Mildred D. Taylor

The Man In The Well ,

The Well of Loneliness Radclyffe Hall,2015-04-24 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel *The Unlit Lamp* (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy *The Forge* (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel *The Well of Loneliness* (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.

Gentlemen of Space Ira Sher,2010-05-11 Magnolia Court is not the most magical place in Florida, but to young Georgie Finch, this outsized housing project in the heart of the suburbs is the center of the universe. In this superbly crafted, imaginative, and intelligent novel, Georgie tells us the story of when his father, Jerry, won a competition in 1976 to become the first civilian man on the moon. He also tells us about his beautiful baby-sitter, who has a crush on Jerry; his Jackie O-like mother, Barbara, the long-suffering wife to an everyday genius; Jerry's high school friend Lyle Barnes, running for local office on his coattails; and the mysterious journalist Bob Nightly, who seems the only person determined to get to the bottom of who Jerry Finch really is. Once Jerry is shot into space, Magnolia Court turns into the worst sort of American media circus, replete with card tables, Winnebagos, cookouts, and telescopes. Georgie tentatively navigates this space, dodging the starstruck commoners who have come to worship at the astronauts' feet. When Jerry goes missing, the camp turns into a vigil, punctuated by potluck suppers and banners. Eventually the astronauts come back without Jerry and likewise descend on Magnolia Court -- in their spacesuits -- to show their respect. All the while Georgie gets phone calls from his father in space, but no one will believe him. Should we? Or is his entire story just that, a story? A feat of literary ventriloquism, *Gentlemen of Space* is surprising, captivating, and wholly original.

Becoming a Man P. Carl, 2021-01-26 A “scrupulously honest” (O, The Oprah Magazine) debut memoir that explores one man’s gender transition amid a pivotal political moment in America. *Becoming a Man* is a “moving narrative [that] illuminates the joy, courage, necessity, and risk-taking of gender transition” (Kirkus Reviews). For fifty years P. Carl lived as a girl and then as a queer woman, building a career, a life, and a loving marriage, yet still waiting to realize himself in full. As Carl embarks on his gender transition, he takes us inside the complex shifts and questions that arise throughout—the alternating moments of arrival and estrangement. He writes intimately about how transitioning reconfigures both his own inner experience and his closest bonds—his twenty-year relationship with his wife, Lynette; his already tumultuous relationships with his parents; and seemingly solid friendships that are subtly altered, often painfully and wordlessly. Carl “has written a poignant and candid self-appraisal of life as a ‘work-of-progress’” (Booklist) and blends the remarkable story of his own personal journey with incisive cultural commentary, writing beautifully about gender, power, and inequality in America. His transition occurs amid the rise of the Trump administration and the #MeToo movement—a transition point in America’s own story, when transphobia and toxic masculinity are under fire even as they thrive in the highest halls of power. Carl’s quest to become himself and to reckon with his masculinity mirrors, in many ways, the challenge before the country as a whole, to imagine a society where every member can have a vibrant, livable life. Here, through this brave and deeply personal work, Carl brings an unparalleled new voice to this conversation.

The Well of Being Jean-Pierre Weill, 2016-11 An enchanting, visually arresting, “extraordinary children’s book for adults...that peers into the depths of the human experience and the meaning of our existence.” (Brainpickings.org).

Man in the Woods Scott Spencer, 2010-09-14 “A smart, haunting thriller with bass reverb and a pounding heart.” —Jayne Anne Phillips, author of the National Book Award finalist *Lark and Termite* Scott Spencer, the acclaimed author of *Endless Love* and *A Ship Made of Paper*, reaffirms his storytelling mastery with *Man in the Woods*—a gripping psychological thriller about a carpenter at loose ends and the crime of passion that radically reorders his world. Rudy Wurlitzer lauds *Man in the Woods* as a stunning work that offers “heartbreaking insights into the dark frailties of human nature,” and which he calls, “a page turner from beginning to end.” And New York Times bestselling author Francine Prose hails its achievement, writing,

“In this brilliant novel, Scott Spencer further expands his range.”

The Well Mildred D. Taylor, 1998-09-01 Another powerful story in the Logan Family Saga and companion to Mildred D. Taylor's Newbery Award-winning *Roll of Thunder, Hear My Cry*. For David Logan, a time of distress means taking the higher road. During a drought, the Logan family shares their well water with their neighbors, black and white alike. But David's brother Hammer finds it hard to share with Charlie Simms, who torments them because they are black. Hammer's pride and Charlie's meanness are a dangerous combination, and tensions between the boys build and build—until they explode. * “A compelling novel about prejudice and the saving power of human dignity.—School Library Journal, starred review

The Road Cormac McCarthy, 2019-03-07 The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his

protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.

The Well Elizabeth Jolley, 2007-09-03 Miss Hester Harper, middle-aged and eccentric, brings Katherine into her emotionally impoverished life. Together they sew, cook gourmet dishes for two, run the farm, make music and throw dirty dishes down the well. One night, driving along the deserted track that leads to the farm, they run into a mysterious creature. They heave the body from the roo bar and dump it into the farm's deep well. But the voice of the injured intruder will not be stilled and, most disturbing of all, the closer Katherine is drawn to the edge of the well, the farther away she gets from Hester. A twentieth-century Australian classic, *The Well* is a haunting and wryly humorous tale of memory, desire and loneliness.
