**Manic Pixie Egirl** Nate Lemcke, 2023

**I'm Not Your Manic Pixie Dream Girl** Gretchen McNeil, 2016-10-18 From acclaimed author Gretchen McNeil comes her first realistic contemporary romance—perfect for fans of Kody Keplinger's *The Duff* and Morgan Matson's *Since You've Been Gone*. Beatrice Maria Estrella Giovannini has life all figured out. She's starting senior year at the top of her class, she's a shoo-in for a scholarship to M.I.T., and she's got a new boyfriend she's crazy about. The only problem: All through high school Bea and her best friends Spencer and Gabe have been the targets of horrific bullying. So Bea uses her math skills to come up with *The Formula*, a 100% mathematically guaranteed path to social happiness in high school. Now Gabe is on his way to becoming Student Body President, and Spencer is finally getting his art noticed. But when her boyfriend Jesse dumps her for Toile, the quirky new girl at school, Bea realizes it's time to use *The Formula* for herself. She'll be reinvented as the eccentric and lovable Trixie—a quintessential manic pixie dream girl—in order to win Jesse back and beat new-girl Toile at her own game. Unfortunately, being a manic pixie dream girl isn't all it's cracked up to be, and “Trixie” is causing unexpected consequences for her friends. As *The Formula* begins to break down, can Bea find a way to reclaim her true identity and fix everything she's messed up? Or will the casualties of her manic pixie experiment go far deeper than she could possibly imagine?

**Blood of the Succubus** Duncan McGeary, 2018-06-15 Ancient Goddesses, modern Nightmares. When Doug goes hiking with Suzanne in the Cascades, he thinks he's lucked out. She's his dream girl. But that night in the tent, she turns into something else, something out of his nightmares. The Succubus, Eisheth, has many names and shapes, but she's perfected the Manic Pixie Dream Girl, every young man's sexual fantasy. She has left a long trail of bodies behind her. Serena is one of the few mortals who sees through her beguiling persona, tracking the demoness, determined to stop her. She is joined by Doug's friends and finds that, in Cary, she is still capable of love. Rick helps guide them, the last of the Guardians, an ancient order who once guarded the Succubus but fell prey to their enchantment. The Succubus calls on her sisters, the Daughters of Lilith, for help. Once they were Goddesses but into their peaceful valley came men who saw only their beauty and the power of their blood. Imprisoned for millennia, drained of their life giving blood, the Succubus have vowed vengeance upon men, preying on their sexual desires. When these forces converge, love and sex converge in an explosion of violence, as the

Succubus and humans confront their true natures. Blood of the Succubus combines mythology with modern pop culture--modern dating and ancient fertility rites, a murder mystery and the supernatural. URBAN DICTIONARY: Manic Pixie Dream Girl or MPDG: A pretty, outgoing, whacky female...whose sole purpose is to help broody male characters lighten up and enjoy their lives.

What began as a solitary ramble through the nooks and crannies of pop culture evolved into a way of life. My Year Of Flops collects dozens of the best-loved entries from the A.V. Club column along with bonus interviews and fifteen brand-new entries covering everything from notorious flops like The Cable Guy and Last Action Hero to bizarre obscurities like Glory Road, Johnny Cash's poignantly homemade tribute to Jesus. Driven by a unique combination of sympathy and Schadenfreude, My Year Of Flops is an unforgettable tribute to cinematic losers, beautiful and otherwise.

*Smoke and Mirrors: Exposing the Manic Pixie Dream Girl Trope* Keara Dougherty,2018 A series of letters serve as the

lens through which the true Manic Pixie Dream Girl can be seen, and it can be realized that she does not truly exist at all. These instances force the reader to see the common projected fantasies of men from the perspective of women, a perspective that male authors have failed to see as important to the deconstruction of the trope itself and thus have failed to represent on the page. From moments that may have been perceived as romantic to flashes of terror, these instances can be woven together to reveal the full picture and the real girl beneath the shroud of mystery and quirkiness. Focusing on both the good and the bad, the confusion, the manipulation, the wishful thinking, the Manic Pixie Dream Girl trope is revealed in all of its ugly realities, including the backlash that comes as a result of the fantasy collapsing. Following one girl's story as she attempts to weave around a male admirer, someone she believed to be her friend, throughout the years, the Manic Pixie Dream Girl becomes anything but a dream, instead discovering herself to be uncomfortably real and having little in common with her literary counterpart.

*This is Not a Love Story* Keren David,2015-05-07 Kitty dreams of a beautiful life, but that's impossible in suburban London where her family is haunted by her father's unexpected death. So when her mum suggests moving to Amsterdam to try a new life, Kitty doesn't take much persuading. Will this be her opportunity to make her life picture perfect? In Amsterdam she meets moody, unpredictable Ethan, and clever, troubled Theo. Two enigmatic boys, who each harbour their own secrets. In a beautiful city and far from home, Kitty finds herself falling in love for the first time. But will love be everything she expected? And will anyone's heart survive?

**Me Being Me Is Exactly as Insane as You Being You** Todd Hasak-Lowy,2015-03-24 A heartfelt, humorous story of a teen boy's impulsive road trip after the shock of his lifetime—told entirely in lists! Darren hasn't had an easy year. There was his parents' divorce, which just so happened to come at the same time his older brother Nate left for college and his longtime best friend moved away. And of course there's the whole not having a girlfriend thing. Then one Thursday morning Darren's dad shows up at his house at 6 a.m. with a glazed chocolate doughnut and a revelation that turns Darren's world inside out. In full freakout mode, Darren, in a totally un-Darren move, ditches school to go visit Nate. Barely twenty-four hours at Nate's school makes everything much better or much worse—Darren has no idea. It might somehow be both. All he knows for sure is that in addition to trying to figure out why none of his family members are who they used to be, he's now obsessed with a strangely amazing girl who showed up out of nowhere but then totally disappeared. Told entirely in lists, Todd Hasak-Lowy's debut YA novel perfectly captures why having anything to do with anyone, including yourself, is: 1. painful 2. unavoidable 3. ridiculously complicated 4. possibly, hopefully the right thing after all.

We All Looked Up Tommy Wallach,2015-03-24 The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet.

**Ohio** Stephen Markley, 2019-06-04 "Extraordinary...beautifully precise...[an] earnestly ambitious debut." —The New York Times Book Review "A wild, angry, and devastating masterpiece of a book." —NPR "[A] descendent of the Dickensian 'social novel' by way of Jonathan Franzen: epic fiction that lays bare contemporary culture clashes, showing us who we are and how we got here." —O, The Oprah Magazine "A book that has stayed with me ever since I put it down." —Seth Meyers, host of Late Night with Seth Meyers One sweltering night in 2013, four former high school classmates converge on their hometown in northeastern Ohio. There's Bill Ashcraft, a passionate, drug-abusing young activist whose flailing ambitions have taken him from Cambodia to Zuccotti Park to post-BP New Orleans, and now back home with a mysterious package strapped to the undercarriage of his truck; Stacey Moore, a doctoral candidate reluctantly confronting her family and the mother of her best friend and first love, whose disappearance spurs the mystery at the heart of the novel; Dan Eaton, a shy veteran of three tours in Iraq, home for a dinner date with the high school sweetheart he's tried desperately to forget; and the beautiful, fragile Tina Ross, whose rendezvous with the washed-up captain of the football team triggers the novel's shocking climax. Set over the course of a single evening, Ohio toggles between the perspectives of these unforgettable characters as they unearth dark secrets, revisit old regrets and uncover—and compound—bitter betrayals. Before the evening is through, these narratives converge masterfully to reveal a mystery so dark and shocking it will take your breath away.

*We Are Unprepared* Meg Little Reilly, 2016-09-01 In this remarkable debut novel, Meg Little Reilly tells the story of a young couple who leave the city for rural Vermont in search of an authentic life, but soon find themselves unmoored as a powerful superstorm bears down on their region. A story of love lost then found again when the winds blow out and the waters recede, *We Are Unprepared* is also a prescient tale, filled with a sense that this could really happen. Ash and his wife, Pia, both hipsters in their mid-thirties, uproot themselves from a brownstone in Brooklyn to the town of Isole in northeast Vermont in search of a more self-reliant lifestyle. But after a few idyllic months, the days begin to grow unnaturally hot, ill-omened and filled with discontent. The Weather Service, too, is awash with portentous news about a catastrophic hurricane season brewing off-shore. Preparations preoccupy the town and deepen the cracks inside the community - and within the couple's marriage. Ash finds support with the civic-minded townspeople as they ready themselves for the worst, while Pia falls in with radical "preppers" who want to move off the grid. When The Storm finally hits, it razes both external and internal landscapes, leaving everything - and everyone - permanently altered. Simply and effectively, *We Are Unprepared* examines how the bonds of love, marriage and community fray and reform, strained by the fear of impending disaster.
