

Marching To A Different Beat

Leanne Bronwyn McPhee

Marching to a Different Beat Sarah Jane Ziegel, 2022-07-05 The poignant, sometimes funny, but ultimately inspirational story that spans twenty years in a family with four, unique, individual boys, not just one child with autism, but four. It shows that with enough determination, a parent's love can win through and transform their children's lives. Each chapter begins with a real life quote or excerpt which sets the tone of the chapter from either a specialist's report or a quote from one of the boys themselves or a personal quote from the author. There are some samples too within the chapters from specialists' reports as factual evidence so that it does not all read as my own thoughts and adds some weight to the story. We are not unique in having children with autism but our story differs from many families in the fact that all four are diagnosed with the classic, non verbal type of autism previously known as childhood autism. There are many recurrent themes within the book, the lack of support available to children with autism, the lack of support for the parents of those children and the lack of awareness and understanding from those who do not live with autism on a daily basis themselves. There are also themes around the positive support and respect for our family which appears in unexpected places, the strength of the boys doing their utmost to show us their true selves and their abilities, the immense ability for change and growth. Above all, our immeasurable love for our children is foremost.

PFC: Private Flower Child Patricia Mohar,2019-12-26 This is the true story, a memoir of S. Fenyoaée McKinney, PFC, "Private Flower Child," a young black man from Chicago who, in 1970, is discovering his individuality. It's subtitle is "Marching to the Beat of a Different Drummer." It is a time when the Vietnam War and civil rights marches are a regular feature of the nightly news. In an era when many young men are faced with the reality of war but are unaware of its consequences, PFC has become a protagonist of the Age of Aquarius, the peace movement, hippies, iconoclasm, Jimi Hendrix, and the new age of rock. He is a young man who wants to be part of the revolution." The story line parallels the lives of two brothers, PFC and his elder brother, PRINCETON, who are both in the military during the Vietnam War. As he challenges the system, his brother embraces the war. Intermittently throughout the story, bold images of PRINCETON in combat in Vietnam are juxtaposed with the nonconformist capers of the pacifist PFC. PFC is an adventurer seeking to be free, questioning social norms. He rejects conformity, especially the military but finds himself drafted at a time when the Vietnam War is escalating. In stark contrast, his older brother, PRINCETON has voluntarily joined the U.S. Marines. He wants to serve his country by fighting in Vietnam and become one of the "few good men." The tale of "Private Flower Child" begins at the Ringling Brothers, Barnum & Bailey Circus headquarters in Venice, FL where he is rehearsing for the upcoming tour season. He receives a call from his mother instructing him to return home to Chicago or the military will arrest him as a draft dodger. On April 15, 1970 he is involuntarily inducted into the U.S. Army. The story follows him from his idealistic survival as a pacifist through the rigorous disciplines of military life. His army buddies call him PFC, Private Flower Child which was a vicarial substitute for the Army rank, Private First Class. The story recounts PFC's adventures with friends and enemies in the military world. Each anecdote chronicles a chapter in his army experience from boot camp to his honorable discharge. During basic training, he pan-handles at Chicago's O'Hare Airport and parties with friends at "Love In" gatherings at Grant Park. The antics continue when PFC paints his combat boots red, white, and blue. His song, "I Got The Army Blues, Baby and its defiant lyrics performed at his battalion's talent show, add to his many military infractions resulting in an Article 15 reprimand. In addition, this autobiographical insight reveals PFC's escapades during his assignment in Germany where he becomes the personal stenographer for Brigadier General George Patton, IV who will determine his fate when he is convicted for the possession of .06 grams of hashish. He became a member of a blues-rock band, The Last Transaction, with two German civilians and an Army buddy. He continues with frequent AWOL holidays in Switzerland and Austria. He buys a 1961 Porsche, names it "Smack," then paints the Superman "S" logo on the hood. At last, he returns home to Chicago and enrolls into college. After completing two tours of duty in Vietnam his brother also returns home. Days later his brother dies. Later

he finds that after a car accident, his girlfriend's mother, a recovering addict, gave him methadone to relieve the head pain incurred from the accident. The coroner attributes his death with the drug and alcohol he had taken earlier. Motivated by the loss of his brother, PFC establishes a career as The Fabulous FENO, "the world's only talking mime." He creates the "What Is Cool", a program that encourages youths to say no to drugs and alcohol and yes to education and to a healthy, positive lifestyle. He appears on numerous TV shows and performs at schools all across the US. The result of his work is exemplified by the positive outcome on the many lives he has inspired to this day.
