Thinking with the Big Head Jamil Aaron,2015-03-26 Don't be a slave. Start thinking with the Big Head. Thinking With The Big Head: A Guide to Governance is an eye-opening book every man should read if he wants to be successful. It provides practical methods that men can use to control their sexual drive, or little head. This is the secret to avoiding child support, court cases, crazy women and other pitfalls that keep men from achieving their goals. Life is like a Game, a game with catastrophic consequences for those who allow themselves to be blinded by their sexual desires and deceived because of their lack of knowledge. In order to win, a man must understand the rules and the environment in which the Game is played. He must understand who his teammates are as well as his adversaries. He must also have a strategy or game plan. T.W.T.B.H. defines the rules (and loopholes), names the players, and provides strategies to help a man maneuver the various obstacles that he faces on his quest to be the best.

**The Cat With The Really Big Head** Roman Dirge,2015-06-03 The gothic Michelangelo of the macabre and creator of LENORE: THE CUTE LITTLE DEAD GIRL, Roman Dirge is back with a collection of two of his strangest and weirdest tales that take us from the biggest headed cat in the whole universe into the center of a man's body! Cat With The Really Big Head The lead story is the tragic tale of a cat called Cat and his stupidly enormous over-sized head, as he struggles with day-to-day problems like coping with hairballs, trying to eat Chunky Beef Chunk With Beef cat food or dealing with the neighbourhood mouse, Mr. Stinky and his army of annoying mice. Life hasn't dealt Cat a good hand, but still there's always the prospect of reincarnation and a better life, isn't there..? Monsters in my Tummy Ever wonder what madness happens inside you during

times of severity and heartbreak? Feels like a war is being waged in your stomach? Anyone who's ever been crushed by a loved one will instantly be able to relate to this inner saga.

**The Man With The Tiny Head** Roger Longrigg,2012-09-30 'The Man' and his associates have no morals. White-slaving, blackmail, terrorism, torture and mini-battles on the high seas are all fair game. Against them is Lady Jennifer Norrington and her team. The storyline is both exciting and realistic, with sub-plots adding tension and originality. Not one to be missed by adherents of the thriller genre!

Bighead Jeffrey Brown,2004 ... Besides being a superior parody, Bighead slyly reveals the author's personal issues and in some ways, everyone's. -- Andrew Arnold, Time Bighead is great, great fun to read; it crackles with energy and a love for the genre of the super hero. Brown takes the silly conventions that weigh down the cape and tightsbooks and sets them free with a wink and an elbow.-- Shawn Hoke, Comic World News Jeffrey Brown is back -- and with a Bighead, no less! From the creator of Clumsy and Be A Man comes an irreverent and clever superhero parody, featuring the most amazing hero of all time: Bighead. Witness inept villains clash with an all-too-emotional hero, in the epic graphic novel that will leap all clichés in a single bound. Bighead brings together moral fable, social commentary and classic comic book action, featuring a superhero who must save an unthankful world while facing the demons of his own failures.

**Mr. Yakub** Rasheed Muhammad,Anthony L. Perry,2017-02-03 Movie Treatment 25,000 Years ago, the earth was ruled by righteous Asiatic Black People. Civilization functioned at a high level of advancement until one man was born named YAKUB. He was foreseen by 24 SCIENTISTS wise Scientist who wrote that YAKUB would rule the earth for 6,000 years with tricks and lies.So slowly but surely, all advanced civilizations on earth were shut down or buried beneath flooding waters, ice and sand before YAKUB'S new world order would take over the population of humanity. The story is about a man-child named YAKUB whose birth occurred 20 miles outside the holy city Bekkah. YAKUB was a dissatisfied child known as the big headed scientist due to his high level of intelligence. By the age of 6, he determined to ruin the holy city and holy people. He wanted life on a luxury bases at any cost.When the KING of Bekkah discovered his plan, YAKUB and 59,000 of his converts were all expelled from the holy land and shipped off to the Isles of Pelan located in the Aegean Sea. So is was from the Isles of Pelan where Yakub and his followers made an entirely new phenotype people using Asiatic Blacks. Although YAKUB died at the age of 150, he continued providing guidance to his people through dreams, visions and literature.After 600 years on Pelan, all the original Asiatic Blacks became extinct. A new phenotype of people with blond hair, blue eyes and fleshy skin where boarding ships to return to Bekkah to rule as YAKUB had promised 600 years earlier. Shortly after arriving in the holy land, YAKUB'S new race of people began turning the holy city upside down using tricks and lies. The holy people began fighting one another, the likes never witnessed before.Eventually, the new KING of Bekkah was informed by the cities Wizard (WAZIR) why the once peaceful city and land was in an uproar. So the KINGS troops began rounding up the new Phenotype race. They were

expelled out of the holy city BEKKAH and marched 2,200 miles into West Asia--the Caucus Mountain Range. But, some citizens of Bekkah hid certain members of the new pale skin race and took them into Teman, Arabia to live among the Black Hebrews while others were taken further away to live among GRIMALDI and NOMADIC GOBI Asiatic tribes of the green plains by the Black Sea for training in warfare. After 1,700 years, after living in the hills and cave sides of the Caucus Mountains, some of YAKUB'S people became ape-like. So the religious SCIENTISTS of Khem (Egypt) were compelled to produce a prophet to retrieve and teach them. His name was MUSSAH. Eventually, the cave people did return to holy land from the Caucus Mountains. The only hope to save the holy land and its original people now rest in the birth of one man--The HOLY ONE--whom shall bring about the final solution. **Yakub** Shawn L. Asor-Sallaah,2019-01-03 THE YAKUB EXPERIMENT THE EXPLANATION OF RACISM. How can someone explain racism that is often demonic or otherwise unexplainable. The answer lies with Yakub, an African Big Head Scientist that spear headed a genetic experiment that created the Caucasian man and woman. This book examines and answers the age-old question are Caucasians genetically incline to hate and practice racism against people of color. The Yakub Experiment demonstrates how humankind developed from the original man, the African man and woman. In this Book, You Will Learn, -Yakub was the father of the white race.-Yakub's Experiment discovery and results.-Causes of Caucasian racism. -The use of Biblical justification for racism. -The Caucasian Burdens throughout the world. -Yakub's Experiment and modern-day racism.- A solution to Caucasian racism. -And much more!Yakub was a scientist with an enormous head, he was known as the big head scientist. He noticed that unlike attracts and like repels. Using this law of attraction, he created a people who would have little to no conscious and would challenge the original inhabits on planet earth. He knew the black man and black woman contained the brown germ, the lighter of the two germs that mostly remained dormant. He knew that using a breeding process that one out of three children bred under his technique would be lighter and weaker than the original man and woman. The new species from the original man would be without a natural conscious.

*Ivyland* Miles Klee,2011 Debut novelist Miles Klee takes a landscape of drugs, decay, loss and, perhaps, hope, and manages to make the ensemble wryly funny: something only a few notable contemporaries such as Jeff Vandermeer and Michael Chabon have been able to do. Post-urban New Jersey is instantly recognizable in this interlinked series of short vignettes. . . . and Lev's living room is puddles of water and sun, and a bunch of those furry caterpillars are hauling themselves from surface to surface. Populated by a bumbling, murderous citizenry of corrupt cops, innocents, ravenous addicts, lovesick geniuses, and cynical adventurers, Ivyland operates in the shadow of a giant pharmaceutical corporation

that thrives on people's weaknesses . . . and may have an even more sinister agenda. It's our world, only a bit more extreme, and lovingly, precisely depicted with the adept skills native to a master of dark humor.

**The Leader Has a Big Head** Jeff Parker,2007-07-01 The Avengers are called to deal with a group of gigantic mutated sea creatures, but Hulk and Spider Man find out too late that it is just part of the Leader's plan to abduct the Hulk for his own villainous ends.

**The Evolution of the Human Head** Daniel Lieberman,2011-01-03 Exhaustively researched and years in the making, this innovative book documents how the many components of the head function, how they evolved since we diverged from the apes, and how they interact in diverse ways both functionally and developmentally, causing them to be highly integrated. This integration not only permits the head's many units to accommodate each other as they grow and work, but also facilitates evolutionary change. Lieberman shows how, when, and why the major transformations evident in the evolution of the human head occurred. The special way the head is integrated, Lieberman argues, made it possible for a few developmental shifts to have had widespread effects on craniofacial growth, yet still permit the head to function exquisitely. -

'Hey Big Head' Curtis Yarborough,2011-03-28 I want to encourage and inspire others to love themselves regardless of their physical appearances, the color of their skin, their height, their weight, hair texture, nose size, ice head size, feet size, eyes color, ear size, one leg, no legs, one arm, no arms, etc. Do not to let others make you feel less important. Only the Creator of all life can evaluate you. He is the only one who can determine your worth. He loves you, and He loved you within everlasting and unconditional love. You are worth more than Silver and Gold.

**Benjamin Walker** Alex Barr,2013 Have you ever thought about the story behind a one hundred dollar bill? The things it has probably witnessed that no one will ever know. Benjamin Walker, a US one hundred dollar note, will take you where no other has, deep into the money chain of the cocaine trade. From the vaults of a bank to the streets of New York, Benjamin passes from hand to hand until he reaches the jungles of Colombia. From street dealers to money launderers, from guerrilla and paramilitary groups to drug cartel barons, Benjamin sees all the levels of this illegal trade. He narrates a story that describes enormous wealth, abject poverty, and witnesses the horror when innocent people are caught in the crossfire of the cocaine producers. He sees how the amounts of wealth generated by drugs permeate all levels of society in Colombia as well as in North America and elsewhere.

Pisces Ascendant Secrets Saket Shah,2020-01-05 There are times when people just can't identify with the attributes of

their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.
