The Murder of Al-Husayn Sayyed Abd Al-Razzaq Al-Muqarram,2015-11-23 This book contains the best compilation of the authentic events that occurred before, during and after the Battle of Karbala. The author thoroughly purged history books and selected the most reliable narration in order to construct a clear image of Al Husayn's Holy uprising. Sayyed Abd Al Razzaq examined each and every narration and strictly rejected whatever contradicted logic and basic commonsense. This book is composed of an exquisite and intellectual introduction, followed by the story of Karbala. In this book, Sayyed Abd Al Razzaq documented the details that pertained to Ashura sequentially. Books about Al Husayn and his uprising are numerous, but none rival this in value and accuracy. After he carefully investigated a wide selection of historic sources, Sayyed Abd Al Razzaq depicted the tragedy of Karbala and presented it to readers with very little elaboration.

Chronicles of the Martyrdom of Imam Husayn Muhammad Muhammadi Rayshahri,2020-01-01 The martyrdom of Imam Husayn (a) sent shockwaves through the early Muslim community. Today, this tragedy is still remembered, studied, and commemorated. However, in recent years, there have been increasing questions over the reliability of the historical accounts of his martyrdom. What material is reliable, and what sources can be used when presenting the narrative of his martyrdom to others? The *Chronicles of the Martyrdom of Imam Husayn* was compiled to fill the need for a strongly reliable source on Imam Husayn's (a) final days. Meticulously researched, it contains narrations about the Imam's last stand that are found only in the earliest extant sources. Hand-selected for their reliability, they have been arranged and translated into fluid, precise English. No detail of the narrative of the martyrdom of Imam Husayn (a) has been left out, from his fateful journey towards Iraq, to the journey of the captives afterwards and the events surrounding Arba'in. The *Chronicles* also includes narrations on related topics of interest, such as the custom of mourning the martyrdom of Imam Husayn (a) and fasting on the day of Ashura. Ample preliminary matter written by recognised Islamic scholars addresses the question of the reliability of early and medieval sources, the nature of the oral versus the written tradition, and the challenges faced in the modern era in presenting a reliable account of Imam Husayn's (a) martyrdom. The Arabic text of the narrations has been included throughout, and the work is rounded out with five detailed maps of the Imam's journey. This work is certain to find a special place in the personal library of historians, students and scholars of Islam, those speaking from the pulpit, and anyone with an interest in Imam Husayn ibn 'Ali ibn Abi Talib (a). Compiled by Muhammad Muhammadi Rayshahri Translated by Abbas

The Story of Karbala Ayatolla Ali Nazari Munfarid,2019-06-20 “Oh, Allah, You are my only trust in every calamity. You are my only hope in every hardship. You are the only promise in anxiety and distress, in which hearts become weak and (human) action becomes slight, whereby one is deserted and forsaken by his own friends, and the enemies take malicious pleasure and rejoice at his misfortunes. Oh, Allah, I submit myself to You. My complaint is to You alone against my enemies, and to You alone is my desire and request. Who else other than You can relieve me from grief? You alone are the custodian of every blessing and the master of every excellence and the last resort for every desire.” —the prayer of the Imam-Husayn (AS) on the Day of Ashura

The Miracle of the Qur'an Yasir Qadhi,2020-01-06 The Qur'an is the greatest miracle of God (Allah) and the Qur'an is the proof of the truthfulness of Islam. It is the standing and everlasting miracle, but very rarely, have we heard how is it a miracle? The Qur'an is the ultimate miracle of our Prophet Muhammad (Sallahualaihi wassalam - S.A.W). It is such a miracle that all the other miracles are considered trivial and inconsequential compared to the Qur'an. This is because the Qur'an is so powerful, so bright and blinding that no matter how bright the other miracles are; when you have the sun, the stars become useless. In this book, Dr. Yasir Qadhi discussed on the miracles of the Qur'an that we either have never acknowledge or we often overlooked. The miracles of the Qur'an are endless and the points are abundance to be mentioned.

The Shi'i Islamic Martyrdom Narratives of Imam al-Husayn Muhammad-Reza Fakhrr-Rohani,2023-06-14 Martyrdom narratives (maqals) represent a prominent genre of Islamic, particularly Shi'i, literature. In this genre, the heart-rending aspects of the martyrdom scenes of religiously prominent people are depicted graphically. Although not exclusively limited to the martyrdom accounts of Imam al-Husayn and his companions, who were martyred on the plain of Karbala, Iraq, a great majority of Islamic martyrdom narratives deal with the Ashura episodes. As the first book-length treatment of this genre in English, this text takes the reader from the dawn of Islam in ancient Arabia, exploring the background of the Battle of Karbala and giving a view of the various maqals and several related studies. Although examining Arabic and Persian sources, this book presupposes little background knowledge on the part of the reader.

The Origins and Early Development of Shi'a Islam Husain M. Jafri,S. H. In this way, it would be well received by anyone wanting an in-depth academic study of the topic, from keen enthusiasts to academics.
