Mare Internum Der-shing Helmer,2020

The Meek Der-shing Helmer,2016-12-01 Angora is an inexperienced young girl who has been sent on a quest to save the world. Since the last world war, tensions have increased between the recovering Northern Territories and the unapologetic southern lands of Caris. The world is overwhelmed with as much terror, crime, and disease as it is by those who yearn for peace. Now, a new war looms between the two countries, and mysterious, monstrous entities may be playing for much higher stakes than anyone realizes. Armed with only her instincts and an unexplainable power, Angora must journey through this world-- and perhaps decide once and for all if it is truly worth saving. The Meek Volume 1 collects the first three chapters from the epic online comic, which updates regularly at www.meekcomic.com

To have just a little more tolerance and acceptance of other people and cultures.
