Growing Up in Northfield Aberdeen Mike Sheran,2017-04-04 A few stories by Mike growing up in Northfield, Aberdeen. All money made from this book goes to the kids at Northfield Community Centre.

**Fleeting** Carrie Aarons,2019-03-12 Four gorgeous brothers, one small town, and the women who drive them wild.Presley McDaniel lives her life from moment to moment.Making permanent decisions means obligation, and that would force her to stop being the family disappointment. Waitress, fitness instructor, dog walker ... you name the hourly job and she's probably held the position.But when her grandmother can no longer run her book shop in Fawn Hill, a town so small it barely has its own zip code, Presley steps up to help.The move from bustling city to green pastures may be exactly what she needs to sort out her life. But she didn't ask for that happy ending to include a gorgeous veterinarian with an all-American smile and a penchant for snuggling puppies. The good doctor is reliable, responsible, and just the kind of man Presley has always avoided.Love and commitment are predictable.So why, the moment she lays eyes on him, are they all she wants?Keaton Nash has never questioned his steady path.His brothers may tease him about settling into his father's passed-down role of small town veterinarian, but Keaton has never minded his rural roots. And after tragedy struck two years ago, he has a duty as the eldest Nash man to look after his family.What he doesn't need is the sexy, flighty stranger who shows up in town and gets his broken heart beating again. Presley McDaniel is a distraction, a red-headed temptation that is the definition of a bad idea.He's barely recovered from the love who left him to chase bigger dreams, and this woman is bound to do the same.Except for the first time ever, he wants to abandon stability.She makes him want to be reckless.

**Retours of Services of Heirs 1544-1699 Vol A** Bruce Durie,2012-07-25 This book and the accompanying Volume B

(Lanark-Wigton plus General Retours) are composed from the three volumes together called Inquisitionum ad Capellam Domini Regis Retornatarum, quae in Publicis Archivis Scotiae Adhuc Servantur (Inquiries Returned to the Chancery of our Lord the King which are Held in the Archives of Scotland) from 1544 to 1699. These records, informally known as Retours of Services of Heirs, represent possibly the greatest unused resource for Scottish genealogy and land history, but are not widely available and thus largely unknown. Essentially, they are abbreviated abstracts of the records of inheritance, the continuity of heritable possession of land and certain associated rights and responsibilities. The original Retours themselves are often long and complicated, and mostly in Latin, but they were indexed and abbreviated into the form presented here. The Retours can be searched by County, then by surname and placename. With additional material and a Latin glossary by Dr. Bruce Durie

The Early History of Elora, Ontario and Vicinity John Connon, 2006-01-01 Elora: The Early History of Elora and Vicinity provides little-known details about the settlement and development of the Elora area in southern Ontario from the earliest settler in 1817. Then, as now, people were drawn to the Elora Gorge and the rocky banks of the Grand River. The book is a compilation of material that appeared weekly in The Elora Express between 1906 and 1909 with some additional material from the 1920s. Connon traces the settlers as they arrive and reports on the development of the town as they acquired a grist mill, a store, a bridge, and inevitably a railway. Rich with genealogical information, this is an important historical document. Introduction by Gerald Noonan.

Andrew Melville and Humanism in Renaissance Scotland 1545-1622 Ernest R. Holloway III, 2011-06-22 Situating his life and thought within the broader context of the northern European Renaissance and French humanism, this work offers a critical re-evaluation of Andrew Melville in light of current research and the primary historical sources of the period.
