Chastity Control and Correction for Men Mistress Jade, Mark Maguire, 2018-01-29 This fascinating, detailed study of the techniques and effects of male chastity is a really comprehensive study of this very popular disciplined regime which can be used for pleasure or punishment, or both. Keeping the male deprived of satisfaction, often for long periods, can give the woman GREAT satisfaction! When orgasm for the man is delayed - or completely denied - the focus is shifted from HAVING an orgasm (often involving anxiety) to NOT having an orgasm (involving humility, patience, and loving attention to the dominant female). This exciting new book looks at topics like choosing and fitting his device (metal or transparent plastic), asking permission to be released and then being made to wait longer, using edging techniques, causing the male embarrassment in front of others, having to sit down to urinate, learning not to question the Mistress' decisions, and accepting hard corporal punishment when needed as part of the overall lifestyle of abstinence, denial and discipline. (See chapters list for much more.) Jade Greenaway (Mistress Jade) and Mark Maguire have both written numerous books on adult discipline and punishment as part of consensual, loving relationships - all still currently available - and here they collaborate on this comprehensive look at this rapidly trending topic. Mistress Jade says Life nowadays is very stressful. You can achieve peace of mind by giving away control over your genitals and ejaculations. Yes, the chastised male will certainly experience the most overwhelming frustration when prevented from having an orgasm for very long periods, but he can learn to please his woman rather than himself. Mark Maguire agrees. The Mistress makes all decisions on behalf of the man, so the sub male is freed from all responsibility in that respect. However, there are severe consequences for any kind of disobedience as far as Jade and I are concerned. She uses a hard backed wooden hairbrush to spank me when necessary, and when I've deserved a bit more discipline, she has her favourite whippy, rattan cane which is always to hand. Wow does that cane of hers STING! Read right now about the intense bond of intimacy and respect that can grow out of an adult consensual chastity and discipline lifestyle in Chastity, Control and Correction for Men by Mark Maguire (with Mistress Jade).

**The Ultimate Woman's Guide to Male Chastity** Mistress Dede, 2015-11-26 If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity, in other words - self control. The question is, how exactly, can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry, for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now, but could possibly save

your sex life. You will learn what the male chastity subject is all about; the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seem strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these, thinking that the whole male chastity thing is not for you. However, in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

Sex Before the Sexual Revolution Simon Szreter, Kate Fisher, 2010-10-14 What did sex mean for ordinary people before the sexual revolution of the 1960s and 1970s, who were often pitied by later generations as repressed, unfulfilled and full of moral anxiety? This book provides the first rounded, first-hand account of sexuality in marriage in the early and mid-twentieth century. These award-winning authors look beyond conventions of silence among the respectable majority to challenge stereotypes of ignorance and inhibition. Based on vivid, compelling and frank testimonies from a socially and geographically diverse range of individuals, the book explores a spectrum of sexual experiences, from learning about sex and sexual practices in courtship, to attitudes to the body, marital ideals and birth control. It demonstrates that while the era's emphasis on silence and strict moral codes could for some be a source of inhibition and dissatisfaction, for many the culture of privacy and innocence was central to fulfilling and pleasurable intimate lives.
