Jezebel- the Spirit of Manipulation and Witchcraft Audley O. Redwood,2012-04-01 Over the years, the spirit of Jezebel has had it's trafficking through the strategies of influential people that as controlled and dominated the lives of its citizens into a welfare society. Jezebel as powerfully positioned herself in a crucial mix which breeds a spirit of dependency by which she is able to manipulate economics, influence religion, obstruct the attainment of principal knowledge, impede communication and frustrate the very time index of humanity. In this book we will explore some unanswered questions concerning the spirit of Jezebel and detail how it has formed the climate and suspended a image over our western society through it's strategy of manipulation. This book is meant to displace the error that because the name Jezebel implies a woman that women are the only ones affected by this despicable trait. Not in the least. But there are some men who would like for that idea to be promulgated in the effect that they might be justified in their sadistic approach to strong women. But manipulation and witchcraft are symptomatic of the spirit of Jezebel and is assigned to anyone who avails him or herself to that satanic craft.

Witchcraft Manipulation Dr. Olusola Coker,2018-07-19 Lots of people could not achieve their destiny because of Witchcraft manipulation. Witches are very wicked as there operation is no longer hidden. Witchcraft powers are so powerful that anybody overseas can be bewitched. It is not a laughing matter It is only prayers that can, paralyze these powers of darkness completely. You have to pray aggressively against the powers of witchcraft. In most cases, you must pray the prayers in the middle of the night. However, if you experience the following signs, it shows that you are under manipulation of witchcraft powers. Please note that they can come in form of human being, they could also come from your relatives. With my years of experience dealing with human being, I observe that some people are actually under the control of other people. Witches can use anyone to manipulate people's life.

Enchantment Peter Paddon,2013-01 Traditionally, the Witch's arsenal of magical power has always included the ability to influence others from a distance, blessing, cursing and placing a glamour or the Evil Eye on someone in order to reward, punish or control them in some way. Many of these techniques have been lost, though we can see their descendants in the techniques of mesmerism, faith healing and stage hypnotism. As part of his exploration of Visceral Magick, Author and Witch Peter Paddon has rediscovered techniques and exercises that enable the practitioner to use gestures, gaze and energy connections to influence others from across a room, or in some cases around the world. In this book, Peter describes the underlying theories and philosophies (drawing on the mysteries of Ancient Egypt, Pre-Christian Celtic Wales and medieval Christian Mysticism), and lays out a series of techniques and the exercises that develop the required skills to use them, on order to heal, curse, entrance, bless, and create illusions and other subtle influences in others to manipulate their thoughts and actions. He includes a discussion of the ethical ramifications of these techniques, as well as practical applications in ritual, spell-crafting and daily life. Whether it is the Evil Eye, Jedi mind-tricks or defense against the Dark Arts, these techniques have been the mainstay of myth, legend and fantasy for millenia, but their place in our worldview stems from real magical tools wielded by our ancestors. Too often, the modern witchcraft movement has focused its attention on being an acceptable practice in a modern world. It has often sacrificed much of its unique contributions upon the altar of religion. Albeit, this aspect of our resurgence heeded a deep call and the initial sacrifice had wisdom and purpose. But as they say how many stripes can a zebra lose before it is no longer a zebra? In the case of the Craft, witches do witchcraft, and magic is at the heart of our soul; and we must return our stripes. It is time for witches to be witches... and enchantment is one of the major stripes on the metaphorical zebra of witchery. Thank you Peter for bringing all of us to that state of spirit that wields the power of change through the arts of enchantment. This practice helps to give us back one of our most legendary attributes. My advice is that readers of this book apply the lore and techniques offered. It invites witches to wield the power of change upon self, the world and our universe. Now let's cast enchantment for a better life and a better world. It all starts in the mirror. Break Free! Ingrid Hansen,2012-03-28 The spirit of manipulation is witchcraft at work. It is a spirit that pretends to be godly while doing all it can to undermine the true people and the true work of God. Discernment helps us recognize the spirit of manipulation. Wisdom helps us fight and courage helps to keep standing in our fight against the power of manipulation. This book is a collection of short essays written from personal experience in fighting and breaking free from the bondage of manipulation and religious spirits.

Overcoming the Power of Witchcraft Bishop O Innocent,2020-07-17 Most times, you fail in all you do. Whatso-ever

you put your hand into, comes crashing back into your face. Business failures, bankruptcy, incurable sicknesses, miscarriages with no medical explanation, magical disturbances of your dream, such as having sex in the dream and hearing strange voices calling your name at odd hours and odd places., sudden feeling of fear, etc. are all signs of witchcraft manipulation. You simply stagnate in life for no explicable reason. Your mates leave you behind and you wonder why. You may be under witchcraft manipulation. When witches practice their craft on you, you put in your very best in all you do. Yet, the struggle continues. Where your mates take exactly same actions and excel beyond imagination, you fail even with more and well tried-out, targeted and timed effort. You rise and fall all the time. You persistently have what they call near success syndrome. The fault is definitely not in your star. We have good news and that is that the Bible has already told us how to handle the things that witches and other satanic agents do to bring and keep us down. In this book, we identify who or what witches stand for, how they operate and how we can easily defeat them. I live in Africa where witchcraft is daily in practice and in almost all vistas of life. Most times, the witches boast to your face of what they can, will and have done against you and dare you to do your worst. The Bible laments that we are daily destroyed for lack of knowledge. This book provides with the knowledge of what to do to overcome. I must warn that it is not enough to buy it but read and practice what you have read. You can also help another person by reading this book to him or buying him or her one.

Breaking the Power of Manipulation Yolandia Gibson,2013-09-15 Breaking the Power of Manipulation takes a serious look at the signs and the effects of a person being controlled and manipulated. Manipulation is a common phenomenon in today's world. Everyday you come across headlines of newspapers reporting how common, innocent people are being victimized in the name of religion and God. Manipulation makes you dependent upon the will of the perpetrator. The perpetrator may succeed in making you feel that you have no potential to do anything of your own without their help and intervention. He brings you to such a state of mind that you lose confidence in yourself and instead always go to him for help making even the smallest decisions. In this process, you become dependent and subjugated to that person. In this book I shall mainly focus on one spirit that is very common and found especially in religious circles, but as well in offices, families and circle of friends. One could detect it easily if one knows its behavior. It is a product of the flesh that opens the door to an evil spirit. It is behavior that operates through a person to control by the use of manipulative, domineering and intimidating tactics. When it is in the church it is to disrupt the flow of the Spirit. The devil hates the prophetic flow of God, because the prophetic ministry demands repentance and cuts away evil without compromise. The prophet always speaks against Jezebel. Additionally, the prophetic words come with creative power, which renders the enemy helpless. There is such significance in the fact that Jezebel wanted to destroy Elijah. The Jezebel spirit hates the prophetic, uncompromising voice. It cannot accomplish its agenda with a prophet around. However, I shall not so much talk about the queen Jezebel, but expose how hidden motives combine with a strong desire in certain people find ways to achieve influence and exercise control.
