Coming Back To Me: The Autobiography of Marcus Trescothick Marcus Trescothick,2008-12-04 A true-life sporting memoir of one of the best batsman in the game who stunned the cricket world when he prematurely ended his own England career. Trescothick's brave and soul-baring account of his mental frailties opens the way to a better understanding of the unique pressures experienced by modern-day professional sportsmen.

Coming Back to Me Marcus Trescothick,Peter Hayter,2009 Marcus Trescothick's brave and soul-baring account of his mental frailties opens the way to a better understanding of the unique pressures experienced by modern-day professional sportsmen. At twenty-nine, Marcus Trescothick was widely regarded as one of the world's batting greats. But in February 2006, as he walked from the field he fought to calm the emotional storm that was raging inside him. In the dressing room he broke down in tears, overwhelmed by anguish, uncertainty and sadness. Within hours he was on the next flight home. *Coming Back to Me* will replace the myths and rumours with the truth, as Trescothick talks with engaging openness and enthusiasm about his rise to the top of international cricket - and describes with equal frankness his tortured descent into private despair.

A Life Too Short Ronald Reng,2011-09-29 WINNER OF THE WILLIAM HILL SPORTS BOOK OF THE YEAR WINNER OF THE BRITISH SPORTS BOOK AWARDS FOOTBALL BOOK OF THE YEAR Why does an international footballer with the world at his feet decide to take his own life? On 10 November 2009 the German national goalkeeper, Robert Enke, stepped in front of a passing train. He was thirty-two years old and a devoted husband and father. Enke had played for a string of Europe's top clubs, including Barcelona and Jose Mourinho's Benfica and was destined to become his country's first choice in goal for years to come. But beneath the veneer of success, Enke battled with crippling depression. Award-winning writer Ronald Reng pieces together the puzzle of his friend's life, shedding valuable light on the crushing pressures endured by professional sportsmen and on life at the top clubs. At its heart, Enke's tragedy is a universal story of a man struggling against his demons. 'It should be on every British football fan's reading list' Metro

Excerpt: Marcus Edward Trescothick MBE (pronounced; born 25 December 1975 in Keynsham, Somerset) is an English cricketer. He plays first-class cricket for Somerset County Cricket Club, and represented England in 76 Test matches and 123 One Day Internationals. A left-handed opening batsman, he made his first-class debut for Somerset in 1993 and quickly established himself as a regular member of the team. Trescothick made his One Day International (ODI) debut seven years later, against Zimbabwe in July 2000. His Test debut, against the West Indies, followed in August. Although former England captain Nasser Hussain likened Trescothick's build and batting temperament to that of Graham Gooch, his stroke play is more reminiscent of David Gower. As an aggressive opener, he holds the record for the fastest half-century in English Twenty20 cricket. Trescothick is also an accomplished slip fielder and occasional right-handed medium pace bowler who has kept wicket for England in five ODIs, and deputised as England captain for two Test matches and ten ODIs. Trescothick was an automatic choice for England between 2000 and 2006, before a stress-related illness threatened his career and forced him to pull out of the national squad. He began the process of...

Might Bite Patrick Foster, 2024-02-15 'An electrifying account of gambling addiction ... compelling' The Times 'Mesmerising, superbly written story of despair, decline and redemption ... should be in the hands of anyone who has eyed a bet' Daily Mail 'An extraordinary story ... vital stuff' Adrian Chiles 'Gripping and harrowing ... enough to make any gambling enthusiast think carefully' The Spectator 'I don't think any book has gripped me like *Might Bite*' Chris Evans The unputdownable story of a life shattered by a secret gambling addiction - and an uplifting tale of recovery - with a foreword by Marcus Trescothick. For more than 12 years, Patrick Foster lived a double life. Turning 31, a popular and sociable young teacher and former professional cricketer, he had a lovely girlfriend and a supportive family. But he was hiding a secret and debilitating gambling addiction from even those closest to him. Huge bets had led to huge debts, thousands of lies, and consequences for his mental health that pushed him to the edge of the platform at Slough station, where he was moments from taking his own life in March 2018. That month Patrick had turned a £30 bet into £28,000, then lost £50,000 on a single horse, *Might Bite*, in the Cheltenham Gold Cup, watching the race in a silent classroom as his students undertook a mock exam in front of him. In his desperation, he had taken out every possible loan, and borrowed money from family, friends and even the parents of children he taught. Although his life was unravelling around him, he could not stop. You might think that this is just one man's story. But problem gambling affects 1 in 200 people in the UK alone. Hundreds lose their lives annually

as a result. The industry is worth more than £14 billion. *Might Bite* is a shocking, cautionary tale of just how easy it is to fall victim to the insidious lure of 'winning big'. And of how recovery is possible from the depths of addiction, no matter how inescapable it seems. 'As a society, we are only just getting to grips with gambling addiction. Patrick Foster is a trailblazer. His work will help many' Marcus Trescothick

Absolutely Foxed Graeme Fowler, 2016-05-05 With riotous stories of life on England tours, partying with Ian Botham and Elton John, combined with a moving account of his battle with mental-health issues, Graeme Fowler's *Absolutely Foxed* is a cricket memoir unlike any other. Seen by many as a maverick, happy-go-lucky figure, Fowler became a hugely influential coach, and is one of the most original thinkers about the game. He's battled and won against the best spinners in India, and the fastest bowlers from the West Indies - he's even found himself at the centre of a tabloid storm. In this book, he looks back over his 40 years in the professional game, spending 16 years on the county circuit with Lancashire and Durham, and three years as an England international - a period that was cut short by a life-threatening injury. He followed that with a spell working on *Test Match Special*, before running the Durham Centre of Excellence for 18 years. Alastair Campbell provides an Afterword in which he commends Fowler's support for others suffering from mental-health problems; Fowler's own experiences should provide help and inspiration for those dealing with similar problems. In his Foreword, lifelong friend Sir Ian Botham describes Fowler as 'one of the gutsiest I ever encountered', but also points out how he 'made a dressing room tick'. Those elements of courage, knowledge and humour are all present in *Absolutely Foxed* - a truly unmissable read.

Tales from the Front Line Luke Fletcher, Dave Bracegirdle, 2020-11-02 For over a decade Luke Fletcher has been a firm fan favourite at Trent Bridge. In *Tales from the Front Line*, 'Fletch' serves up laughs aplenty as he takes us on an anecdotal journey through our summer game.

Night Games Anna Krien, 2014-03-26 Winner of the 2014 Davitt Award for Best True Crime Book and the 2014 William Hill Sports Book of the Year 'The Pies beat the Saints and the city of Melbourne was still cloaked in black and white crepe paper when the rumour of a pack rape by celebrating footballers began to surface ... And so, as police were confiscating bedsheets from a townhouse in South Melbourne, the trial by media began.' What does a young footballer do to cut loose? At night, some play what they think of as pranks, or games: night games with women. Sometimes these involve consensual sex, sometimes not, and often the lines are blurred. In *Night Games*, Anna Krien follows the rape trial of an Australian Rules footballer. She also takes a balanced and fearless look at the dark side of footy culture - the world of Sam Newman, Ricky Nixon, Matty Johns and the Cronulla Sharks. Both a courtroom drama and a riveting work of narrative journalism, this is a breakthrough book by one of the leading young lights of Australian writing. Shortlisted for the 2013 Walkley Non-Fiction Book Award, the 2014 Adelaide Festival Award for Non-Fiction, the 2014 Stella Prize, and the 2014 Western Australian

Premier's Book Award for Non-Fiction. 'The work of a compassionate and expansive intelligence.' - Sydney Morning Herald 'For every superstar, club CEO, boundary rider, bar-propper and park footballer, it should be mandatory reading.' - Sunday Age 'A balanced and powerful exploration of the grey area of sexual assault' - Advertiser 'Night Games a serious addition to the literature on sport, sex, consent and power.' - the Australian Anna Krien is the author of Night Games, Into the Woods and Quarterly Essay 45 Us and Them. Her work has been published in the Monthly, the Age, the Big Issue, The Best Australian Essays, The Best Australian Stories, Griffith Review, Voiceworks, Going Down Swinging, Colors, Frankie and Dazed & Confused.

A History of Cricket in 100 Objects Gavin Mortimer, 2013-06-06 Once the preserve of the English, now, for nations the world over, summertime means cricket bats to be oiled, rain forecasts analysed and tea in the pavilion. Cricket has enthralled us since the seventeenth century. But what is it about the game that provokes such fervour? Award-winning sports author Gavin Mortimer calls together a cast of salt-of-the-earth Yorkshiremen, American billionaires and dashing Indian princes to tell the strange and remarkable tale of cricket's journey from medieval village sport of 'club-ball' to the global media circus graced by superstars from Denis Compton to Sachin Tendulkar. If you've ever wanted to know what a hoop skirt has to do with overarm bowling, why England fight Australia over a burnt bail, or how to avoid tickling a jaffa in the corridor of uncertainty, Mortimer chucks up a stunning century of tales in the first truly accessible global history of cricket.

All in a Day's Cricket Brian Levison, Christopher Martin-Jenkins, 2014-05-15 This selection of the very best, and most intriguing, writing on cricket, drawn from the mid-eighteenth century to the present day, adopts a fresh approach. It is arranged around the theme of the many things that must happen simply for a day's play to happen - from creating a clearing in a Malaysian jungle to getting to the ground - so includes, alongside writing by players both great and unknown, the perspectives of spectators, umpires, scorers and other unsung heroes of the game. There are contributions from John Arlott, Neville Cardus, C. L. R. James and E. V. Lucas; Marcus Trescothick writes on his introduction to cricket aged three; Angus Fraser on meeting Nelson Mandela; Phil Tufnell on being shanghaied into getting a haircut by Mike Gatting; and Rachael Heyhoe Flint on being the first woman to step onto the Lord's ground as a player. But it is the cricket itself and the outstanding players and their achievements that remain the focus - the greats of the recent and distant past involved in some of their most famous exploits. From 'disgraceful scenes at Lord's', described by Irish writer Robert Lynd, to North America, which W. G. Grace toured in 1872, and from a match played on ice to the tropical islands of Fiji and Samoa, this is a collection that does full justice to the extraordinary breadth, diversity and enduring fascination of the greatest game in the world.

Masterly Batting Patrick Ferriday, Dave Wilson, 2013 Ranks the top 100 Test innings of all time based on a complex rating method employing both objective and subjective observations. Most of the book is taken up by the descriptions of each

innings, by some of the greatest cricket writers of today - David Frith, Stephen Chalke, Ken Piesse, Rob Smyth to name but a few.

KP: The Autobiography Kevin Pietersen,2014-10-09 THE SUNDAY TIMES BESTSELLER 'Outrageous, audacious, jaw-dropping' SUNDAY TIMES 'An essential read' DAILY MAIL 'Utterly captivating' DAILY TELEGRAPH 'Hugely entertaining' GUARDIAN The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

Pommies William Buckland,2008-04-23 Based on extensive research and interviews with leading sports executives, Pommies is the first book to investigate the management of professional cricket in England. Three years after the great Ashes victory in 2005, the England team has reverted to type. In 2007, it lost three out of four Test series and got nowhere in the ICC World Cup and Twenty20 tournaments. Since 1987, Australia has thrashed England 34-9 in Tests and won four World Cups to England's none. Today, Australia has five cricket stadiums with more than 30,000 seats to England's none. Their team is accessible to all on Channel Nine, but England fans have to pay GBP400 a year for Sky. Using Australia as the model and inspiration, Pommies explains what is wrong with England cricket and presents a radical plan to improve the national team and open up the game for fans.

The Grade Cricketer Dave Edwards,Sam Perry,Ian Higgins,2018-09-01 Welcome to the world of The Grade Cricketer. Described as the most original voice in cricket, The Grade Cricketer represents the fading hopes and dreams of every ageing amateur sportsman. In this tell-all 'autobiography', The Grade Cricketer describes his cricketing career with unflinching

honesty and plenty of humour, in turn providing insights into the hyper-masculine cricket 'dressing room'. This one-time junior prodigy is now experiencing the lean, increasingly existential years of adult cricket. Here, he learns quickly that one will need more than just runs and wickets to make it in the alpha-dominated grade cricket jungle, where blokes like Nuggsy, Bruiser, Deeks and Robbo reign supreme. Through it all, The Grade Cricketer lays bare his deepest insecurities - his relationship with Dad, his fleeting romances outside the cricket club - and, in turn, we witness a gentle maturation; a slow realisation that perhaps, just maybe, there is more to life than hitting 50 not out in third grade and enjoying a few celebratory beers afterwards. Or is there? * * * The Grade Cricketer book is based upon the popular Twitter account, @gradecricketer, which has received critical acclaim for its frighteningly honest portrayal of amateur cricket. Now, the time has finally come for this middling amateur sportsman to tell his story in full. 'The Grade Cricketer is the finest tribute to a sport since Nick Hornby's Fever Pitch, and the best cricket book in yonks. It's belly-laughing funny but it's also a hymn to the grand and complex game delivered with a narrative pace and ability I'm afraid most Test players don't have. For anyone who ever dreamed of excelling at a sport but never quite made it but still gave it your life, this is the story. A great read!' - Tom Keneally AO.

Playing It My Way Sachin Tendulkar, 2014-11-06 'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne Readers are in love with Sachin Tendulkar's autobiography: 'A must read for anyone who knows cricket' 'An idol . . . An inspiration' 'A great book by one of the all time greats' 'Brings back so many wonderful memories' 'This book has made me feel proud to be a lover of the game and has inspired me to succeed in everything I do.' The story of the greatest cricket player of all time, told in his own words. _____ The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press,

especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other. _____

Michael Vaughan: Time to Declare - My Autobiography Michael Vaughan, 2011-04-28 Michael Vaughan tells the full, compelling story of a remarkable career - from his early days at Yorkshire, to his emergence as a world-class batsman; from the successful partnership with Duncan Fletcher that culminated in the raising of the urn at The Oval in 2005, to the recurring injuries that ultimately forced his retirement. With the insight that helped him bring the best out of personalities as different as Freddie Flintoff, Kevin Pietersen and Steve Harmison, the winner of a record 26 Tests as England captain shares his views on the state of cricket today and gives a frank assessment of fellow players, coaches and administrators. He concludes with praise for the achievements of the 2009 Ashes-winning England team. Entertaining, forthright and surprisingly candid, Time to Declare is essential reading for all cricket lovers - the definitive account of the career of one of the modern game's most influential characters.
