Adam Mansbach

Go the Fk to Sleep** Adam Mansbach, 2011-06-14 The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

Fuck, Now There Are Two of You Adam Mansbach, 2019-10-01 It turns out that two is a million more kids than one. Adam Mansbach famously gave voice to two of parenting's primal struggles in Go the Fuck to Sleep and You Have to Fucking Eat. Now Fuck, Now There Are Two of You tackles a new addition to the family and all the fears and frustrations attendant to the simple, math-defying fact that two is a million more kids than one. As you probably know by now, you shouldn't read it to a child.

Seriously, Just Go to Sleep Adam Mansbach, 2012-04-03 The G-rated, child-friendly version of the hilarious #1 New York Times bestselling classic! Go the F*** to Sleep, the picture book for adults, became a cultural sensation by striking a universal chord for parents (with a bit of potty-mouth language to help them vent their frustration). Now, Adam Mansbach

and Ricardo Cortés reunite with *Seriously, Just Go to Sleep*, inviting the children themselves in on the joke. Of course, kids are well aware of how difficult they can be at bedtime. With Mansbach's new child-appropriate narrative, kids will recognize their tactics, giggle at their own mischievousness, and empathize with their parents' struggles—a perspective most children's books don't capture. Most importantly, it provides a common ground for children and their parents to talk about one of their most stressful daily rituals. This fresh rendition includes Cortés's updated illustrations, with a cameo appearance by Samuel L. Jackson, who narrated the audio book version of *Go the F*** to Sleep*

You Have to Fucking Eat Adam Mansbach, 2014-11-12 From the author of the international best seller *GO THE FUCK TO SLEEP* comes a book about the other great parental frustration: getting your little angel to eat something that even vaguely resembles a normal meal. Profane, loving and deeply cathartic, *You Have to Fucking Eat* breaks the code of child-rearing silence, giving mums and dads new, old, grand- and expectant a much-needed chance to laugh about a universal problem. You probably shouldn't read it to your children.

Go the Fuck to Sleep Adam Mansbach, 2011-06-16 *Go the Fuck to Sleep* is a bedtime book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing off to dreamland. Profane, affectionate and refreshingly honest, it captures the familiar and unspoken tribulations of putting your child to bed for the night. Colourfully illustrated and hilariously funny, this is a breath of fresh air for parents new, old and expectant.* *(You probably shouldn't read this to your children.)

Seriously, Just Go to Sleep Adam Mansbach, 2014-09-11 Now there's a version, complete with more of the gorgeous, yet weirdly subversive illustrations. The best part? It's still funny. The rhythms, the plodding rhymes, the illustrations, the clever play on the overused trope of the world at bedtime -- they all work together to take *Seriously, Just Go to Sleep* beyond parody and into the realm where good children's books belong: things that parents, and children, can honestly come to from different places and enjoy together. I can imagine reading *Seriously, Go to Sleep* nightly, and even to the point where you're begging the child to choose something else (the ultimate compliment for a picture book) and yet still finding something to enjoy. It captures a different 'zeitgeist' of modern parenting. --New York Times From the team that touched off the irreverent humor trend *Go the F**k to Sleep*, author Adam Mansbach and illustrator Ricardo Cortes, comes a new kid-friendly version of their instant comic classic. *Seriously, Just Go to Sleep* brings children in on the joke, helping them understand their own tactics and why their parents just want them to go . . . to sleep. --Publishers Weekly Critical success for the original *Go the F*** to Sleep*, a #1 best seller at: New York Times, Amazon.com, Wall Street Journal, Publishers Weekly, and many more! *Seriously, Just Go to Sleep* is the G-rated, traditional-sized, children's version of the book every parent has been talking about. *Go the F*** to Sleep*, the picture book for adults, became a cultural sensation by striking a universal chord for parents. Now, Adam Mansbach and Ricardo Cortés reunite with *Seriously, Just Go to Sleep*, inviting the children themselves in on the

joke. As parents know, kids are well aware of how difficult they can be at bedtime. With Cortés's updated illustrations (including a cameo appearance by Samuel L. Jackson, who narrated the audio book version of *Go the F*** to Sleep*) and Mansbach's new child-appropriate narrative, the book allows kids to recognize their tactics, giggle at their own mischievousness, and empathize with their parents' struggles--a perspective most children's books don't capture. Most importantly, it provides a common ground for children and their parents to talk about one of the most stressful aspects of parenting. Seriously, *Just Go to Sleep* came to be when Mansbach read a highly censored rendition of the original book to his three-year-old daughter, and she recognized herself as the culprit and was delighted. We were getting a lot of feedback from parents, saying that their kids loved the book--read in an altered form--because they recognized themselves in the character of the mischievous kid who's winning the bedtime battle, and thought it was hilarious. So we figured we'd do a companion volume that lets kids in on the fun.

The Dead Run Adam Mansbach, 2013-09-24 Adam Mansbach, the acclaimed #1 New York Times bestselling author of *Go the F**k to Sleep* and *Rage Is Back*, turns to a new tale of suspense, horror, and supernatural action Wrongfully imprisoned in a Mexican jail, outlaw-with-a-conscience Jess Galvan accepts a devil's bargain: transport a sinister package across the border in twenty-four hours for the jail's mythical—and terrifying—bogyman El Cucuy. If Jess can make it across alive and give the iron box to cult leader Aaron Seth, he will be free and able to regain custody of his estranged daughter. But as Jess navigates a blighted desert full of deadly surprises, girls go missing on both sides of the border and bodies begin to surface. It's a deadly epidemic of crime that plunges small-town sheriff Bob Nichols into a monster of an investigation he's not equipped to handle, especially when sixteen-year-old Sherry disappears. An ancient evil has awoken in the empty wastelands along the border and now everyone—the innocent and the guilty alike—must face their deepest fears as epic myth and human malice combine to bring forth the end of the world as we know it. With *The Dead Run*, acclaimed author Adam Mansbach mixes horror, the supernatural, and suspense to deliver a chilling, high-octane adventure.

[The End of the Jews](#) Adam Mansbach, 2009-03-17 The ruthlessly engrossing and beautifully rendered story of the Brodskys, a family of artists who realize, too late, one elemental truth: Creation's necessary consequence is destruction. Each member of the mercurial clan in Adam Mansbach's bold new novel faces the impossible choice between the people they love and the art that sustains them. Tristan Brodsky, sprung from the asphalt of the depression-era Bronx, goes on to become one of the swaggering Jewish geniuses who remakes American culture while slowly suffocating his poet wife, who harbors secrets of her own. Nina Hricek, a driven young Czech photographer escapes from behind the Iron Curtain with a group of black musicians only to find herself trapped yet again, this time in a doomed love affair. And finally, Tris Freedman, grandson of Tristan and lover of Nina, a graffiti artist and unanchored revolutionary, cannibalizes his family history to feed his muse. In the end, their stories converge and the survival of each requires the sacrifice of another. *The End of the Jews* offers all the

rewards of the traditional family epic, but Mansbach's irreverent wit and rich, kinetic prose shed new light on the genre. It runs on its own chronometer, somersaulting gracefully through time and space, interweaving the tales of these three protagonists who, separated by generation and geography, are leading parallel lives.

I Had a Brother Once Adam Mansbach, 2021-04-13 A brilliant, genre-defying work—both memoir and epic poem—about the struggle for wisdom, grace, and ritual in the face of unspeakable loss “A bruised and brave love letter from a brother right here to a brother now gone . . . a soaring, unblinking gaze into the meaning of life itself.”—Marlon James, author of *Black Leopard, Red Wolf* my father said david has taken his own life Adam is in the middle of his own busy life, and approaching a career high in the form of a #1 New York Times bestselling book—when these words from his father open a chasm beneath his feet. *I Had a Brother Once* is the story of everything that comes after. In the shadow of David's inexplicable death, Adam is forced to re-remember a brother he thought he knew and to reckon with a ghost, confronting his unsettled family history, his distant relationship with tradition and faith, and his desperate need to understand an event that always slides just out of his grasp. This is an expansive and deeply thoughtful poetic meditation on loss and a raw, darkly funny, human story of trying to create a ritual—of remembrance, mourning, forgiveness, and acceptance—where once there was a life.

The Go the Fuck to Sleep Box Set: Go the Fuck to Sleep, You Have to Fucking Eat & Fuck, Now There Are Two of You (Go the F to Sleep) Adam Mansbach, 2021-10-05 Celebrating a decade of profane, loving, and deeply cathartic children's books for adults, the entire *Go the Fuck to Sleep* trilogy is finally available in a collectors'-edition boxed set. You've probably heard of the book *Go the F**k to Sleep* and its two sequels—*You Have to F**king Eat* and *F**k, Now There Are Two of You*. But did you know it's been a full decade since the first book became a brilliant and hilarious phenomenon? —Fatherly Ten years ago, Adam Mansbach crystallized the secret agony of parents the world over with one simple phrase: *Go the Fuck to Sleep*. In verses that perfectly capture the familiar tribulations of putting your little angel down for the night, the book opened up a conversation about parenting, granting us permission to admit our frustrations, and laugh at their absurdity . . . and the message only resonated louder when Samuel L. Jackson, the bard of the F-word, read the audiobook. *You Have to Fucking Eat* expanded the conversation to include parenthood's other universal frustration: getting your little angel to eat something that even vaguely resembles a normal meal, with Bryan Cranston voicing the audiobook . . . and because life moves pretty fast, *Fuck, Now There Are Two of You* soon became necessary, to address the fact that two is, somehow, a million more kids than one—with Larry David doing the audiobook honors. And now, to celebrate a decade of profane, loving, and deeply cathartic children's books for adults, the entire trilogy is finally available in a collectors'-edition boxed set, perfect for gifting at a baby shower or using to knock yourself unconscious. As always . . . you probably should not read these books to a child.
