

Man In The Run

Charles Williams

Man on the Run Tom Doyle,2013-09-06 The most famous living rock musician on the planet, Paul McCartney is now regarded as a slightly cosy figure, an (inter)national treasure. Back in the 1970s, however, McCartney cut a very different figure. He was, literally, a man on the run. Desperately trying to escape the shadow of the Beatles, he became an outlaw hippy millionaire, hiding out on his Scottish farmhouse in Kintyre before travelling the world with makeshift bands and barefoot children. It was a time of numerous drug busts and brilliant, banned and occasionally baffling records. For McCartney, it was an edgy, liberating and sometimes frightening period of his life that has largely been forgotten. *Man on the Run* paints an illuminating picture: from McCartney's nervous breakdown following the Beatles' split through his apparent victimisation by the authorities to the rude awakening of his imprisonment for marijuana possession in Japan in 1980 and the shocking wake-up call of John Lennon's murder. Ultimately, it poses the question: if you were one quarter of the Beatles, could you really outrun your past?

Man on the Run Charles Williams,2013-01-15 Pursued by the police, a desperate man fights to stay free—and stay aliveDIV It's raining hard when the man leaps off the train. He lands safely and creeps into town, praying he will find someplace to hide. It's nearly daylight, and the police are not far behind. He breaks into an unoccupied seaside cottage, and is overjoyed to find coffee, whiskey, and cigarettes. But before the fugitive can relax, the doorknob rattles. The police are at the door./divDIV /divDIVRussell Foley, third mate on an oil tanker, is not a cop killer. But the night before he got into a fight with a police detective, and a few hours later the cop was found stabbed to death. Unable to explain himself, he bolts, hoping to evade the police and somehow find the real killer. But for a man who cannot stop running, justice can be a hard thing to find./div

Man on the Run Lloyd L. Hunter,2005-08 The biography of Kolt Allison, an African-American boy, who left home in the early 1900s in search of adventure, but became a man who developed an insatiable lust for fine clothes, booze, gambling, and beautiful women. His perilous life dangled on the edge of reality and insanity, which threw him into many situations where he had to kill or be killed.

The Running Man Richard Bachman,Stephen King,2007-06-14 It's not just a game when you're running for your life. Every night they tuned in to the nation's favourite prime-time TV game show. They all watched, from the sprawling slums to

the security-obsessed enclaves of the rich. They all watched the ultimate live death game as the contestants tried to bet not the clock, but annihilation at the hands of the Hunters. Survive thirty days and win the billion dollar jackpot - that was the promise. But the odds were brutal and the game rigged. Best score so far was eight days. And now there was a new contestant, the latest running man, staking his life while a nation watched.

Man on the Run Zeke Pipher,2012-03-06 A guide for helping hyper-hobbed men to find balance between their hobbies and adventurous pursuits and family, friends, and church.

Man on the Run Carl Weber,2017-01-17 One man must prove his innocence while finding which friend betrayed him in this high-drama, action-packed novel from the New York Times bestselling author of the Family Business series. Jay Crawford has spent too long paying for a crime he didn't commit. For ten years, he's been in prison, waiting for the right opportunity to prove his innocence. But when his family is threatened, the time for waiting is over. Jay just didn't realize that escaping would be the easy part... To get justice, he'll need the help of the three best friends who have always had his back -- Wil, Kyle and Allan. But how long will Allan let Jay stay in his house if his new wife seems to prefer the sexy ex-con sleeping on their couch? And does helping Jay mean Wil finally gets pulled into the not-exactly-legal Duncan family business? As Kyle finds his loyalties -- and his finances -- stretched to the limit, who will he have to sacrifice? A man on the run requires absolute trust, but Jay might just be setting himself up for the ultimate betrayal...

Run Man Run Chester Himes,2024-10-08 In this knockout standalone crime novel from the acclaimed author of the Harlem Detectives series, a white cop's murderous outburst leads to a pulse-pounding chase to silence a witness A few days after Christmas, a white cop in New York is as drunk as he's ever been. And he's convinced his car has been stolen. He believes the thieves are the Black workers at a luncheonette on 37th and Fifth avenue, and when he staggers in, his .32 caliber goes off. But who would believe it was an accident? Now, two men are dead, and a witness has gotten away. What follows is a heart-stopping chase of epic proportions. A master of tension and a deft chronicler of racism in post-war America, Himes delivers here one of his most compelling, dramatic novels of suspense.

Man on the Run Manuela Ronchi,Gianfranco Josti,2005-09-29 On 14 February 2004 Marco Pantani was found dead in a hotel room in Rimini. The 34-year-old climbing specialist, nicknamed 'The Pirate', was a Tour de France and Giro d'Italia champion, but his career was blighted by doping allegations after he was thrown out of the 1999 Giro d'Italia for failing a blood test. In the last months of his life he kept extensive notes for a book that would have told his story. Pantani was the first Italian to win the Tour de France, cycling's premier race, since Felice Gimondi in 1965. He was the last man to win the Tour before Lance Armstrong embarked on a record-equalling five straight victories. But Pantani's career went into free-fall when he was ejected from the 1999 Giro while in the lead after failing a test for haematocrit - an indicator, though not proof, of the use of performance-enhancing drugs. Scandal followed Pantani, and during the 2001 Giro a syringe containing traces

of insulin was found in his hotel room in a police raid. Pantani insisted the syringe had been planted and that he did not stay in the room on the night in question. A court dismissed his claim for lack of proof, and he was suspended for six months but later acquitted of sporting fraud in October 2003. Thanks to her close rapport with Pantini's family, Manuela Ronchi has been able to tie together the loose ends of his story to loyally reconstruct the life of the champion. From his childhood discovery of cycling to the triumphs, losses and scandal that accompanied one of the few sporting personalities capable of inspiring in his fans a passion for cycling, here, for the first time, is the full, intimate, authentic and personal story of Pantani's remarkable career.

Run Man Run Chester B. Himes, 1966 Walker, one of New York's not very finest, is a drunk, psychotic and vicious policeman. Staggering into a restaurant on a freezing day, he kills two Negro workers because they were there, and pursues a third who witnessed the murders, determined to kill him as well.--Google books.

Man on the Run V Baron Alexander Deschauer, 2016-12-13 After the June Terror killed hundreds of thousands around the world, Jack Harding knew he had to disappear. Not wanting to risk flying from Europe, he takes the long trip across Russia by train, aiming to get back to the US by crossing the Bering Strait. Instead, he falls victim to a family of human traffickers, who submit him to months of unspeakable abuse. When he is finally able to escape, he finds he's not the only one seeking revenge against their demons. Together with his new friends, they set in motion a plan to rid the world of sexual slavery, one low-life at a time. Despite using every trick in the book to hide their work, it quickly catches the eye of a secret branch of the CIA. Soon, Jack finds himself pulled once more into a world he had so desperately tried to avoid. The fifth installment of the Man on the Run series wrestles with some of the most pressing issues of our time, from human trafficking to the role of violence as a tool in securing peace. It forces us to look at what lies beneath the world around us, and question the lengths we would go for justice, and for love.

Fast Eddie Eddie Maher, 2017-05-04 9.30am on 22 January 1993. The moment in crime history that one of Britain's most audacious thefts ever took place and the legend of 'Fast Eddie' was created. This is the story of how Securicor guard Eddie Maher managed to pull off a £1.2 million heist, fled the country despite every port being closed, spawned an international manhunt, and managed to evade capture for 20 years. As Britain's Most Wanted Man, he led 30 detectives, FBI and Interpol on a wild goose chase across the USA. Dubbed 'Fast Eddie' by the press, he was always one step ahead and after two decades on the run with his family using a series of aliases and identities, Eddie began to think he'd committed the perfect crime until a cruel and dramatic betrayal proved otherwise... Like a Hollywood movie script and told in full for the first time, Fast Eddie is the compelling story of how an ordinary British man became America's most notorious fugitive.

Becoming Forrest: One Man's Epic Run Across America Rob Pope,2022-09-29 The remarkable true story of an unrivalled journey to recreate the greatest run in film history: 15,621 miles, five-times across the United States. Becoming Forrest is the incredible story of Englishman Rob Pope, a veterinarian who left his job in pursuit of a dream - to become the first person ever to complete the epic run undertaken by one of Hollywood's most beloved characters, Forrest Gump. After his momma urged him to do one thing in life that made a difference, he flew to Alabama, put on his running shoes, and sped off into the wilderness. His remarkable journey covered 15,600 miles, the distance from the North to the South Pole and a third of the way back. Over a grueling 18 months, braving injuries, blizzards, forest fires and deadly wildlife, he crossed the United States five times. During one of the most turbulent periods in recent American history, Rob immersed himself in American life. His time on the open road saw him forever changed, trying to make that difference, in the process of Becoming Forrest. This is a tale of one man who just wanted to make a difference.

Ultramarathon Man Dean Karnazes,2017-04-20 Ultrarunning legend Dean Karnazes has run 262 miles - the equivalent of ten marathons - without rest. He has run over mountains, across Death Valley, to the South Pole, and is probably the first person to eat an entire pizza while running. With an insight, candour and humour rarely seen in sports memoirs, Ultramarathon Man has inspired tens of thousands of people - nonrunners and runners alike - to push themselves beyond their comfort zones and simply get out there and run. Ultramarathon Man answers the questions Karnazes is continually asked: - Why do you do it? - How do you do it? - Are you insane? and the follow-up queries: - What, exactly, do you eat? - How do you train to stay in such good shape?

Man on the Run Charles Salzberg,2023-04-17 Master burglar Francis Hoyt is on the run. After walking away from his arraignment in a Connecticut courtroom, he's now a fugitive who has to figure out what he's going to do with the rest of his life. And so, he heads west, to Los Angeles, where he meets Dakota, a young true crime podcaster who happens to be doing a series on Hoyt. At the same time, he's approached by a mysterious attorney who makes Hoyt an offer he can't refuse: break into a "mob bank," and liberate the contents. Praise for MAN ON THE RUN: "One part heist movie, one part psychological thriller, three parts great character and blend. Salzberg's superb Man on the Run will keep your head spinning from the first page to the last." —Reed Farrel Coleman "Smart, sly and compelling, with a fascinating main character—the very definition of intelligent suspense." —Lee Child "Man on the Run grips you from the opening page and doesn't let go. The plot will leave you breathless with anticipation as a master burglar and a crime podcaster try to outwit and outmaneuver each other before an outrageous heist. There's nothing better than smart characters, with smart dialogue, going head-to-head. You won't want to miss a twist or turn." —Michael Wiley, Shamus Award-winning author of the Sam Kelson mysteries "Francis Hoyt, Charles Salzberg's brilliant burglar anti-hero from Second Story Man, is back on the prowl in Man on the Run. Old-school crime meets the podcast age as Hoyt tangles with a true-crime reporter as well as fellow felons and the law. Like his hero, Salzberg

is a total pro who always brings it home.” —Wallace Stroby, author of *Heaven’s a Lie* “Charles Salzberg is a genius at not only crafting a helluva page-turner of a heist novel, but he also manages to make the reader care about Francis Hoyt, master burglar and pathological narcissist. Hoyt is the man on the run, and the story of how he eludes the law, the mob, and a retired cop who has become his personal nemesis packs a solid punch and leaves you rooting for the guy who’d steal your family jewels without breaking a sweat.” —James R. Benn, author of the Billy Boyle World War II mystery series “When it comes to Charles Salzberg’s work, you can expect a hard-edged story, crisp dialogue, and memorable characters. This is certainly true—and then some!—in his latest, *Man on the Run*. Featuring master burglar Francis Hoyt, a tough and intelligent criminal who can’t seem to turn down tempting criminal scores, despite the inherent danger, *Man on the Run* features a true-crime podcast host, a criminal fence, and an investigator hot on the trail of Francis Hoyt as his most challenging and dangerous burglary comes into play. Very much recommended.” —Brendan DuBois, award-winning and New York Times bestselling author “It’s a battle of wits and nerves as a cop, a robber, and a journalist dance around one another, weaving a tapestry of deceit and suspense. Salzberg’s dialogue flows like water until it finds truth in this most entertaining read.” —Matt Goldman, New York Times bestselling author

Man on the Run Carl Weber, 2017 It was the night before his wedding, fifteen years ago, that the nightmare began for Jay Crawford--locked up for a crime he never committed. Now, he's escaped prison and wants nothing more than to clear his name and protect his family. To get justice, he'll need the help of the three best friends who have always had his back--Wil, Kyle and Allan. But a man on the run requires absolute trust...and Jay may just be setting himself up for the ultimate betrayal--

Can't Swim, Ride, Run Andy Holgate, 2011 This book is both a lesson in true grit and determination, but its goal is one that is attainable. Andy isn't a sporting superstar, he holds down a 9-5 job and all the pressures that go with it; he isn't blessed with speed and talent; there are no multi-million pound sponsorship deals; yet this remarkable common man is inspiring in a way that some of today's sporting superstars have forgotten how to be. You wouldn't recognize Andy in the street, yet his story provides valuable lessons to us all: Never give up and Anything is possible. *Can't Swim, Can't Ride, Can't Run* follows Andy Holgate's epic journey from being an overweight librarian to an Ironman triathlete. Before he could even begin the rollercoaster ride which amassed more punctures than Andy cares to remember, this would-be Superman had first to buy a second-hand bike and take swimming lessons. Along the way, he ended up in hospital, dealt with family crises, encountered crocodiles and deadly amoebas, and persuaded his friends that doing an Ironman event is what normal people do on their stag weekend. This is the inspirational, amusing and moving story of how one normal bloke learnt how to fall off a

bike and not injure himself, to run a marathon despite two dodgy knees, and most importantly how not to drown.
