One Good Mama Bone Bren McClain, 2017-02-14 A mama cow's devotion to her calf provides lessons in motherhood to a poor Southern woman in this novel of family, survival, and human-animal bonds. South Carolina, 1950s. Homemaker Sarah Creamer has been left to care for young Emerson Bridge, the product of an affair between Sarah's husband and her best friend. But beyond the deep wound of their betrayal, Sarah is daunted by the prophecy of her mother's words, seared in her memory since childhood: "You ain't got you one good mama bone in you, girl." When Sarah finds Emerson a steer to compete at an upcoming cattle show, the young calf cries in distress on her farm. Miles away, his mother breaks out of a barbed-wire fence to find him. When Sarah finds the young steer contently nursing a large cow, her education in motherhood begins. But Luther Dobbins is desperate to regain his championship cattle dynasty, and he will stop at nothing to win. Emboldened by her budding mama bone, Sarah is committed to victory even after she learns the winning steer's ultimate fate. Will she too stop at nothing, even if it means betraying her teacher? *One Good Mama Bone* explores the strengths and limitations of parental love and the ethical dilemmas of raising animals for food.

Hands Free Mama Rachel Macy Stafford, 2014-01-07 "Rachel Macy Stafford's post *The Day I Stopped Saying Hurry Up* was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. *Hands Free Mama* has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she

loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.

The Most Important Animal of All Penny Worms,2023-06-06 When seven children are asked about which is the most important animal of all, they learn about the key roles different animals play on Earth.

The Kind Mama Alicia Silverstone,2014-04-15 The bestselling author of *The Kind Diet* offers practical solutions for a healthier, more vibrant approach to new motherhood When did making babies get to be so hard? Infertility is on the rise globally, affecting as many as one in six couples. But instead of looking at diet and lifestyle as key factors, doctors are racing to pump their patients full of expensive and invasive fertility treatments. Once pregnant, women just accept that carrying a baby will be the gassy, swollen, irritable, sleepless nightmare that has become the new normal. Once their babies are born, they assume it will be just as challenging—from breastfeeding woes to screaming fits and constant trips to the doctor. It doesn't have to be that way. In *The Kind Mama*, Alicia Silverstone shows that if we kick nasty foods that fight our bodies and replace them with nutrient-rocking “clean” foods that heal and nourish, we can create a more positive baby-making experience, from conception through the third trimester (and beyond). By encouraging basic diet and lifestyle modifications and drawing on wisdom from medical experts, friends, and her own experience, Silverstone has created a one-stop guide that empowers women to take charge of their fertility and pregnancy, and helps them to embark on a healthier, more vibrant path to parenthood.

Mama's Place Feazell Jim Feazell, Jim Feazell, 2009-12 THE TERM REDNECK ORIGINATED FROM THE RED SUNBURNED NECKS OF FARMERS THAT WORKED IN THE FIELDS. SOMEWHERE ALONG THE WAY IT WAS CHANGED TO DESIGNATE SCUMMY LOW-LIFE POOR WHITE TRASH. THEN ALONG ABOUT THE MID-SIXTIES IT MIRACULOUSLY TOOK ON A DIFFERENT TERMINOLOGY. THAT OF A CULTURED INTELLECTUAL AND PHILOSOPHICAL ERUDITE. TO BE REFERRED TO AS A REDNECK WAS THEN TRULY A COMPLIMENT. 1967-MAMA'S PLACE, A SLEAZY BEER JOINT NEAR SMACKOVER, ARKANSAS WILL FOREVER HAVE THE FAME OF BEING THE BIRTHPLACE OF THE CULTURED ERUDITE REDNECK. Mama's Voice Esther Bganya, 2015-03-31 Mamas Voice is the product of a middle-aged Christian psychiatrist and mother who journals her life observations and experiences, hoping to pass on some life lessons to her children. What started off as random journaling of thoughts ended up being a published book released as a birthday present for her children. The book is written in a random manner with life lessons ranging from self-esteem, bad habits, addictions, snobbery, conflict, money, selfishness, greed, and codependent relationships through to family dramas. The author attempts to capture some important life lessons with a touch of humor and rawness that depicts the real-life dramas. Both pleasurable and painful life observations and experiences are unapologetically expressed with a rawness that does not coat it with sweet candy. Its about real life seen through the eyes of a mother going through a midlife crisis and questioning most things she had taken for granted. The messages are given as direct instructions to her children in second or third person voices and riddles. The messages are just as random as they entered the authors thoughts. This is a light read for both the middle aged and young, who are questioning a few things in their worldview. Like the philosopher in the book of Ecclesiastes, the author grapples with certain life issues until she finally realizes that she cannot fix the world and she gives up control. The forty-five-year-old author starts off by writing a letter to her thirteen-year-old self and ends the book with her modified version of the Ten Commandments and a futuristic letter to her eighty-five-year-old self.

Just Like a Mama Alice Faye Duncan, 2020-01-14 Celebrate the heart connection between adopted children and the forever families who welcome them with kindness, care, and unconditional love in this powerful picture book from the author of *Honey Baby Sugar Child*. Carol Olivia Clementine lives with Mama Rose. Mama Rose is everything—tender and sweet. She is also as stern and demanding as any good parent should be. In the midst of their happy home, Carol misses her mother and father. She longs to be with them. But until that time comes around, she learns to surrender to the love that is present. Mama Rose becomes her “home.” And Carol Olivia Clementine concludes that she loves Miss Rose, “just like a mama.” This sweet read-aloud is, on the surface, all about the everyday home life a caregiver creates for a young child: she teaches Clementine how to ride a bike, clean her room, tell time. A deeper look reveals the patience, intention, and care little ones receive in the arms of a mother whose blood is not her blood, but whose bond is so deep—and so unconditional—that it creates the most perfect condition for a child to feel safe, successful, and deeply loved.

Mama's Boy Dustin Lance Black, 2019-04-30 This heartfelt, deeply personal memoir explores how a celebrated filmmaker and activist and his conservative Mormon mother built bridges across today's great divides—and how our stories hold the power to heal. Dustin Lance Black wrote the Oscar-winning screenplay for *Milk* and helped overturn California's anti-gay marriage Proposition 8, but as an LGBTQ activist he has unlikely origins—a conservative Mormon household outside San Antonio, Texas. His mother, Anne, was raised in rural Louisiana and contracted polio when she was two years old. She endured brutal surgeries, as well as braces and crutches for life, and was told that she would never have children or a family. Willfully defying expectations, she found salvation in an unlikely faith, raised three rough-and-rowdy boys, and escaped the abuse and violence of two questionably devised Mormon marriages before finding love and an improbable career in the U.S. civil service. By the time Lance came out to his mother at age twenty-one, he was a blue-state young man studying the arts instead of going on his Mormon mission. She derided his sexuality as a sinful choice and was terrified for his future. It may seem like theirs was a house destined to be divided, and at times it was. This story shines light on what it took to remain a family despite such division—a journey that stretched from the steps of the U.S. Supreme Court to the woodsheds of East Texas. In the end, the rifts that have split a nation couldn't end this relationship that defined and inspired their remarkable lives. *Mama's Boy* is their story. It's a story of the noble quest for a plane higher than politics—a story of family, foundations, turmoil, tragedy, elation, and love. It is a story needed now more than ever.

M Is for Mama Abbie Halberstadt,2022-02-01 Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Mamas only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for mamas to grow and thrive. As a daughter of Christ, you have been called to be more than an average mama. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. *M is for Mama* offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

Mama's Blessings Edith Byrd Summerford,2012-08 You've heard the old saying, When life gives you lemons - make lemonade. *Mama's Blessings* will inspire you to make your lemonade. Trials and tribulations are part of our lives, and they appear when we least expect them. How we handle these situations depends on each individual, but by realizing if we rely on the Lord all things are possible. We must have the determination to make something good out of any situation that is beyond our control. Through faith, the Lord gives you strength and hope. *Mama's Blessings* is a testament to rely on the Lord through faith. I relied on the Lord, while caring for Mike and Bonnie, and He answered so many prayers and brought many blessings our way. Mike and Bonnie were truly blessings in my life.

Good Night Captain Mama Graciela Tiscareño-Sato,2013-07-04 This ground-breaking bilingual book was written by a Latina military officer and former aviator. It's the first bilingual children's book, in English and Spanish, about why mommies wear military uniforms and serve in the armed forces. Synopsis: A little boy named Marco is walking to his bedroom in pajamas carrying his stuffed puppy dog when he notices his mommy in an olive-green military flight suit. His curiosity about the colorful patches on her uniform evolves into a sweet, reassuring bedtime conversation between a military mother and her child about why she serves and what she does in the unusual KC-135R aerial refueling airplane. He drifts off to sleep with thoughts of his mommy in the airplane and the special surprise she gave him stuck to his fleece pajamas. The book includes an art activity for parents and teachers to enjoy with children. It's the first in a planned aviation adventure series.
