*The Leda Ladies Volume One* Leon Dalman,2011-04 This is the first in a series of pictorial books about a group of women who enjoy dominating men in a traditional or domestic manner and call themselves, the Leda Ladies. They originated at Leda Studios in San Marcos, California when author and editor, Leon Dalman, launched a company called Leda Productions which produced and distributed publications and videos portraying female domination in a traditional manner. The women he hired to be in the videos became addicted to their roles and adapted it to their personal lives. They gave themselves the title of Leda Ladies. Admission to the club was easy: be able to put on high heels, take a man across her lap and spank him till he cried. As more and more people watched the Leda Videos or read the publications, more women wanted recognition as Leda Ladies and would order their husbands or boyfriends to write and verify it by describing the spanking or caning he just got. This book is about the original Leda Ladies and even it does not cover the full story of these ladies. There will be more. About

the Author Leda Productions was a great financial success to its founder, Leon Dalman, but only if he continually fed it with new videos and magazines which took a great deal of creativity. The only way he could maintain this creativity was to live the actual life of a submissive. That meant giving a thing called the power to a Leda Lady. Leda Ladies loved it when a man gave them the power. It meant she could be totally dominant with him and he would be totally obedient to her any time she wanted. At one point of his career, Leon Dalman was involved with five different women who had the power over him. When he would get a new model and she was really good, he would say, Here I go again, creating a monster. If you buy the book, the pictures will show you what Leon meant. **Two Severe Spankings - The Tawse for Tom and The Birch for Barry (Gay Discipline)** Mark Maguire,2017-04-03 Here are TWO terrific man-to-man (gay) discipline stories. In The Tawse for Tom, Tom always dreads the leather tawse. He gets it regularly whenever he misbehaves - and the strange thing is, he craves it too. Although it hurts so much, it turns him on like nothing else on earth. It thwhacks and stings like a burning fire, creating painful, swollen wheals across his hairy, masculine bare buttocks. He's a grown man, but whenever he's been badly behaved, he knows he needs to be punished, and he keeps going back for more - from Harry, his handsome gay lover. Then, in the second exciting story The Birch for Barry, Jake is an independent young man who's not afraid to speak his mind. He's also not afraid to give a misbehaving young man a good, hard, thorough birching when he deserves it, and that's just what his partner Barry often gets. Trouble is - he enjoys it too much!

*Lessons in Submission: The Discipline Book (Gay, Discipline, Public Spanking)* S M Partlowe,2014-09-26 Reader Advisory: This story is for mature audiences only and features intensely erotic situations, femdom bdsm play, spanking, public discipline, humiliation, submissiveness and dominance. All characters are 18 or older. Adam's first hours in his new mistress's house have been intense ones, but he knows they have only scratched the surface. Before he has done little more than catch his breath, it's time to meet the other submissives in the mistress's household and learn just exactly what he has gotten himself into. Far from being allowed to wade in slowly, Adam's initiation into this tight little community will mean getting tossed directly into the center of its many different flavors of discipline and power play. By the time his first morning has come to a close, he will have a lot more to think about than why there isn't a number on the mailbox. Excerpt: Yes, Mistress, several of them agreed and the others nodded obediently. His shorter time here makes it all the more important that his experience is a positive one. Again they agreed, smiles breaking onto some of their faces. I could feel excitement

rising in the room. There was a slight teasing note in Mistress's voice. It was as though she and the men at the table were in on an inside joke, as though they all knew what was coming and Mistress was being deliberately slow in getting to it: tantalizing them under the guise of introducing me. Slowly, Mistress strode to the head of the table, a hand stroking her chin and that infectiously mischievous smile on her inviting lips. For those of you who haven't heard, she went on, Adam and I encountered each other at his audition for the Tunisia Society. Isn't that right? Yes, Mistress, I agreed. She nodded, her hands splayed lazily on the wooden table and her eyes closed. Quite a performance. A slight rustling passed through his audience. When she reopened her eyes, they fell as though by coincidence upon a small spiral-bound notebook lying in the center of the table which I had not noticed. And what's that? The Log? she said as though surprised. She reached out one hand and drew it towards her. A collective shiver along the table confirmed that whatever had everyone so on edge had a great deal to do with that unremarkable little book. She licked a finger, drew it open, and flicked through several pages. My goodness, she said. Look at this. Would you look at this. Four days I'm away and you boys acquire a rap-sheet like this? She tutted softly, turning a page back and then forward again. Now I understand the nervousness. We have some serious accounts that need settling, don't we? The sighs and shivering had stopped. She now commanded the room in utter silence. Who was my record keeper this week? she asked. Me, Mistress, a blond man seated two down from the end answered him. He had a lean muscularity and a well-defined face that was fixed in an expression of nervous expectation: a strange mixture of dread and excitement. Even sitting down he was two inches taller than the men to either side of him, and his pale skin was flushed. Mistress shook her head and tutted again. Hayden, Hayden, Hayden. All this happens when I leave you in charge? Hayden seemed to be holding his breath. Mistress looked at his paralyzed, blushing form. That's ten spanks, isn't it? For a house poorly run? Around the table the men nodded in confirmation. Would you come up here, please, where everyone can see you? Hayden rose carefully from his chair and made his way around the table. Mistress took her own chair and turned it around so that the back of it faced the room. Hayden stopped beside her and stood waiting with nervous hands clasped over his bare stomach. Apologize to everybody, please. They are going to be punished because you couldn't keep them in line. If you had done your job, none of this would be necessary.

Regularly Spanked, Strapped and Paddled: the Life of a Female Spanking Model - Huge Bonus Edition - 10 Books in One!

J. Myers, 2013-09-04 I am a female sex slave that likes it rough. The qualities in a man that I like include spanking, biting, rough sex, mental dominance, bondage and discipline. I want someone to intimidate me by using his looks, by his actions, gestures, playing mind games and making me feel guilty. I want someone to make all the decisions for me, to be the king of the castle :) I can be bratty at times but I can take the punishments I earn and expect to be punished often! I know what I want and what I like. My man takes a weak woman unable to face the world and teaches her to be a strong woman, weak only to him. I love the sadistic side to a man and enjoy his having total control over me. I like to be taken forcibly and to be forced to serve in general. I am also a lady that makes her living off of being spanked. I love how my butt is almost always warm and marked. I also have a wonderful, though sexually sadist Master who I play with as all this spanking sure makes me horny. My butt can take a lot of abuse and good thing because folks who pay to spank me, really want to get their money's worth. Often they spank me as hard and as long as they physically can. These spankings can make me cry. Often I'm stripped naked and tied down to a wooden platform for a long, hard strapping and/or paddling. That may be after they've first given me a good over their knee spanking. Yes it hurts but it pays the bills and gets me so excited. I'll now tell you in full detail about all my spankings. Included in this book are nine additional bonus books (making this big book a \$69.50 value!) Your ten books are presented in the following order: 1) Regularly Spanked, Strapped and Paddled: The Life of a Female Spanking Model 2) Bare Bottom Spankings (The Las Vegas Spanking Adventure) 3) 14 Male-Female Anal Sex Stories 4) 100 Great Lines To Put In Your Personal Ads 5) Bed Arrest, the Punishment for BDSM Enthusiasts 6) Spanking Dictionary (Adult Only Erotica) 7) Excuse for Sadism: How the Inquisition Beat the Devil Out of Cathar Women 8) The Absolutely Essential Guide to Erotic Breast Massage 9) The Ultimate Collection of Resurrections and Rebirths 10) Master and submissive or slave BDSM Contract  
Publisher's Note: This book contains explicit sexual content and BDSM. All characters are of legal age. Hello everybody! Your opinion is very important! If you like this book please make sure to leave a review. Thank you!
