## James Medak

*How to Be a Footpig* James Medak,2014-09-25 Poor Tom: the young college boy with a secret male foot fetish. One he writes about to himself and himself alone, detailing his numerous fantasies and frat-boy crushes ... until one of them steals it, soon leaving it so that in order to prevent his naughty thoughts from being leaked campus-wide, young Tom must sign a deviously-devised contract, one which will ensure that he will remain loyal and serving the needs (and feet) of his too-horny frat-captors on a constant, merciless basis ... From James T. Medak, author of HOW TO BE A TICKLE SLAVE and GETTING OFF ON THE WRONG FOOT, comes his first ever full-length novel, a single unyielding story of lust, humiliation, friendship, and, of course, feet. It's a fetish journey unlike any other, and one that will not be soon forgotten ...

**Foot Lovers** Ram aur Shyam,2015-12-02 The Foot Lovers is the first book in the Sensuous Games people Play Series which describes differentiated erotic experiences and is as hot as controversial. There are no rules for what is controversial. The stories, incidents and tales of sexual gratification with favorite sensibilities are the stuff of the series. The Foot Lovers traces the story of Manish Malhotra the school boy through his life as a diehard foot fetishist. It is his story and therefore written from his point of view, that is a male point of view. Women will enjoy them splendidly for no foot fetish is complete without the male female combination. There could be different combinations but that's what the book avoids. Sexy, locales, red hot pleasure in secret ways that will blow your mind makes The Foot Lovers spicy and thought provoking. From being foot seduced at 12 by a woman who is his best friend's mother and the quirky and manipulative exploitation by his mother's sister married to an impotent man he discovers his sexual preference and styles. Initiated into the joys of sex through foot fetishism by a woman more than twice his age Manish cannot forget his exploitation which torments him till he learns from a scholarly sexologist and psychiatrist that what he considers perverse addiction is normal and his are much within what is normal and acceptable. This rids him of his guilt. After qualifying as a photographer a candid photo essay of Indian female feet for a celebrated German magazine not only gets him money to buy sophisticated photographic equipment but brings him recognition from a celebrated film director (SB) and an entry into the Bollywood (The Indian version of Hollywood) crowd. The director is a hidden foot fetishist and encourages him in his photography assignments and arranges for him to make a portfolio for the daughter of an old film leading lady. Manish introduces Urmila to a new sensuality. Hesitant, she soon takes up the new sexual games as fish in water. As her teacher he teaches her new tricks and encourages her to experiment and thereby letting her find her true identity other than living under her mother's control. She is bewitched and they become regular sexual partners. He has by now become a sought after still photographer in Bollywood. He becomes bold in his search for new thrills which leads him to experiment. He is commissioned by RG an earlier age film siren to make a film on Yoga practice. One thing leads to another till she teaches him what extreme fetishism could be. He is overwhelmed and his next experience with an ex Chinese film actress, producer and businesswoman takes him to what he considers his

most exacting and taxing adventure. Ram aur Shyam the author will provide the reader the best informative and exciting time you can have between the covers of a book. For female reader there are recipes for personal beautification and if you have the inclination what all is tastefully possible.

**The Sex Life of the Foot and Shoe** William A. Rossi, 2023-08-18 First published in 1977, *The Sex Life of the Foot and Shoe* examines the realities of foot and shoe eroticism practised by almost all of us, whether consciously or unconsciously. Provocative often witty and always original, the book takes us on a walking tour through history: from Chinese footbinding (completely sexual in intent) and the medieval poulaine (perhaps the most blatantly pornographic shoe ever worn) to the outrageous distortions of the foot gladly suffered by woman over the centuries in the cause of sexual allure. The author explores the obsession with 'sick' and 'tired' feet and the huge industry that has sprung up to cater to our negativism. He gives a psychosexual guide to us via footwear, grouping men's and women's shoes into such categories as sexy, sexless, neuter, bisexual, sensuous, peacock, masculine, eunuch and machismo. This book will be of interest to students of history, gender studies, sexuality studies and fashion.

Sharon Johnson, a divorcée that hires his consulting business, discovers his weakness for women's feet, and makes plans to put his deviant desires to good use. She not only takes advantage of her discovery, soon she is introducing Dylan to more and more perverse behaviors. Dylan enjoys a bit of foot worship, but soon he must decide if he will bow to an increasingly assertive Sharon, and indulge her unusual tastes. Their relationship has moved way beyond a business arrangement and Sharon has a lot of ideas that Dylan is reluctant to embrace. For example, wearing panties is not something he had an interest in, but Sharon insists that it's a good idea. Submission, female dominance and even voodoo rituals will crop up as events unfold.

Under Jill's Feet Sarah Lash,2019-10-07 This is a true story. Brent and Jill actually exist, and this is the story of their first experiences. And how from there, Jill, master manipulator and evil genius, took Brent's foot fetish from sucking a few toes to places he never considered or wanted to go. Like the inside of Jill's toilet bowl. Or the bottom of her friends boots. How Jill, church girl, farm girl, seemingly the most innocent of women, created a game plan, a campaign, to make a helpless Brent her complete slave, and lovingly devoted slave at that. This book details her plan, step by step, taking Brent from foot play, to shoe and boot play, to water works, to the inside of her toilet bowl; eventually forcing Brent to truly believe and come to the realization he belonged on Jill's floor, under her feet. Read about Jill's campaign of humiliation; it's almost a handbook guiding the reader into developing their own slave, a guide book on how to take the foot fetishist into slavery, using just their sexual desires. Jill doesn't work, she has Brent for that. And when he's not at work, he's at home, working for Jill, cooking, cleaning, doing her laundry (sometimes in his mouth!!!). She owns him. He knows it.Jill is, without doubt, a genius, and no one knows it but her. And possibly Brent. Which is exactly how she wants it. If you love feet, this story will excite you, but will also warn you about how your fetish can be used against you if you aren't careful. If you're on the receiving end of foot love and want to develop it into slavery (and who doesn't want a slave?), this book will instruct you on how to do that too.However you take it, this book will illustrate a campaign of manipulation designed to lower a fetishist beyond sex, and into actual

slavery. Jill hopes you enjoy it, comment on it, if only to take Brent's humiliation to a whole other level. She will be looking for your participation, likely reading those comments to Brent while he's in his place; on Jill's floor, under Jill's feet. And oh, one more thing, Jill really wants you to know there's actually a picture of her and Brent in the book. She insisted on it, and played Brent's horrified reaction into a vacation in Mexico if she didn't say which picture it was. She might be sipping on a margarita while Brent cleans her beach flip flops right now, who knows! Enjoy!!!Note: the paperback includes all three episodes currently available, the ebook version only two.Hello all! Something new for readers of the Under Jill's Feet books. We've created a Facebook group called Under Jill's Feet, where readers can ask Jill or Brent, or myself, questions about their lifestyle, the books, discuss fetishism, slavery, anything related to the topic. Proof of book purchase required! Hope to see you there!

*Walk On Me: A Foot Fetish Story* Kayla Rhodes,2020-07-27 DESCRIPTION: David loves feet. He fantasizes about finding a woman who will walk on him, pinning him down, trampling him under her toes. Alexis, while beautiful, doesn't seem up to the challenge. She's too shy. Too passive. But David is wrong about her, and in this steamy erotic story, he might just discover that Alexis is everything he's fantasized and more. EXCERPT: Blind dates are always awkward and a little disappointing. I'm not sure why I expected this one to be any different. From the moment she showed up, I knew it wasn't going to work. Don't get me wrong, she was beautiful. Alexis had the slight, wispy frame of a ballerina. Her breasts were small, but exquisitely formed, and her platinum blond hair fell delicately around sharp cheekbones. And, of course, I noticed her feet. That was why we were here, after all. Having a foot fetish makes dating a little tricky, so when a friend told me he'd met a lady who loved literally walking on men, I sure as hell wasn't going to say no. Sure, I'd dated women who let me worship their feet before (who turns down a free foot massage?) but I wanted more. I wanted a woman who would dominate me with her feet. I wanted to feel flattened under her bare heels. I wanted her to crush me against the floor with her precious toes. Alexis was lovely, but I knew within seconds that she wasn't that kind of woman. I tried to enjoy the dinner anyway despite my disappointment. She was quiet, but the conversation we did have was fun and stimulating. She had a shy smile, and hid behind pale lashes when she got embarrassed. Also, her feet. Damn. She knew I'd want to see them, so she'd worn

open-toe sandals. The shoes were studded with little fake gems, making it look like her feet were wearing a crown, which they absolutely deserved. They were small and smooth, with perfectly shaped toes, and a bubblegum-pink pedicure. I wanted to put those toes in my mouth. I wanted to slick them up with oil and rub every last bit of tension away. But most of all, I wanted them to stand on me, and I just didn't think Alexis was up for that.
