The Man of Galilee Atticus G. Haygood,2015-06-03 Who and what was Jesus of Nazareth? In this question and its answer is involved the whole of what we mean by Christianity. If it could be demonstrably proved that there never existed such a person as Jesus, Christianity, as a living force, would cease from the earth. There would indeed be a history, a literature that would interest people according to their tastes; but there would be no heart-changing, world-up-lifting system of vital and vitalizing truths and corresponding duties, binding upon the conscience of every human being and inspiring hope in every breast.

The Man of Galilee Frank Wakeley Gunsaulus,2015-07-03 Excerpt from The Man of Galilee: A Biographical Study of the Life of Jesus Christ For twenty years I have been writing down the results of my studies of the career and character, the mission and influence of Jesus of Nazareth, son of Joseph and Mary. Within the last two years I have been permitted the

opportunity to gather these results together and give them a chronological and unifying relationship. The view of Jesus the Christ here set forth appears to me not less than a matter of supreme and vital moment. In a somewhat large and active ministry, I have found the experience of men making such a picture of the Messiah of Humanity as I have tried faithfully to reproduce in these pages. Every line of this biographical study has been made true to me, either in the Christian experience of myself or in the religious growth and sanctification of others whom I have tried to help, by acquainting them with the Master of Men. If, therefore, more of the preacher and pastor appears in these chapters, than of the theologian and scholar, this fact - that for many years I have found Jesus Christ repeating His acts and re-living His life in the lives of the people whom God has given me to guide - must furnish sole, and, I hope, sufficient explanation. A long list, indeed, would they furnish, if I were to supply the names of the authors and the books which I have freely drawn upon, and all other means employed by me, in writing this book. To make such acknowledgment in the form of a catalogue, would expose me justly to the charge of pedantry. Jesus Behaving Badly Mark L. Strauss, 2015-09-25 The Jesus everybody likes, says Mark Strauss, is not the Jesus found in the Gospels. He preached about hell far more than the apostle Paul. He told his followers to hate their families. Not one of his twelve apostles was a woman. When we unpack these puzzling paradoxes and more, we gain greater insight into Jesus' countercultural message and mission.

The Man of Galilee (Classic Reprint) Enoch Edwin Byrum, 2016-07-23 Excerpt from The Man of Galilee The Sea of Galilee and the hills and moun tains round about never seem more beautiful and endearing to our hearts than When recalled to our memories in the language of the Man of Galilee himself and as recorded by his disciples. The aim of this little volume is to present the story of the Christ of the Bible in his own lan guage, in that of the disciples, and as foretold by the prophets, thus acquainting the young reader With the exact words as recorded in the Bible in the narration of his life. The Man of Galilee Siwanto,Atticus G Haygood,2020-11-08 You know of Jesus from his words, above all from his life, that he was incapable of prejudice; that no wretched or mean man of any class or race could appeal to him in vain. You know that Jesus was as free from all intolerance, from all caste feeling and race prejudice, as the virgin snow is free from stain. But his disciples, these men who have told us of him, were saturated and poisoned with these feelings; they lived on the low plane of their race and time, and not above it. In the Acts of the Apostles we see what that plane was; the Jew hated Gentiles. Consider the history of Peter's visit to Cornelius, and you will see how deep and inveterate is the feeling that opened a gulf between the Jews and other races. Consider what is meant by the sudden outburst of rage at the word Gentile that day Paul spoke to the mob in the temple-court, as he stood on the castle stairs. All history illustrates this intense race prejudice. In this country, in the spring of 1888, a Jew celebrated the funeral of his daughter because she had married a Gentile. Read the story of the Syrophenician woman, the parable of the good Samaritan, his heavenly doctrines about loving our enemies, and then think of these writers inventing Jesus and his doctrines. See the false shame on their faces when they find Jesus talking with the woman of Sychar by Jacob's well, and ask whether men like these lived in the same world with him! Consider the attitude of Jesus toward fallen women. See how he bore himself with the woman who washed his feet with her tears in Simon's house; see his tender respect for Magdalene; see him, his cheeks aflame with shame and confusion, his eyes dewy with pity, as he made marks on the ground with his finger that day they brought a sinful girl to him and demanded judgment upon her. These men who wrote of Jesus were as incapable of such sentiments and conduct as they were incapable of building worlds. God pity us! as incapable as we, his disciples of to-day, are, who, after all that he has taught us and done for us, in our meanness and cowardice abide still in heathenism, and scorn those whom Jesus did not scorn. We may judge these evangelists by ourselves; they were as we are. They were ashamed of him when he spoke respectfully and kindly to fallen women; we would

be ashamed of him now if he were again among us in the flesh, bearing himself toward our outcasts as he did when he was in Galilee. If possible, these evangelists were as incapable as we are of inventing the character of Jesus.
