Man Crush Monday Kirsty Moseley, 2020-02-03 Perma-single Amy Clarke prides herself on three things: her pink hair, her Converse collection, and her ability to drink copious amounts of margarita without puking. She isn't looking for love. She's perfectly content with her simultaneous love affairs with Netflix and both Ben and Jerry. The trouble is, sometimes, love finds you. Five months ago, he climbed aboard her train, and nothing has been the same since. Fast-forward to now, she still doesn't know his name, but she knows she wants his babies. Her crush—this tall, dark, and handsome dork who gets on her train every other Monday—has no idea he brightens her day with his panty-wetting smile and laugh that makes her pulse quicken. When a chance encounter outside of work forces them to have their first proper conversation, things quickly go from loving him from afar to up close and very personal. With a string of disastrous exes in her past, has Amy finally found her Mr Perfect? Or does fate have other plans? A new stand-alone romcom from Kirsty Moseley, best-selling author of *The Boy Who Sneaks in My Bedroom Window* and *Nothing Left to Lose*.

No Filter and Other Lies Crystal Maldonado, 2022-02-08 You should know, right now, that I'm a liar. They're usually little lies. Tiny lies. Baby lies. Not so much lies as lie adjacent. But they're still lies. Twenty one-year-old Max Monroe has it all: beauty, friends, and a glittering life filled with adventure. With tons of followers on Instagram, her picture-perfect existence seems eminently enviable. Except it's all fake. Max is actually 17-year-old Kat Sanchez, a quiet and sarcastic teenager living in drab Bakersfield, California. Nothing glamorous in her existence—just sprawl, bad house parties, a crap school year, and the awkwardness of dealing with her best friend Hari's unrequited love. But while Kat's life is far from perfect, she thrives as Max: doling out advice, sharing beautiful photos, networking with famous influencers, even making a real friend in a follower named Elena. The closer Elena and "Max" get—texting, Snapping, and even calling—the more Kat feels she has to keep up the façade. But when one of Max's posts goes ultra-viral and gets back to the very person she's been stealing photos from, her entire world - real and fake — comes crashing down around her. She has to figure out a way to get herself out of the huge web of lies she's created without hurting the people she loves. But it might already be too late. Heart and Seoul Jen Frederick, 2021-05-25 One woman learns that the price of belonging is often steeper than expected in this heart-wrenching yet hopeful romantic novel and first in the Seoul duology by USA Today bestselling author Jen

Frederick. As a Korean adoptee, Hara Wilson doesn't need anyone telling her she looks different from her white parents. She knows. Every time Hara looks in the mirror, she's reminded that she doesn't look like anyone else in her family—not her loving mother, Ellen; not her jerk of a father, Pat; and certainly not like Pat's new wife and new "real" son. At the age of twenty-five, she thought she had come to terms with it all, but when her father suddenly dies, an offhand comment at his funeral triggers an identity crisis that has her running off to Seoul in search of her roots. What Hara finds there has all the makings of a classic K-drama: a tall, mysterious stranger who greets her at the airport, spontaneous adventures across the city, and a mess of familial ties, along with a red string of destiny that winds its way around her, heart and soul. Hara goes to Korea looking for answers, but what she gets instead is love—a forbidden love that will either welcome Hara home...or destroy her chance of finding one.

The Wedding Crush Mia Heintzeman, 2024-06-11 Stefano Fortemani is starting over. The eldest of four, he's always led by example—business school, marriage, homeownership, and now... divorce. He spends his days managing the family's vineyard, listening to self-help podcasts, and lamenting his gray hair. He should be moving on like his ex-wife. Unfortunately, he has no idea how. Avery Ellis, event planner, widow, and single mom, has learned the hard way to find the flowers among the weeds. When her best friend taps Avery for wedding planner and maid of honor, she's thrilled. Until she learns the best man is none other than the fiancé's prickly, albeit sexy, silver fox of an older brother. As the two work together to create a magical wedding day on the Fortemani vineyard, one-word spats, sweet wine, and unexpected fun lead to glimpses of shared passion, purpose, and old wounds. But, just as Stefano embraces the silver lining of his clouded past, Avery harbors a new secret that could change everything. Will these two guarded hearts open up to let love in again?

In today's age of social media, young girls are learning crucial life lessons from dubious mentors like the Kardashians and other Instagram "celebrities." It's no wonder parents across the country are afraid for their daughters' self-esteem and ability to thrive in the real world. In *Girls Just Want to Have Likes*, educator and leadership coach Laurie Wolk offers smart advice on how parents can take control, communicate meaningfully with their children, and get back to raising confident capable young women. But that all changed the day she walked in on her perfect fiancé screwing his personal trainer on her newly purchased dream sofa. Three months later, she’s bunking with her best friend and scrambling to make sense of her life sans cheating ex. Theo is about to jet off for a long weekend in picturesque Scotland to be the best man at his brother’s wedding. With stunning views and nothing but free food and drinking ahead, he should be more excited than he is. If only he didn’t have feelings for the damn bride. When fate throws Lucie and Theo together under unlikely circumstances, they bond over doughnuts and their mutually disastrous love lives ... and it seems like they might be able to help each other out. As long as they both stick to the rules, there’s nothing that can go wrong. Contract in place? Check. Hot, fake dates? Check. Sexual chemistry steamy enough to scorch sheets? Double che— Wait, what? That wasn’t in the agreement ... A standalone romcom. Book 2 in the Love For Days series. Please note: Although this book can be read as a standalone, it is set after Man Crush Monday (Book 1 in the series) so will contain spoilers.

Remembrance Meg Cabot,2016-02-02 Fifteen years after the release of the first Mediator novel, #1 New York Times bestselling author Meg Cabot returns with a deliciously sexy new entry to a fan-favorite series. Suze Simon—all grown up and engaged to her once-ghostly soulmate—faces a vengeful spirit and an old enemy bent on ending Suze's wedded bliss before it begins. You can take the boy out of the darkness. But you can’t take the darkness out of the boy. All Susannah Simon wants is to make a good impression at her first job since graduating from college (and since becoming engaged to Dr.

Jesse de Silva). But when she's hired as a guidance counselor at her alma mater, she stumbles across a decade-old murder, and soon ancient history isn't all that's coming back to haunt her. Old ghosts as well as new ones are coming out of the woodwork, some to test her, some to vex her, and it isn't only because she's a mediator, gifted with second sight. From a sophomore haunted by the murderous specter of a child, to ghosts of a very different kind—including Paul Slater, Suze's ex, who shows up to make a bargain Suze is certain must have come from the Devil himself—Suze isn't sure she'll make it through the semester, let alone to her wedding night. Suze is used to striking first and asking questions later. But what happens when ghosts from her past—including one she found nearly impossible to resist—strike first? What happens when old ghosts come back to haunt you? If you're a mediator, you might have to kick a little ass.

The Importance of Being Earnest Oscar Wilde,2014-08-01 Jack Worthing gets antsy living at his country estate. As an excuse, he spins tales of his rowdy brother Earnest living in London. When Jack rushes to the city to confront his brother, he's free to become Earnest and live a different lifestyle. In London, his best friend, Algernon, begins to suspect Earnest is leading a double life. Earnest confesses that his real name is Jack and admits the ruse has become tricky as two women have become enchanted with the idea of marrying Earnest. On a whim, Algernon also pretends to be Earnest and encounters the two women as they meet at the estate. With two Earnests who aren't really earnest and two women in love with little more than a name, this play is a classic comedy of errors. This is an unabridged version of Oscar Wilde's English play, first published in 1899.
