Romancing Sal Gabrini Mallory Monroe,2013-07-31 Gemma Jones once thought Sal Gabrini could be a keeper. He was, in truth, the man of her dreams. But after she didn't hear from him when he had promised to stay in touch, she wasn't thinking about him either. Even when she travels to his turf, to Seattle, to attend a stuffy lawyer's convention, she's bound and determined not to give Sal a second thought. The fact that she had refused his sexual advances probably had everything to do with why he didn't follow up with her, and she understands that. But that understanding only makes her all the more determined to keep him at arm's length. She might have been known for her slamming body, but that didn't mean she wants the man of her dreams to only want her for that body.But the convention turns out to be so boring that Trina, her friend and business partner, encourages her to give the man a call. If nothing else he can show her the town and ramp down the boredom, her friend insists. So against her better judgment, Gemma phones him. When he doesn't return her voice mail

message later that night, she wants to kick herself for even bothering. Hunky businessman Sal Gabrini arrives back in town after a trip to Jersey. When he sees where the gorgeously exotic Gemma Jones has left him a message, he realizes how much he actually misses her. He shows up at her hotel, catching her off guard, and that one proactive move takes the pair of would-be lovers on the most tumultuous, yet sexually and emotionally gratifying rollercoaster ride of their lives. Sal has to decide if he is willing to risk it all for the love of a good woman, and Gemma has to decide if a player like Sal Gabrini can ever truly change and become the man she will need him to be. Their tempers flare, their personalities clash, but their love for each other becomes the cornerstone that could actually make their relationship work. In the first book by bestselling author Mallory Monroe that focuses on Tommy's younger brother Sal, *Romancing Sal Gabrini* is an interracial romance that takes the readers on a compelling journey of love, sex, and tears.

Tommy Gabrini 2: a Place in His Heart Mallory Monroe, 2013-10-03 Tommy Gabrini never dreamed he'd fall in love when Grace McKinsey entered his life. She wasn't sophisticated enough, his friends declared, or beautiful enough. But Tommy fell hard for the very woman they all dismissed. He even took the step of his life and asked her to be his wife. His brother Sal warned him that hell was about to go in session when Tommy's numerous lady friends found out about his new lady love. Tommy laughed it off at the time, insisting that his ladies were far too sophisticated to play those kinds of games. But he would soon find out that his brother wasn't far from the truth. Yet even then, Tommy could handle that truth. He loved Grace and he didn't hesitate to make that clear. But when they stopped targeting Tommy, and started setting their sights on Grace, everything changed. Grace worked hard to be her own woman, even as Tommy's generosity set her up as the CEO of her own company, and she knew not to take the bait of females who wanted Tommy for themselves. But as she battled from within to maintain control of her own company, and battled from without to maintain Tommy by her side, she soon realized that being Tommy Gabrini's fiance didn't come without a price. A price, she would soon discover, that might be too high to pay. From national bestselling author Mallory Monroe comes a gripping interracial romance where two people discover that love can take strange and unexpected turns, and if they aren't careful, other people's hate can sneak in and overrule their love.
