

Mania Greek Goddess

Roger D. Woodard

Divine Mania Yulia Ustinova,2017-10-16 'Our greatest blessings come to us by way of mania, provided it is given us by divine gift,' – says Socrates in Plato's Phaedrus. Certain forms of alteration of consciousness, considered to be inspired by supernatural forces, were actively sought in ancient Greece. Divine mania comprises a fascinating array of diverse experiences: numerous initiates underwent some kind of alteration of consciousness during mystery rites; sacred officials and inquirers attained revelations in major oracular centres; possession states were actively sought; finally, some thinkers, such as Pythagoras and Socrates, probably practiced manipulation of consciousness. These experiences, which could be voluntary or involuntary, intense or mild, were interpreted as an invasive divine power within one's mind, or illumination granted by a super-human being. Greece was unique in its attitude to alteration of consciousness. From the perspective of individual and public freedom, the prominent position of the divine mania in Greek society reflects its acceptance of the inborn human proclivity to experience alteration of consciousness, interpreted in positive terms as god-sent. These mental states were treated with cautious respect, and in contrast to the majority of complex societies, ancient and modern, were never suppressed or pushed to the cultural and social periphery.

Myth-O-Mania Kate McMullan,2011-07-01 Kate McMullan's popular series, Myth-O-Mania, is back in print! Get the real truth behind the most famous Greek myths straight from Hades, King of the Underworld. Find out if Zeus is really the god you think he is in these humorous and engaging parodies.

Myth-O-Mania: Nice Shot, Cupid! Kate McMullan,2012-03 The story about the handsome Greek god Cupid and how he met Psyche? Just another lie from that myth-o-maniac Zeus! The truth is, when Cupid met Psyche he was a gawky teen god with bad skin and braces. Psyche was so beautiful, Cupid was scared to even approach her. Instead, he and Zeus cooked up a plan to kidnap Psyche. Hades, King of the Underworld, is here to shine some light on what really happened.

Indo-European Sacred Space Roger D. Woodard,2010-10-01 In Indo-European Sacred Space, Roger D. Woodard provides a careful examination of the sacred spaces of ancient Rome, finding them remarkably consistent with older Indo-European religious practices as described in the Vedas of ancient India. Employing and expanding on the fundamental methods of Émile Benveniste, as well as Georges Dumézil's tripartite analysis of Proto-Indo-European society, Woodard clarifies not only the spatial dynamics of the archaic Roman cult but, stemming from that, an unexpected clarification of

several obscure issues in the study of Roman religion. Looking closely at the organization of Roman religious activity, especially as regards sacrifices, festivals, and the hierarchy of priests, Woodard sheds new light on issues including the presence of the god Terminus in Jupiter's Capitoline temple, the nature of the Roman suovetaurilia, the Ambarvalia and its relationship to the rites of the Fratres Arvales, and the identification of the Sabine god Semo Sancus. Perhaps most significantly, this work also presents a novel and persuasive resolution to the long standing problem of agrarian Mars.

Myth-O-Mania: Say Cheese, Medusa! Kate McMullan,2012 In Greek mythology, Medusa was a Gorgon a winged monster with snakes for hair. Anyone who looked at her was instantly turned to stone. But she wasn't born that way. Not even close. Athena was so jealous of Medusa's beauty that she cursed her. Zeus changed the story to make his son, Perseus, look good. Hades is here to set the record straight on Perseus, Medusa, and everything in between.

Myth-O-Mania: Have a Hot Time, Hades! Kate McMullan,2012-03 Think you know the real story behind the Greek myths? Think again. Most people only know what Zeus wants them to. But the truth is, Zeus is a total myth-o-maniac. Hades, King of the Underworld, is here to set the record straight on how he ended up as Ruler of the Underworld and Zeus became King of the Gods.

Persephone Amie Jane Leavitt,2019 Goddess of springtime, or queen of the underworld-life or death? Empowering, high-interest narrative text tells the dual story of Persephone from Greek mythology. These core legends show Persephone's double personality as she splits her duties between her mother and the god of the dead. Fascinating myths also uncover Persephone's past, detailing her birth and how she fits into the family of deities. Further explore Persephone's role in Greek culture through her signature powers, symbols, and attire. Additional facts and historical information connect the goddess's influence through popular culture today.

Myth-O-Mania Complete Set Kate McMullan,2011-07-01 Kate McMullan's popular series, Myth-O-Mania, is back in print! Get the real truth behind the most famous Greek myths straight from Hades, King of the Underworld. Find out if Zeus is really the god you think he is in these humorous and engaging parodies.

Divine Mania in Ancient Greek Literature Dianne L. Creasy,1978

Athena Heather E. Schwartz,2019 Presents the of Athena, Greek mythology's goddess of wisdom and war, detailing her creation and how she fits into the family of deities, and her continued influence through popular culture today.

Myth-O-Mania: Get Lost, Odysseus! Kate McMullan,2014-08-01 The Trojan War is over, but now Odysseus has to find his way home to Ithaca . . . and in typical fashion, he's angered Poseidon enough that the sea-god has decided to make his journey miserable (if not impossible).

Diana Vs. Athena Lydia Lukidis,2022 It's a battle of the hunter versus the warrior! Roman goddess Diana reigns over nature, fertility, childbirth, and the boundary between Earth and the underworld. The Greek goddess Athena is known for her

wisdom and courage in battle. If these two goddesses were to go head-to-head, who would come out on top? Compare and contrast Diana's and Athena's strengths and weaknesses in this Mythology Matchup.

Aphrodite Charles River Charles River Editors, Andrew Scott, 2017-06-04 *Includes pictures *Includes ancient descriptions of the goddess and myths *Includes online resources and a bibliography for further reading However impious the apotheosis of sexuality may seem in the light of the Christian tradition, modern sensibility can nevertheless also appreciate how in the experience of love the loved one and indeed the whole world appears transfigured and joyously intensified, making all else seem insignificant, a tremendous power is revealed, a great duty. Attempting to cover all the forms the Goddess of Love encapsulates is no small affair. The roles she played in romance, marriage, procreation, and all of the other desires of humanity were myriad, but the aim of this book is to paint a slightly different, perhaps more esoteric version of Aphrodite from the usual image of her in mythology books. The fact is that Aphrodite, as an ancient Greek goddess, was not the anthropomorphic personage modern aficionados see painted on canvas and hewn out of stone. In addition to that, she was also so much more, which can be a difficult concept for the modern reader to discern. In fact, it was difficult for certain ancient readers to discern too; the 5th century BCE philosopher Plato expressed disgust at the idea that his gods would debase themselves in the adulterous, murderous, and mischievous ways they were said to have in their myths. However, it is important to remember that Plato represented a very small proportion of ancient Athenian society, and the rest of the populace didn't seem to have much of a problem including the personal anthropomorphic aspect of the gods into their more elemental and essential beings. As the scholar Leopold Schmidt put it, For anyone born a Greek and thinking like a Greek, the idea of a clean antithesis between unity and plurality is put aside where the supernatural beings are concerned. He has no difficulty in conceiving unity of action divorced from any unity of person. This is a very important point to remember when considering any of the ancient Greek gods, which can help the modern reader realize the depth of character that Aphrodite embodied for the ancient Greeks. Hers was more than the wooing gifts, more than the marriage bed, and more than the propriety of women. She was an elemental force and not one to be underestimated. *Aphrodite: The Origins and History of the Greek Goddess of Love* looks at the story of the legendary deity and the various roles she played in Greek mythology. Along with pictures depicting important people, places, and events, you will learn about Aphrodite like never before.

Athena: The Story of a Goddess Imogen Greenberg, 2018-11-06 Discover the adventures of Athena, the ancient Greek goddess of wisdom, war and courage. From her extraordinary birth - sprung from the head of her father, in the midst of a thunderous headache - to her refusal to take no for an answer. Find out how she inspired powerful gods, goddesses and humans and the terrifying fate of those who dared to cross her path. Follow Athena as she competes against her bad-tempered uncle; watch as she turns her enemy into a spider and join her as she keeps Odysseus safe on his remarkable

journey home. Prepare to be amazed as you uncover the story of one of the most fearless ancient goddesses, and the tales of a world where humans, gods and goddesses could meet. Illustrated and written by the brilliantly talented sister duo, Isabel and Imogen Greenberg, this is a story of daring for goddesses-in-the-making.

The Mania of Religion W. F. Dean, 1995-02

Myth-O-Mania: Phone Home, Persephone! Kate McMullan, In this modern version of the Greek myth, Persephone asks Hades for a ride to escape her overprotective mother, sneaks into the Underworld, and refuses to leave.

Heracles Euripides, 2021-10-13 Heracles Euripides - Euripides' Heracles is an extraordinary play, innovative in its treatment of the myth, bold in its dramatic structure, and filled with effective human pathos. The play tells a tale of horror: Heracles, the greatest hero of the Greeks, is maddened by the gods to murder his wife and children. But this suffering and divine malevolence are leavened by the friendship between Heracles and Theseus, which allows the hero to survive this final and most painful labor. The Heracles raises profound questions about the gods and mortal values in a capricious and harsh world.

Greek Women are Goddesses Katerina Tsemperlidou, 2018-12-20 A contemporary love story that highlights the similarities between the ancient Greek goddesses of mythology and Greek women of today. Greg is a Greek American journalist who comes to Greece to create a documentary for Greek women. Athena is a young lawyer who has written a thesis "Greek women are goddesses". She undertakes the task to bring Gregg to contact with women willing to participate in his documentary. Athena is beautiful, dynamic, a modern-day goddess who holds a secret. The more Greg knows her the more he likes her until he falls in love with her. But there is a fiancée back in NYC... Through Athena's thesis we come to know that Greek women have many similarities with the 6 Olympus Goddesses.

The Gods and Goddesses of Greek Mythology Don Nardo, 2012

The A-to-Z Greek Mythology Dictionary Andrew J. Bould, The A-to-Z Greek Mythology Dictionary - THE ULTIMATE GUIDE to Gods, Heroes, Legendary Creatures, and Myths Unlock the Mysteries of Ancient Greece!
