I Am Malala Malala Yousafzai, Christina Lamb, 2014-11-13 *Winner of the 2014 Nobel Peace Prize* In 2009 Malala Yousafzai began writing a blog on BBC Urdu about life in the Swat Valley as the Taliban gained control, at times banning girls from attending school. When her identity was discovered, Malala began to appear in both Pakistani and international media, advocating the freedom to pursue education for all. In October 2012, gunmen boarded Malala's school bus and shot her in the face, a bullet passing through her head and into her shoulder. Remarkably, Malala survived the shooting. At a very young age, Malala Yousafzai has become a worldwide symbol of courage and hope. Her shooting has sparked a wave of solidarity across Pakistan, not to mention globally, for the right to education, freedom from terror and female emancipation.

Malala Yousafzai Elisa Peters, 2017-12-15 The remarkable Malala Yousafzai is one of the most widely admired young women living. This biography traces her story from her youth in Pakistan's Swat Valley through her current work advocating for the rights and education of young women with the Malala Fund. Readers will learn about her struggle to get an education while living under the control of the Taliban and admire her courage in speaking out even after an assassination attempt. While there are many worthy role models, Yousafzai's age and the fact that her heroism is both recent and ongoing make her especially relatable for young readers.

Malala's Magic Pencil Malala Yousafzai, 2017-10-17 As a child in Pakistan, Malala made a wish for a magic pencil that she could use to redraw reality. She would use it to give gifts to her family, to erase the smell from the rubbish dump near her house, to sleep an extra hour in the morning. As she grew older, Malala wished for bigger and bigger things. She saw a world that needed fixing. And even if she never found a magic pencil, Malala realized that she could still work hard every day to make her wishes come true. This beautifully illustrated picture book tells Malala's story, in her own words, for a younger audience and shows them the worldview that allowed her to hold on to hope and to make her voice heard even in the most difficult of times.

We Are Displaced Malala Yousafzai,2019-01-08 In this powerful book, Nobel Peace Prize winner and New York Times bestselling author Malala Yousafzai introduces the people behind the statistics and news stories about the millions of people displaced worldwide. After her father was murdered, Maria escaped in the middle of the night with her mother. Zaynab was out of school for two years as she fled war before landing in America. Her sister, Sabreen, survived a harrowing journey to Italy. Ajida escaped horrific violence, but then found herself battling the elements to keep her family safe. Malala's experiences visiting refugee camps caused her to reconsider her own displacement — first as an Internally Displaced Person when she was a young child in Pakistan, and then as an international activist who could travel anywhere except to the home she loved. In *We Are Displaced*, Malala not only explores her own story, but she also shares the personal stories of some of the incredible girls she has met on her journeys — girls who have lost their community, relatives, and often the only world they've ever known. In a time of immigration crises, war, and border conflicts, *We Are Displaced* is an important reminder from one of the world's most prominent young activists that every single one of the 68.5 million currently displaced is a person — often a young person — with hopes and dreams. A stirring and timely book. —New York Times
