

Making Your Case

Paul W. Kahn

Making Your Case Antonin Scalia, Bryan A. Garner, 2008 In their professional lives, courtroom lawyers must do these two things well: speak persuasively and write persuasively. In this noteworthy book, two noted legal writers systematically present every important idea about judicial persuasion in a fresh, entertaining way. The book covers the essentials of sound legal reasoning, including how to develop the syllogism that underlies any argument. From there the authors explain the art of brief writing, especially what to include and what to omit, so that you can induce the judge to focus closely on your arguments. Finally, they show what it takes to succeed in oral argument.

Making Your Case Rebecca Stott, Anna Snaith, Rick Rylance, 2000 This practical book demystifies the processes of academic writing through careful explanation and a series of engaging and practical examples.

Making the Business Case Mr Ian Gambles, 2012-09-28 A good business case is so much more than simply the means to justify a decision. A well-written and well-researched business case will secure funding; make sure any project stays on the right side of regulation; mobilize support for the cause; provide the platform for managing the project and the benchmark against which to measure progress. Ian Gambles' Making the Business Case shows you how to make sense of the task at hand, develop a strategy, articulate your options, define the benefits, establish the costs, identify the risks and make a compelling case. Just as with the best business cases, the text is concise, jargon-free and easy to read; illustrated throughout with practical examples drawn from real cases and including reflective exercises at the end of each chapter to help you consolidate what you have learned. At only 198 pages long, this is a jewel of a book; essential reading for the manager tasked with making the business case, the senior manager who needs to understand and test it, and the project manager who is responsible for delivering whatever is agreed on.

Hire-Purchase Act 1967 (Act 212) Malaysia, 2000

Making the Case for Yourself Susan Estrich, 1998 Why is it that professional women can be so totally competent when it comes to taking care of business and so totally inept when it comes to taking care of themselves? Working women tend to put the needs of everyone around them, from their families and friends to their bosses and coworkers, ahead of their own health and well-being—placing themselves at risk by putting themselves last. Susan Estrich exposes these dangerous ways of thinking and other life-threatening habits as she makes a clear, compelling case for recognizing your body as your primary

resource. Estrich brings her experience as both a lifelong dieter and a professor of law to the table, teaching you to think like a lawyer when it comes to defending your diet. She has anticipated every objection—from I just don't have the time to I ate the donut because it was there—and has the appropriate rebuttals at the ready. Estrich helps you to construct an argument that will keep you focused and committed until the results are their own reward. Beginning with a three-week commitment (you will actually be asked to sign a contract), she shows you how to play by your own rules, how to make a diet work for you, and how to identify your weaknesses and overcome them—just as you do in the rest of your life. Most of all, Estrich makes the case for investing wisely in yourself. Frank, funny, savvy, and empowering, *Making the Case for Yourself* is a diet book that engages your mind in the fight for your body.

Making the Case Kimberly Guilfoyle, 2016-06-07 After an eleven-year-old Kimberly Guilfoyle lost her mother to leukemia, her dad wanted her to become as resilient and self-empowered as she could be. He wisely taught her to build a solid case for the things she wanted. That childhood lesson led her to become the fearless advocate and quick-thinking spitfire she is today. In *Making the Case*, Guilfoyle interweaves stories and anecdotes from her life and career with practical advice that can help you win arguments, get what you want, help others along the way, and come out ahead in any situation. Learning how to state your case effectively is not just important for lawyers—it's something everybody should know how to do, no matter what stage of life they are in. From landing her dream job right out of school, switching careers seamlessly midstream, and managing personal finances for greater growth and stability to divorcing amicably and teaching her young child to advocate for himself, Guilfoyle has been there and done it. Now she shares those stories, showing you how to organize your thoughts and plans, have meaningful discussions with the people around you, and achieve your goals in all aspects of your life. You'll also learn the tips and strategies that make the best advocates so successful.

Good Arguments Richard A. Jr. Holland, Benjamin K. Forrest, 2017-08-22 This brief introduction to making effective arguments helps readers to understand the basics of sound reasoning and to learn how to use it to persuade others. Practical, inexpensive, and easy-to-read, the book enables students in a wide variety of courses to improve the clarity of their writing and public speaking. It equips readers to formulate firmly grounded, clearly articulated, and logically arranged arguments, avoid fallacious thinking, and discover how to reason well. This supplemental text is especially suitable for use in Christian colleges and seminaries and includes classroom discussion questions.

Making Your Case Brooke Noel Moore, 1995 This succinct, entertaining book covers a wide variety of critical thinking skills and offers abundant practice in applying those skills to students' writing.

Making the Case Paul W. Kahn, 2016-01-01 Writing in the tradition of Karl Llewellyn's classic *The Bramble Bush*, Paul Kahn speaks in this book simultaneously to students and scholars. Drawing on thirty years of teaching experience, Kahn introduces students to the deep, narrative structure of the judicial opinion. Learning to read the opinion, the student learns

the nature of legal argument. Thus Kahn's exposition of the opinion simultaneously offers a theory of legal meaning that will be of great interest to scholars of law, humanities, and the social sciences. At the center of Kahn's approach are ideas of narrative, persuasion, and self-government. His sweeping account of interpretation in law offers innovative views of the nature of authorship, the development and decline of doctrine, and the construction of facts.

Making Your Case Charles Auerbach, Wendy Zeitlin, 2015 This book introduces readers to R, a freely available statistical language, to conduct program evaluations. The book uses case studies to illustrate techniques that include data description and visualization, bivariate analysis, simple and multiple regression, and logistic regression. There is a comprehensive example using The Clinical Record as a data repository.

Making a Case for Stricter Abortion Laws Henrik Friberg-Fernros, 2017-07-19 This book questions how abortion laws can be regulated in a time when abortion rights are still subject to intense debate. It addresses objections to basing abortion law on considerations of moral risk, presents two anti-abortion arguments - the deprivation argument and the substance view - to demonstrate the risk of permitting abortion, and discusses the moral risk of restricting access to abortion when it may unjustifiably harm women. The author also shows how welfare states can address the negative effects of restrictive abortion laws by preventive, mitigative and compensatory measures. This is a thought-provoking and challenging book that will be of great interest to those considering abortion laws across the fields of medical ethics, bioethics, moral philosophy, law and politics.

The Christian Case against Contraception Bryan C. Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception, but when they do, serious studies of the subject are scarce if not non-existent. The Christian Case against Contraception seeks to fill this gap by evaluating the practice, not from personal preference or mere experience, but from the four major theological disciplines of Christianity: Historical, Biblical, Systematic, and Practical Theology and Ethics. The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act. The claims of the Church, that contraception is morally unacceptable, is examined further as the book takes the reader on a journey through biblical, systematic, and practical arguments which establish the foundations of the Historic Church's claim. Opposing arguments are evaluated as to their strength and validity. In fact, Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices. For the reader seeking to place procreative ethics under the lordship of Christ, The Christian Case against Contraception offers a bold and clear way forward.

Persistent Creativity Peter Campbell, 2018-12-17 Recent years have seen the increasing valuation and promotion of 'creativity'. Future success, we are often assured, will rest on the creativity of our endeavours, often aligned specifically with 'cultural' activity. This book considers the emergence and persistence of this pattern, particularly with regards to cultural

policy, and examines the methods and evidence deployed to make the case for art, culture and the creative industries. The origins of current practices are considered, as is the gradual accretion of a broad range of meanings around the term 'creative', and the implications this has for the success of the wider 'Creativity Agenda'. The specific experience of the city of Liverpool in adopting and furthering this agenda both in the UK and beyond is considered, as is the persistence of a range of problematic, and often contradictory, assumptions and practices relating to this agenda up to the present day.

G.O.A.T. - LeBron James Bob Gurnett,2019-05-07 Who is the greatest basketball player of all time?Thisstunning book, filled to the brim with color photographs and information, makes the case that it's KING JAMES! G.O.A.T. is an acronym that stands for Greatest Of All Time—and it takes lifelong dedication, nonstop hard work, and undeniable, unbelievable talent even to be considered for that honor. And if you asked five basketball lovers, Who is the greatest player of all time? you might get five different answers. But this fun book, written just for young fans, makes the case for current NBA superstar LeBron James. It backs up that choice with plenty of statistics, engaging quotes, and entertaining sidebars. You can be sure it will spark lively discussions among sports-crazy kids.

Avery Ken Kratz,Peter Wilkinson,2019-10-29 It's time to set the record straight about Steven Avery. The Netflix series Making a Murderer was a runaway hit, with over 19 million US viewers in the first 35 days. The series left many with the opinion that Steven Avery, a man falsely imprisoned for almost 20 years on a previous, unrelated assault charge, had been framed by a corrupt police force and district attorney's office for the murder of a young photographer. Viewers were outraged, and hundreds of thousands demanded a pardon for Avery. The chief villain of the series? Ken Kratz, the special prosecutor who headed the investigation and trial. Kratz's later misdeeds—prescription drug abuse and sexual harassment—only cemented belief in his corruption. This book tells you what Making a Murderer didn't. While indignation at the injustice of his first imprisonment makes it tempting to believe in his innocence, Avery: The Case Against Steven Avery and What Making a Murderer Gets Wrong and the evidence shared inside—examined thoroughly and dispassionately—prove that, in this case, the criminal justice system worked just as it should. With Avery, Ken Kratz puts doubts about Steven Avery's guilt to rest. In this exclu- sive insider's look into the controversial case, Kratz lets the evidence tell the story, sharing details and insights unknown to the public. He reveals the facts Making a Murderer conveniently left out and then candidly addresses the aftermath—openly discussing, for the first time, his own struggle with addiction that led him to lose everything. Avery systematically erases the uncertainties introduced by the Netflix series, confirming, once and for all, that Steven Avery is guilty of the murder of Teresa Halbach.

Making the Software Business Case Donald J. Reifer,2001-09-05 Just the understanding and insights you will pick up about how people encounter and cope with combinations of technical, social, political, and economic opportunities and challenges make the book a joy to read and worth much more than the price of it alone. --Barry Boehm, from the Foreword

This practical handbook shows you how to build an effective business case when you need to justify--and persuade management to accept--software change or improvement. Based on real-world scenarios, the book covers the most common situations in which business case analyses are required and explains specific techniques that have proved successful in practice. Drawing on years of experience in winning the battle of the budget, the author shows you how to use commonly accepted engineering economic arguments to make your numbers sing to management. The book provides examples of successful business cases; along the way, tables, tools, facts, figures, and metrics guide you through the entire analytic process. Writing in a concise and witty style, the author makes this valuable guidance accessible to every software engineer, manager, and IT professional. Highlights include: How and where business case analyses fit into the software and IT life cycle process Explanations of the most common tools for business case analysis, such as present-value, return-on-investment, break-even, and cost/benefit calculation Tying the business process to the software development life cycle Packaging the business case for management consumption Frameworks and guidelines for justifying IT productivity, quality, and delivery cycle improvement strategies Case studies for applying appropriate decision situations to software process improvement Strategic guidelines for various business case analyses With this book in hand, you will find the facts, examples, hard data, and case studies needed for preparing your own winning business cases in today's complex software environment.

The Green Book Great Britain. Treasury, 2003 This new edition incorporates revised guidance from H.M Treasury which is designed to promote efficient policy development and resource allocation across government through the use of a thorough, long-term and analytically robust approach to the appraisal and evaluation of public service projects before significant funds are committed. It is the first edition to have been aided by a consultation process in order to ensure the guidance is clearer and more closely tailored to suit the needs of users.

Making the Case Robert Leventhal, 2019-11-18 One hundred years before Freud's striking psychoanalytic case-histories, the narrative psychological case-history emerged in the second half of the eighteenth century in Germany as an epistemic genre (Gianna Pomata) that cut across the disciplines of medicine, philosophy, law, psychology, anthropology and literature. It differed significantly from its predecessors in theology, jurisprudence, and medicine. Rather than subsuming the individual under an established classification, moral precept, category, or type, the narrative psychological case-history endeavored to articulate the individual in its very individuality, thereby constructing a 'self' in its irreducible singularity. The presentation and analysis of several significant psychological case-histories, their theory and practice, as well as the controversies surrounding their utility, validity, and function for an envisioned 'science of the soul' constitutes the core of the book. Close and 'distant' (F. Moretti) readings of key texts and figures in the discussion regarding 'empirical psychology' (psychologia empirica), experiential psychology (Erfahrungsseelenkunde) and 'medical psychology' (medizinische Psychologie) such as Christian Wolff, J.C. Krüger, J.C. Bolton, Ernst Nicolai, J.A. Unzer, J.G. Sulzer, J.G. Herder, Friedrich Schiller, Jacob Friedrich

Abel, Marcus Herz, Karl Philipp Moritz, J.C. Reil, Ernst Platner and Immanuel Kant provide the disciplinary, historical-scientific context within which this genre comes to the fore. As the first systematic argument concerning the early history of this genre, my thesis is that the psychological case-history evolved as part of a pastoral apparatus of care, concern, guidance and direction for what it fashioned as the 'unique' individual, as the discursive medium in a process by which the soul became a 'self'. The narrative psychological case-history was in fact a meta-genre that transcended traditional boundaries of history and fiction, medicine and philosophy, psychology and anthropology, and sought, for the first time, to explicitly link the experience, history, memory, fantasy, previous trauma or suffering of a unique individual to illness, deviance, aberration and crime. In a word, it demonstrated, as Freud later said of his own case-histories in *Studies on Hysteria*, "the intimate relation between the history of suffering and the symptoms of illness" ("die innige Beziehung zwischen Leidensgeschichte und Krankheitssymptome"). This genre not only had a profound and far-reaching effect on the evolution of German and European literature - one thinks of the rich traditions of the *Novella* and the *Fallgeschichte* from Goethe, Büchner, R. L. Stevenson, Edgar Allen Poe and Chekhov to Kafka and beyond - but in shaping modern literature, the clinical sciences, and even popular culture. The book should therefore be of interest not merely to Germanists, modern European cultural historians, historians of science, and literary historians, but also those interested in the history of medicine and psychology, the origins of psychoanalysis, the history of anthropology, cultural studies, and, more generally, the history of ideas.

We Are the Brennans Tracey Lange, 2023-06-27 ****INSTANT NEW YORK TIMES BESTSELLER**** In the vein of Mary Beth Keane's *Ask Again, Yes* and Cynthia D'Aprix Sweeney's *The Nest*, Tracey Lange's *We Are the Brennans* explores the staying power of shame - and the redemptive power of love - in an Irish Catholic family torn apart by secrets. When twenty-nine-year-old Sunday Brennan wakes up in a Los Angeles hospital, bruised and battered after a drunk driving accident she caused, she swallows her pride and goes home to her family in New York. But it's not easy. She deserted them all - and her high school sweetheart - five years before with little explanation, and they've got questions. Sunday is determined to rebuild her life back on the east coast, even if it does mean tiptoeing around resentful brothers and an ex-fiance. The longer she stays, however, the more she realizes they need her just as much as she needs them. When a dangerous man from her past brings her family's pub business to the brink of financial ruin, the only way to protect them is to upend all their secrets - secrets that have damaged the family for generations and will threaten everything they know about their lives. In the aftermath, the Brennan family is forced to confront painful mistakes - and ultimately find a way forward, together.

[Making the Compelling Business Case](#) W. Messner, 2013-11-22 Providing the necessary background information and hands-on tools to build compelling business cases, this book will increase the reader's capability to champion new business development ideas, take them to senior management, and facilitate the decision process by understanding the key theories and practices of finance and corporate investments.

Making Your Case Introduction

In today's digital age, the availability of Making Your Case books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Making Your Case books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Making Your Case books and manuals for download is the cost-

saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Making Your Case versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Making Your Case books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the

author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Making Your Case books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Making Your Case books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system.

Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Making Your Case books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital

resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Making Your Case books and manuals for download and embark on your journey of knowledge?

FAQs About Making Your Case Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer,

tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Your Case is one of the best book in our library for free trial. We provide copy of Making Your Case in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Your Case. Where to download Making Your Case online for free? Are you looking for Making Your Case PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Your Case. This

method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Making Your Case are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Making Your Case. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any

digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Making Your Case To get started finding Making Your Case, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Making Your Case So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Making Your Case. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Making Your Case, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Making Your Case is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple

locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Making Your Case is universally compatible with any devices to read.
