**Eugene Delos Gardner, John Frederick Johnson**

*Shaft: The Original Novel* Ernest Tidyman, 2016-07-20 Who is John Shaft? John Shaft is a private eye. John Shaft is a black man made of muscle and ice, and he has no prejudices. John Shaft will kill anyone... black or white. When the cloistered daughter of Harlem's crime boss discovers the true nature of her father's work, she runs off to be as bad as Dad. By the time she disappears, she's into sex, liquor, dope, and a few other scenes. Now, Big Daddy wants Shaft to get his baby back. The tough, take-no-guff detective goes to work... and the Mafia, the Black militants, the NYPD, and City Hall go to work on him. The original and unabridged Shaft novel by Ernest Tidyman, the 1970 tour de force of hardboiled crime fiction that introduced an unsuspecting world to a cultural icon.

Shaft: A Complicated Man David F. Walker, 2021 Who's the black private dick that's a sex machine with all the chicks? Shaft! (You're damn right!) Created by author Ernest Tidyman and made famous in a series of novels and films, iconic hero Shaft makes his graphic novel debut in an all-new adventure. He's gone toe-to-toe with organized crime bosses, stood up to the cops, squared off against kidnapers, and foiled assassination attempts. But who was John Shaft before he became the hardboiled investigator with a reputation as big as New York City itself? Recently arriving home from his tour of duty in Vietnam, his first case - tracking down a missing person for his girlfriend - quickly turns into a matter of life and death, making him a target of gangsters and the police!

The World of Shaft Steve Aldous, 2015-10-12 Mention Shaft and most people think of Gordon Parks' seminal 1971 film starring Richard Roundtree in a leather coat, walking the streets of Manhattan to Isaac Hayes' iconic theme music. But the black private dick who inspired the blaxploitation film genre actually made his debut on the printed page as the creation of a white novelist. Ernest Tidyman was a seasoned journalist down on his luck when he decided to try his hand at fiction. Shaft was the result, giving Tidyman the break he was looking for. He went on to become an Academy Award winning screenwriter and respected film producer. Based on extensive research of Tidyman's personal papers, this book tells the story of Shaft from the perspective of his creator. The author provides new insight and analysis of the writing of the Shaft novels, as well as the production of the films and TV series. First-ever coverage of the forgotten Shaft newspaper comic strip includes

previously unseen artwork. Also included is Shaft's recent reappearance on the printed page, in both comic book and prose form.

*Shaft's Revenge* David F. Walker,2016-02-23 Like an unstoppable force of nature, private detective John Shaft is back with a vengeance. Ernest Tidyman s iconic detective returns in the first original Shaft novel in more than forty years, and he s as bad as ever. When the Godfather of crime in Harlem reaches out to Shaft for a favor, the hardboiled detective finds himself caught in a web of violence and murder. No one is safe as the bullets start to fly and the bodies start to drop, leaving Shaft with only two options: kill or be killed.

Shaft: Imitation Of Life David F. Walker,2017-02-22 After a high-profile case puts him in the headlines, private detective John Shaft is looking for something low profile and easy that will keep him out of the spotlight, out of danger. Shaft takes a missing person case that proves to be more difficult than he initially thought. At the same time, he is hired to be a consultant on a low budget film that may or may not be based on his life, and proves to be as dangerous as any job he's ever had. But

when there's danger all about, John Shaft is the cat that won't cop out - even if it means squaring off against sadistic gangsters that want him dead.
