Homosexuality - Man Vs God Amos Sibanda,2016-02-20 There are many things in this world that people do, whether harmless or harmful. The habits that are not good in life are very appealing and good ones less appealing. Common examples of bad habits are in eating, drinking, smoking, sex, and use of drugs. Trying to give advice on the bad habits is interfering with the entertainment of the people concerned. For example in eating, there are many people who prefer junk food to good, healthy, and natural food. It takes the entirety of the whole universe to make them realize and concede that the practice is not good. Some practices or actions that are sin to God, no matter how we view them, are so exciting and appealing that the people concerned strongly feel delighted to commit them. So this book is about these practices, actions, and their solutions. It reveals that there is no sinful action less or greater than the other. All sins are the same before God and are self-entertainment. When the law of God is transgressed it becomes sin. Of course all of us have sinned and fall short of the glory of God. Gods grace justifies us freely through the redemption that is in Christ Jesus. No one is guiltless. How can a perpetual thief cast a stone at a homosexual? How can a murderer, with hands full of innocent blood, cast a stone at the homosexual? How can a coveter cast a stone at the homosexual? How can the fraudulent cast a stone at the homosexual? How can a homosexual cast a stone at these above? The list of those with planks in their eyes who see specks in other peoples eyes is long. The solution to this sad state of affairs is to be unbiased; to be willing to know God, that He is real; and to be willing to explore the other side of the coin that is to regret to be conscience stricken about a past action or attitude. This change is only possible through Christ. It took God, the creator of the heavens, the earth, and the sea and everything in them to become flesh (named Jesus) for us to realize and concede that some of our practices or actions are not good before Him. This is about Salvation. Ultimately, it is about freedom from sin in this world and the world to come which will be inherited by those who are willing to hear what the Holy Spirit says. The meek shall inherit the earth (Matthew 5:5).

**Sovereignty : Will of Man Vs. Will of God** Tommy Loveland, 2017-09-16 Sovereignty: Will of Man Vs. Will of God - is a journey through the nature of fallen humanity on what's really happening in life. What does God say vs what humanity says?

A book inspired by Jeff Durbin and Andrew Schwab with Project86 which are my heroes of the faith.

**Homosexuality Man Vs God** Amos Sibanda, 2014-10-24 This title looks at what the bible has to say about homosexuality. What do other people around the world say? What do some of the most powerful political leaders have to say about gay and lesbian relationships? This book is not about preaching hate or offending anyone. It is neither to disparage nor castigate anyone. Whilst it may be very difficult for other people to accept and comprehend it, it is about spiritually reconciling souls. Like a charity organization that extends its services with love and compassion to alleviate the hardships of the disadvantaged, this book is written to alleviate hardships of the spiritual disadvantaged people. It is very intricate to many people to comprehend spiritual emptiness. The message is to seek light shining in the darkness to be comprehended by the darkness. The message is not only to one group of people but also to everyone that is spiritually empty. It also addresses all human flaws, for example to name a few, maliciousness, envy, murder, strife, deceit, hatred of God, violence, pride, disobedience to parents, boasting, etc. In the book there is a brief explanation of homosexuality and a brief history about the activity. The current situation is about countries where homosexuality is illegal and others where it is legal. What people say, and their positions, is mainly the sayings and positions of heads of countries and church leaders and some studies. Retraction and evolvment/ evolution are also revealed through leaders of countries and organizations as well. This so far shows where man (human beings) stands regarding homosexuality. Whilst the utterance and stand of leaders could not be the position of everyone, but as representatives of the countries or organizations they show the directions intended or taken. Having shown human standing on the matter, which is diverse, God's position and all his requirements are brought in. To avoid personal opinion and diluting God's word quotations are made verse by verse with such consistence and harmony that the sense and intentions are not lost. There are some people who do not believe in God and others who take him for granted. For such, using the scripture mainly in comparison with some scientific researches the entire endeavor is made to prove that God exists and is real. With the hope that all the above may have an effect on some people; there are several miscellaneous biblical facts to guide and help such. These facts show the role they play and how they matter to the Christian life and the benefits of being Christ's disciple. Each of these is supported by a list of consistent and harmonious verses to help a reader who may believe and be delivered from the body of death to comprehend the environment he/she is going into. The facts are judging or condemning, Jesus' call, hypocrisy, great commission, love, lack of love, the devil, resisting the devil, prayer, compassion, forgiving; grace, faith and the law. After this, is the resolution, that is, change of the life style. There is no sin greater than the other. All sins are the same before God. The ability to repent is to turn to Christ. There is nothing we can do on our own. When one sinner repents the whole heaven and all the angels rejoice. This is how important we, as human beings, are before God. There are certain observations, that is, remarks, comments, or statements based on what has been noticed. The observations are on law, phobia, sciamachy, evolvment, choice or no choice, discrimination, effects on children,

Bible distortion; wisdom, knowledge and understanding, and prophecy. The conclusion is a self-plea to God the Father and Christ Jesus our Lord for cleansing the author. It is a plea for the spirit of power and not the spirit of fear in order to overcome weakness. Without God in my heart I cannot preach renunciation and devotion to others when I have not myself got rid of lust and anger.

**Man Vs. God** Jerry Hensley,2021-12-27 Is your life easier than that of your parents? Do you want your children's future brighter than yours? Fact or fiction? Right or wrong? Yes or no? Each day we are inundated with thousands of choices. Each day we suffer the consequences of those choices. God gave us free will. As a result, we choose our future. Over the last one hundred years, in every part of our lives, we have chosen to move away from our Creator. Because of this, every part of life has gotten worse. Once we understand the cause of the problems, the solution becomes obvious.

The Religion of Man Vs. the Word of God D. C. Darr,2010-06 God gave us His Word to guide us on how we need to live our lives. The problem is, mankind also has free will, and with it comes an ego. In *The Religion of Man vs. the Word of God: How Man Makes God Conform to Man's Image*, author D. C. Darr has assembled a collection of topics exposing the arrogance of defining God in man's terms. We, as Christians, have become comfortable allowing our religious messengers, philosophers, and interpreters to form our opinion of who God is and what the Bible tells us. In this dangerous comfort zone, we do not question the opinion of our religious leaders, but instead accept it as fact. Discover with author D. C. Darr the serious offenses people have committed using manmade theologies. Find out how the doctrines of religion have led man to create 38,830 Christian denominations and dozens of Bible interpretations. This controversial exposé points out the consequences of blatantly defying God, intending to give readers a better understanding of, and relationship with, our Father in Heaven.

Man Vs. God Justin Douglas Leavens,2022-10-30 Born and raised in a commercial farming family on the coast of California, Justin began his relationship with Jesus Christ when the pursuit of sinful pleasures and the world left him dry and wanting. Justin's travels take him across the country where he fell in love with a girl from Pennsylvania where he develops a working relationship with the Amish to this day. Justin's first book is a daily devotion showing the vanity of life when a man pursues the flesh. This is contrasted with a devotional life in scripture pursuing the will of the Holy Spirit. You will learn a bit about farming on both sides of the country, the vanity of debt and chasing the wind, and the importance of making Jesus Christ first in life, in preparation for eternity. Justin's next book is entitled *The Big Picture*. It explains the importance of keeping our shepherding of others focused on eternal matters, when the temptation is to be focused on the here, the now, and the mammon in front of us.

*A Real Man versus a Worthless Man* Garry Hall Sr.,2015-11-30 All scripture is given by inspiration of God, and is

profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be perfect, thoroughly furnished unto all good works. 2 Timothy 3:16-17. Men, do you know how to treat women? Women, are you sick of choosing the wrong men? Just because you buy her jewelry; doesn't mean she deserves to be mistreated. Just because he is tall, dark and handsome; doesn't mean he is Mr. Right. Just because you give her money; doesn't mean she is your property. Just because he has a good job and drives an expensive car; doesn't mean he is Mr. Right. So, God made man in His own image Genesis 1:27. A man comes in all shapes, sizes and characteristics. When it comes to a woman, I know what a man is going to say and what he is going to do to get her. I may have not always been that perfect man. But, throughout the years I got my act together and learned how a woman wants to be treated. This book is to help both men and women to determine what A Real Man Versus A Worthless Man is. These methods will enable them to fulfill their purposes and create the lives they were designed to have. From my own past experiences and having daughters of my own and listening to their stories about men; prompted me to write this book. A REAL MAN VERSUS A WORTHLESS MAN

**The Humanity of God Vs. the Divinity of Man** Steve J. Connelly,2011-11 'His divine power has given us everything we need for life and godliness through our knowledge of him who called us by his own glory and goodness. Through these he has given us his very great and precious promises, so that through them you may participate in the divine nature and escape the corruption in the world caused by evil desires.' 2 Peter 1:3-4 (NIV)In the beginning, man finds himself in the garden of Eden, walking and talking in close relationship with God. Sin enters, and man suffers a calamitous separation from his Maker. Even to this day, sin prevails. However, evoked deep within our hearts remains an interminable declaration: we are partakers of God's divine nature.The Humanity of God vs. the Divinity of Manauthenticates that principle. Follow author Steve J. Connelly as he illustrates the connection between biblical scripture and the relevance it has on us today. Sin may have entered your life, but in this insightful book, you'll discover that God's destiny burns deep within you and he prevails in your soul.

*Satan Vs. God* Herman Saini,2008-07 Did Noah's Flood really occur, or is it a MYTH? Yes! God did really drown that world, except for Noah and a PART of his family. But why did God submerge that entire world? How really WICKED had that society become? Who were the main characters that led it to its doom? What kind of EVILS were they practicing? Gleaning information from ancient sources, Herman Saini provides detailed answers to these questions. He explains why pre-Flood history seemed lost, and restores much of that history. He tells the gripping, yet sobering history of the universe and man from the creation of Adam and Eve, and how their son Cain sold himself to work EVIL. His descendents followed in his footsteps and led the world to its doom. He draws vital lessons from that experience to enable men to avoid the same fate in a fast approaching great tribulation. HERMAN SAINI has been an accountant and business consultant for over 16 years. He has developed a model of economic development and international trade that nations can use as a guide to develop plans for economic growth. He holds a chemical engineering degree, a MBA, and has been a Ph.D. candidate in marketing, having completed three years of work towards the degree. He is also licensed as a Certified Public Accountant. He maintains two blogs, the purpose of which is to preach the gospel of the soon coming kingdom of God, in fulfillment of the prophecy in Matthew 24:14. *Understanding the Struggle Between Natural Man Vs. Spiritual Man* Robert Childress,2018-02-05 This book offers a pace of hope and rest toward the struggling soul, a rest that struggles not in a comfort zone to willfully sin, but a rest from the battle to bring peace to the soul. It is my prayer that the reader will be inspired, encouraged, and challenged to find rest in Christ now and in eternity.

**GOD'S TRUTHS vs. MAN'S LIES** Pastor Randy Pitts II,2018-01-03 God's truth is always found in His word. God's Truths versus Man's Lies is a book of scriptural validation and verification. It is impossible to know God's truth without knowing His word. It's like a puzzle. If you only have two or three pieces to a 200-piece puzzle, can you truly know what the puzzle looks like? Of course not. Well, God's truth about various topics is the same way. We must know all of His word or scriptural puzzle pieces about a subject, before He wants us to apply our faith to His word. That's why we are commanded to live by every word of God - Matthew 4:4. Having all the pieces presents the honesty to God's truth. Partial knowledge does not exact epignosis, which is the Greek word for the full and complete knowledge. That is why if we abide in His word, we shall know the truth, and the truth shall make us free - John 8:31-32. So, my friends, without the truth, all you have is the lie.
