, addresses the hot-button issues that plague the church and cultural debate, and answers many

of the questions frequently asked by Christians and non-Christians alike. Did God really command Moses to put gay people to death? Did Jesus really teach that everyone who is not a Christian will be assigned to hell? Why would Paul command women to “keep silent in the church?” Were Adam and Eve real people? Is the book of Revelation really about the end times? Who decided which books made it into the scriptures and why? Is the Bible ever wrong? In approachable and inviting language, Hamilton addresses these often misunderstood biblical themes leading readers to a deeper appreciation of the Bible so that we might hear God speak through it and find its words to be life-changing and life-giving.

Is God a Moral Monster? Paul Copan, 2011-01-01 A recent string of popular-level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully, a murderer, and a cosmic child abuser. This viewpoint is even making inroads into the church. How are Christians to respond to such accusations? And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments? In this timely and readable book, apologist Paul Copan takes on some of the most vexing accusations of our time, including: God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics, he also shows how to read both the Old and New Testaments faithfully, seeing an unchanging, righteous, and loving God in both.

Timothy Keller: The Reason for God, Making Sense of God and The Prodigal God Timothy Keller, 2018-01-11 The Reason for God: this book has been written for believers and non-believers, sceptics and churchgoers, and charts a brilliantly considered and impassioned path to Christianity - a Mere Christianity for the twenty-first century. Making Sense of God: a prequel to Keller's A Reason for God: a thoughtful look at the role faith and religion can play in modern lives. The Prodigal God: focused on Jesus' best-known parable - the prodigal son - as a paradigm for the central messages of Christianity: grace, hope and salvation.

Why God Makes Sense in a World That Doesn't Gavin Ortlund, 2021-10-26 It has never been more important to articulate the wonder and enchantment of the Christian message. Yet the traditional approaches of apologetics are often outmoded in an age of profound disenchantment and distraction, unable to meet this pressing need. This winsome apologetics book for a new generation makes the case that Christianity offers a compelling explanatory framework for making sense of our world. Pastor and writer Gavin Ortlund believes it is essential to appeal not only to the mind but also to the heart and the imagination as we articulate the beauty of the gospel. Why God Makes Sense in a World That Doesn't reimagines four classical theistic arguments--cosmological, teleological, moral, and Christological--making a cumulative case for God as the best framework for understanding the storied nature of reality. The book suggests that Christian theism can explain such things as the elegance of math, the beauty of music, and the value of love. It is suitable for use in classes yet accessibly written, making it a perfect resource for churches and small groups.

Making Sense of God's Word Kenneth Schenck,2009 When Christians know God's will on a particular issue, no human reason can--or should--change their mind. However, the average Christian sometimes is awash in conflicting ideas about what the Bible means. In those times, people may feel inadequate to pick up a Bible, and try to read and understand it on their own. Dr. Kenneth Schenck's *Making Sense of God's Word* offers practical advice for the average Christian who desires to read and understand God's Word. Helping the reader sort through the issues of context, genre, and theories of interpretation, Schenck gives practical principles that restore confidence in reading and interpreting the difficult passages of Scripture. After reading this simple, practical guide, readers will feel confident that they can hear God's Word for themselves.

Making Sense of Who God Is Wayne A. Grudem,2011-02-01 With clear writing—technical terms kept to a minimum—and a contemporary approach, emphasizing how each doctrine should be understood and applied by present-day Christians, *Making Sense of Who God is* explores the existence of God through inner knowledge and evidence found in Scripture and in nature. Topics include but are not limited to Traditional “Proofs” for God’s Existence: covering cosmological, teleological, ontological, and moral evidence of the Creator; The Trinity: the three distinct persons each equal to the whole being of God; Creation: including the assertion that, when all the facts are understood, there will be “no final conflicts” between Scripture and natural science; and God’s Providence: the Creator’s continued involvement with all created things and human actions that make a difference within God’s providence. Written in a friendly tone, appealing to the emotions and the spirit as well as the intellect, *Making Sense of Who God is* helps readers overcome wrong ideas, make better decisions on new questions, and grow as Christians.

Making Sense of the Old Testament (Three Crucial Questions) Tremper III Longman,1999-02-01 A noted biblical scholar explores three questions Christians often ask about the Old Testament and provides answers that are both satisfying and understandable.

Making Sense of Evolution John F. Haught,2010-01-01 Haught offers a provocative take on how reconciliation between evolution and Christian theology might begin, and questions whether the two concepts must be mutually exclusive.

Why? Adam Hamilton,2011 When the ground shakes, and a poor nation's economy is destroyed; when the waters rise, washing away a community's hopes and dreams; when a child suffers neglect and abuse; when violence tears apart nations; where is God? If God is all

My Rock; My Refuge Timothy Keller,2015-11-19 New York pastor Timothy Keller is known for his ability to connect a deep understanding of the Bible with contemporary thought and the practical issues we all face in our lives. *My Rock; My Refuge* - his first devotional, consisting of all new material - offers inspiration for every day of the year, based on the book of Psalms. Here Keller helps readers apply the principles he laid out in his book *Prayer: Experiencing Awe and Intimacy with*

God. He walks them verse by verse through the entire Psalter, the one biblical book designed to teach us how to pray, how to spiritually handle every possible life situation, and how to actually know God. This title is published in the US as *The Songs of Jesus*.

Making Sense of the Divine Name in the Book of Exodus Austin Surls, 2017-05-01 The obvious riddles and difficulties in Exod 3:13-15 and Exod 6:2-8 have attracted an overwhelming amount of attention and comment. These texts make important theological statements about the divine name YHWH and the contours of the divine character. From the enigmatic statements in Exod 3:13-15, most scholars reconstruct the original form of the name as “Yahweh,” which is thought to describe YHWH’s creative power or self-existence. Similarly, Exod 6:3 has become a classic proof-text for the Documentary Hypothesis and an indication of different aspects of God’s character as shown in history. Despite their seeming importance for “defining” the divine name, these texts are ancillary to and preparatory for the true revelation of the divine name in the book of Exodus. This book attempts to move beyond atomistic readings of individual texts and etymological studies of the divine name toward a holistic reading of the book of Exodus. Surls centers his argument around in-depth analyses of Exod 3:13-15, 6:2-8 and Exod 33:12-23 and 34:5-8. Consequently, the definitive proclamation of YHWH’s character is not given at the burning bush but in response to Moses’ later intercession (Exod 33:12-23). YHWH proclaimed his name in a formulaic manner that Israel could appropriate (Exod 34:6-7), and the Hebrew Bible quotes or alludes to this text in many genres. This demonstrates the centrality of Exod 34:6-7 to Old Testament Theology. The character of God cannot be discerned from an etymological analysis of the word yhwh but from a close study of YHWH’s deliberate ascriptions made progressively in the book of Exodus.

Making Sense of Generation Y Sara B. Savage, 2011 For Generation Y, born after 1982, relationships happen over the Internet and music marks their territory. How does this generation think about the world? What does their spirituality look like? And what implications does this have for the Church? This book addresses the need for the Church to reconnect and communicate with young people.

Suffering Paul David Tripp, 2018-09-20 Sometimes life just hurts. Out of nowhere, death, illness, unemployment, or a difficult relationship can change our lives and challenge everything we thought we knew—leaving us feeling unable to cope. But, in the midst of all this pain and confusion, we are not alone. Weaving together his personal story, pastoral ministry experience, and biblical insights, best-selling author Paul David Tripp helps us trust God in the midst of suffering. He identifies traps to avoid in our suffering and points us instead to comforts to embrace. This raw yet hope-filled book will help you cling to God’s promises when trials come and move forward with the hope of the gospel.

Encounters With Jesus Timothy Keller, 2013-11-21 What is my purpose in life? Who am I meant to be? How can I live a successful life? Why is there so much wrong with our world today? Am I part of the problem? What can I do to help change

that? These are the big, seemingly unanswerable questions that everyone must ask and then answer in life. In *Encounters With Jesus*, New York Times bestselling author and renowned pastor Timothy Keller explores Jesus' answers to life's biggest questions by showing what happened to those who met Jesus personally. Jesus changed the lives of nearly every person he met in the Gospels. These were powerful experiences that can have a profound effect on us today and help explain not only different aspects of Christianity, but the deep questions of life itself. Timothy Keller highlights ten of these encounters, including his meeting a sceptical student, a religious insider, an outcast, even Satan himself, and proves how invaluable the lessons from these encounters are for contemporary readers.

God's Mechanics Guy Consolmagno, 2010-12-03 With an "adroit and self-effacing style," a Catholic brother, astronomer and physicist explains how scientists and engineers make sense of religion. In *God's Mechanics*, Brother Guy tells the stories of those who identify with the scientific mindset—so-called "techie"—while practicing religion. A self-decried techie, astronomer, physicist and Director of the Vatican Observatory, Brother Guy shares some classic philosophical reflections, as well as his interviews with dozens of fellow techies, and his own personal take on his Catholic beliefs to provide, like a set of "worked out sample problems," the hard data on the challenges and joys of embracing a life of faith as a techie. And he also gives a roadmap of the traps that can befall an unwary techie believer. With lively prose and wry humor, Brother Guy shows how he not only believes in God but gives religion an honored place alongside science in his life. This book offers an engaging look at how—and why—scientists and those with technological leanings can hold profound, "unprovable" religious beliefs while working in highly empirical fields. Through his own experience and interviews with other scientists and engineers who profess faith, Brother Guy explores how religious beliefs and practices make sense to those who are deeply rooted in the world of technology. "Brother Guy Consolmagno speaks in the softest, sanest voice imaginable as he enters the current firestorm of opinion re science and religion. His engaging commentary exposes the mindset of a true 'techie'—but one who equates science with a sacred act." —Dava Sobel, author, *Galileo's Daughter*

God of All Things Andrew Wilson, 2021-03-02 Abstract theology is overrated, for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or eagle. In *God of All Things*, pastor and author Andrew Wilson invites you to rediscover God in this way, too—through ordinary, everyday things. He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God—marvels like: Dust: the image of God Horns: the salvation of God Donkeys: the peace of God Water: the life of God Viruses: the problem of God Cities: the kingdom of God *God of All Things* will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all.

Making Sense of Scripture Participant Book David J. Lose, 2009 Book is accompanied by a Leader guide and DVD.

Yeah, reviewing a books **Making Sense Of God** could mount up your near links listings. This is just one of the solutions for you to be successful. As understood, success does not recommend that you have extraordinary points.

Making Sense Of God Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations.

Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Making Sense Of God free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative

platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Making Sense Of God free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By

specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Making Sense Of God free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Making Sense Of God. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Making Sense Of God any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Making Sense Of God Books

What is a Making Sense Of God PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Making Sense Of God PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Making Sense Of God PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert**

a Making Sense Of God PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Making Sense Of God PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to

compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
